Where have all the flowers gone?  
The girls picked them, everyone.  
When will they ever learn?  
When will they ever learn?

Where have all the young girls gone?  
They've taken husbands, every one.  
When will they ever learn?  
When will they ever learn?

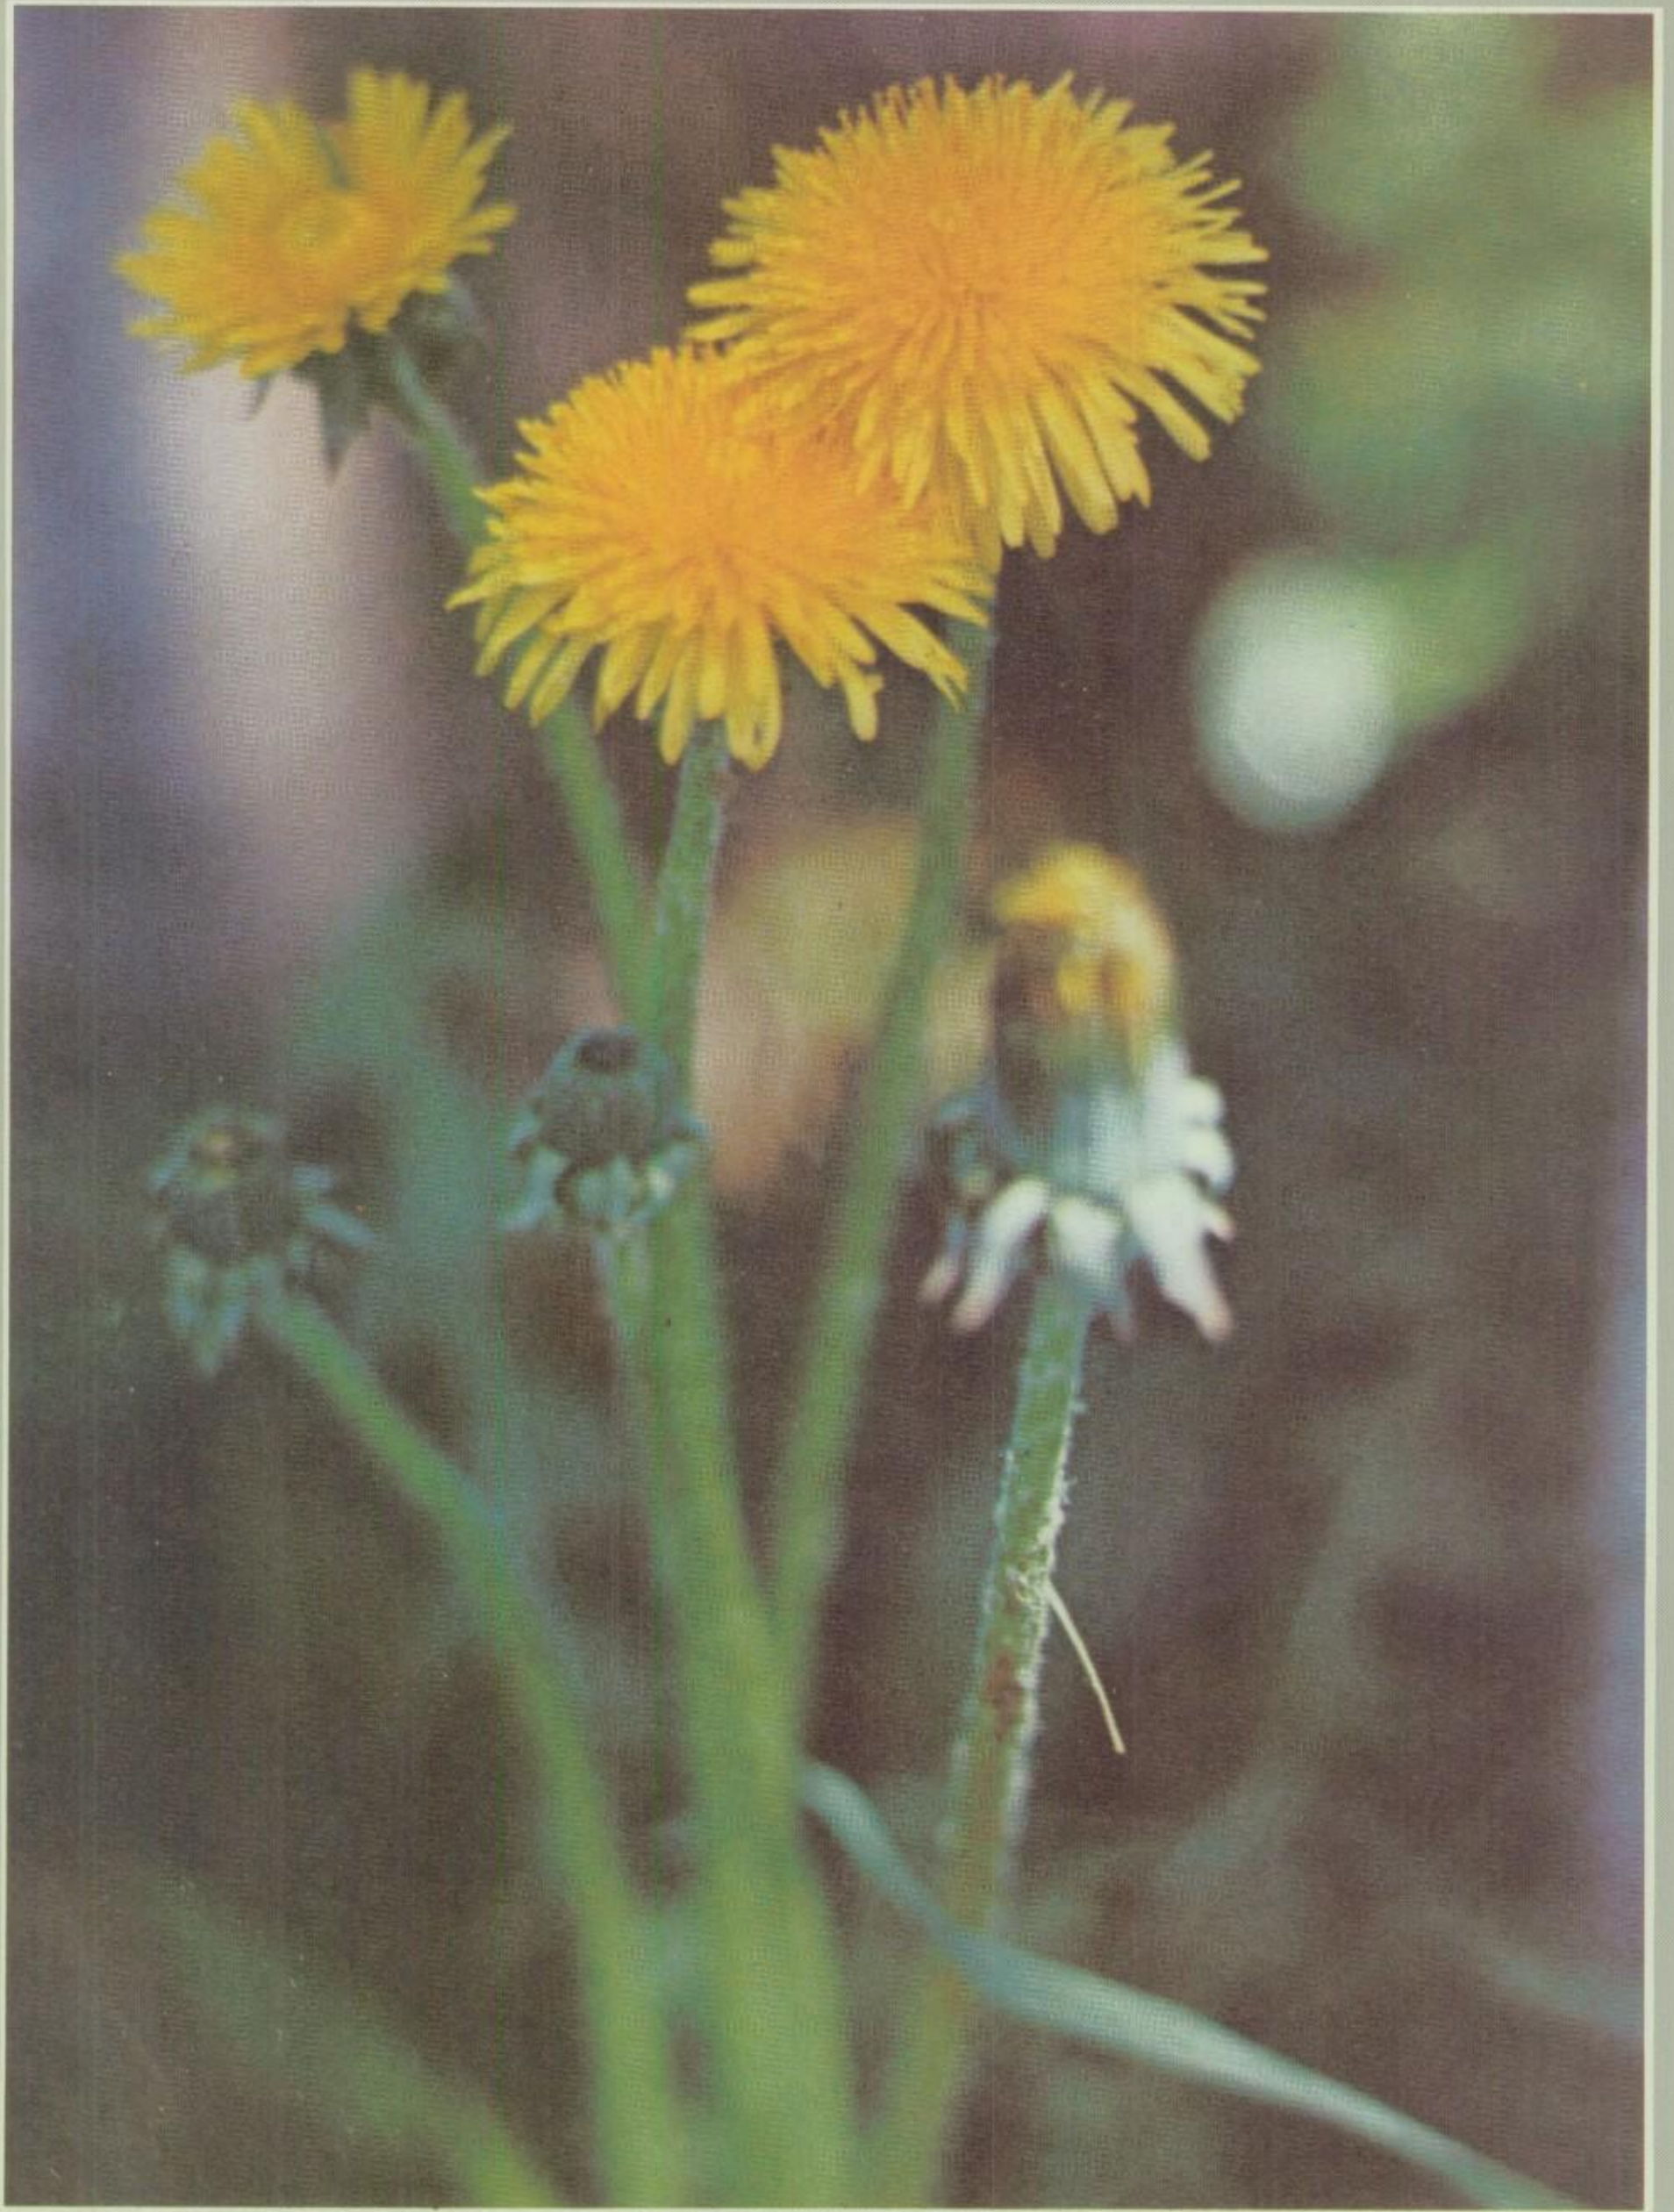

Where have all the young men gone?  
They've gone to soldiers, every one.  
When will they ever learn?  
When will they ever learn?

Where have all the soldiers gone?  
They've gone to the graveyards, every one.  
When will they ever learn?  
When will they ever learn?

Where have all the graveyards gone?  
They've gone to the flowers, every one.  
When will they ever learn?  
When will they ever learn?

Where have all the flowers gone?  
When will they ever learn?

# The 1973 Baronet

A Year in Prospective

We've only just begun to live . . .

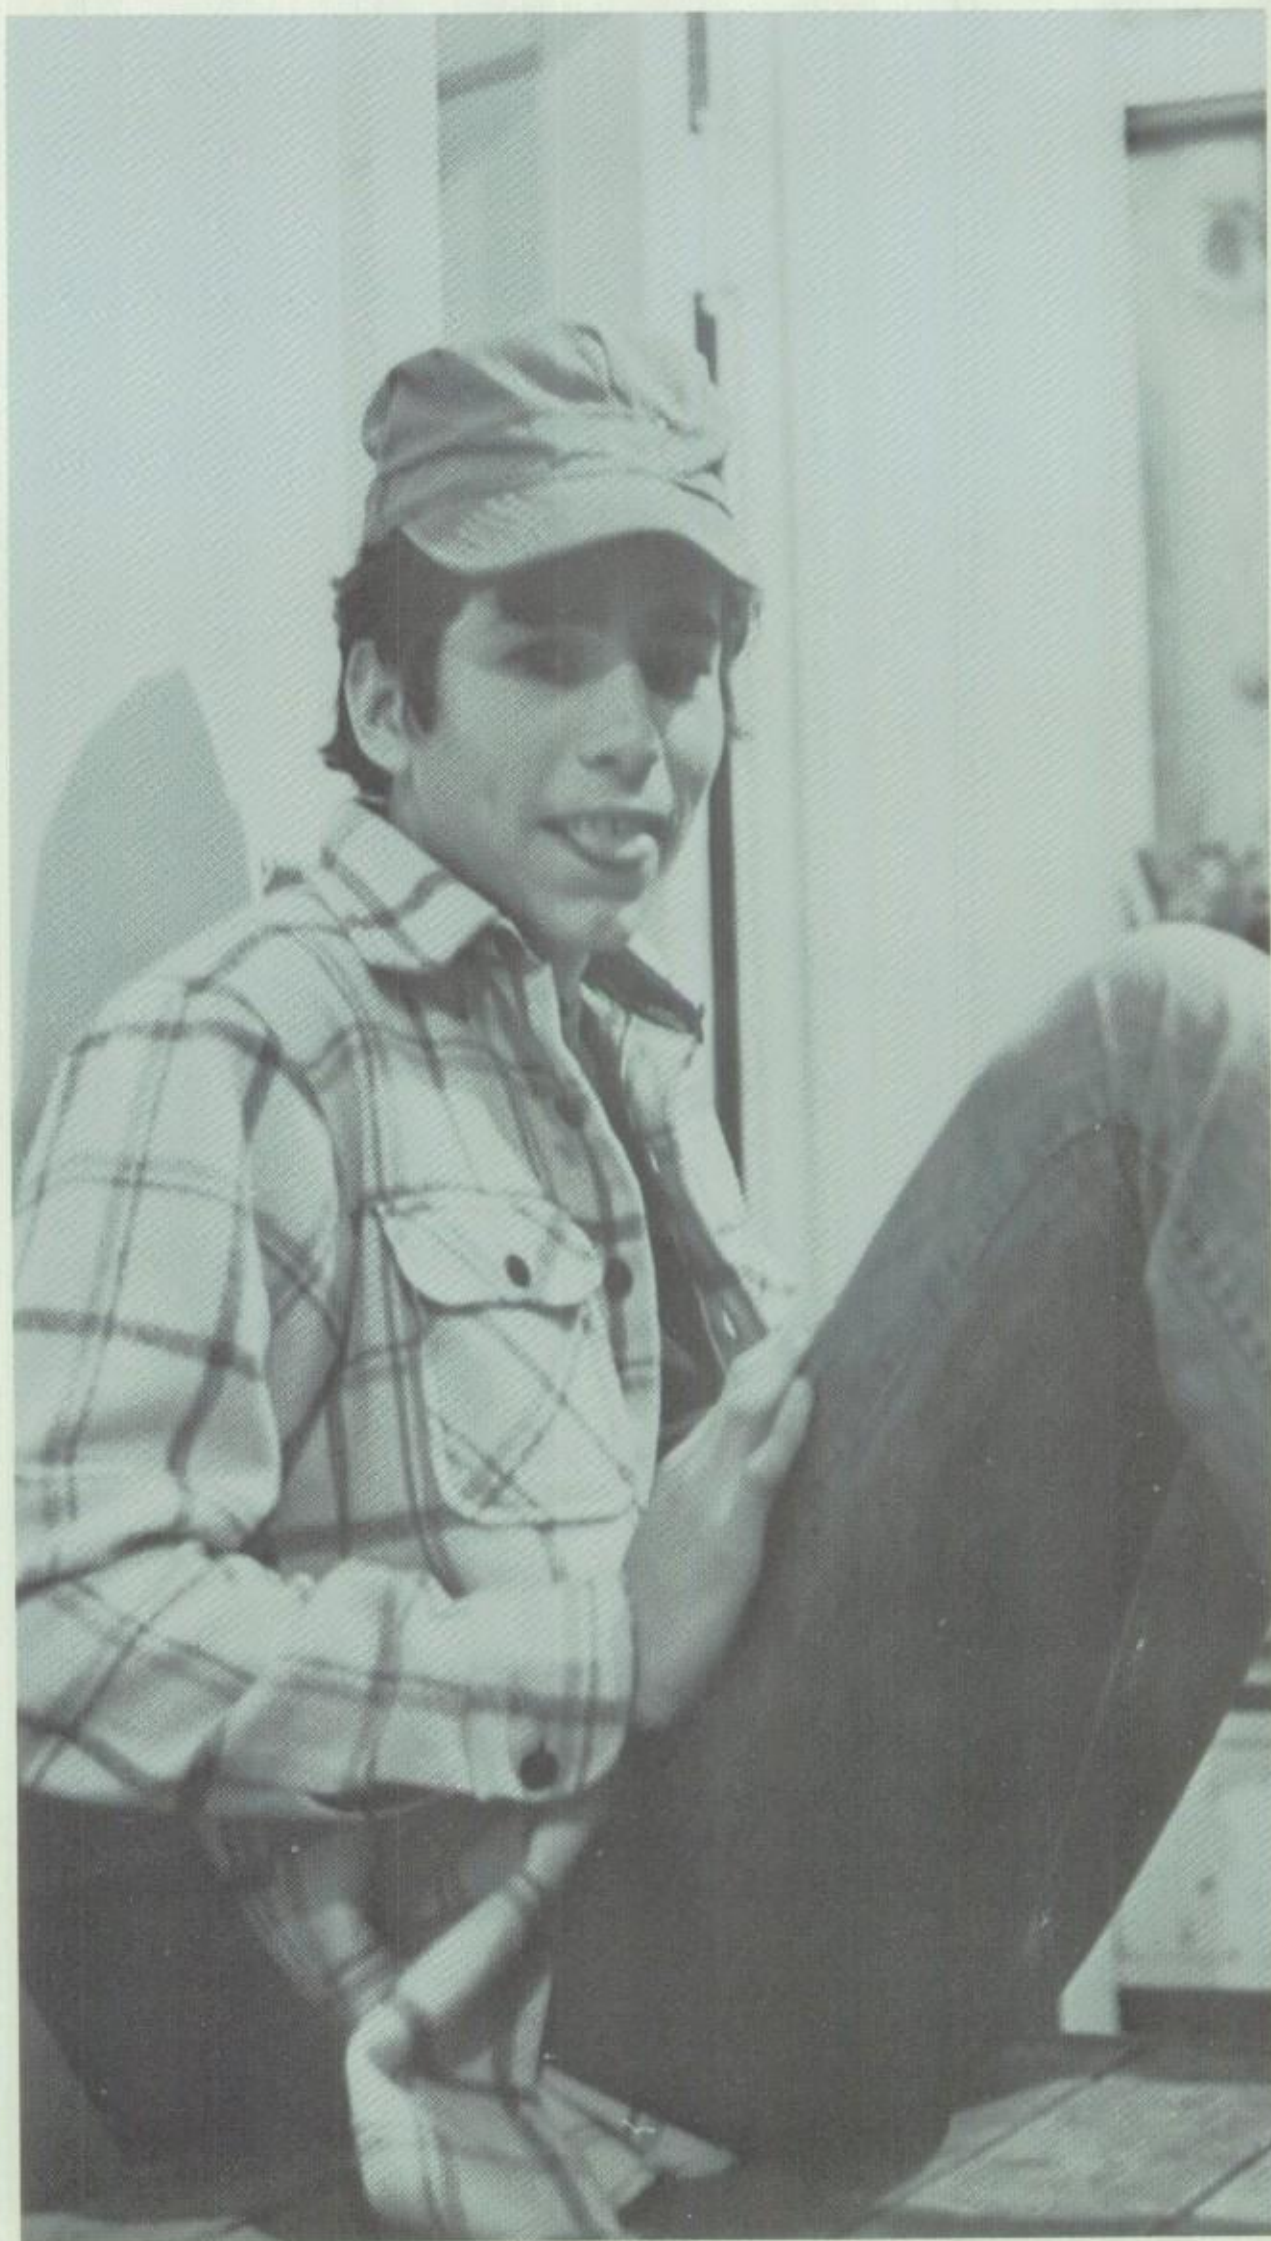

White lace and promises  
A kiss for luck, and we're on our way . . .

We've only begun  
Before the rising sun we fly . . .

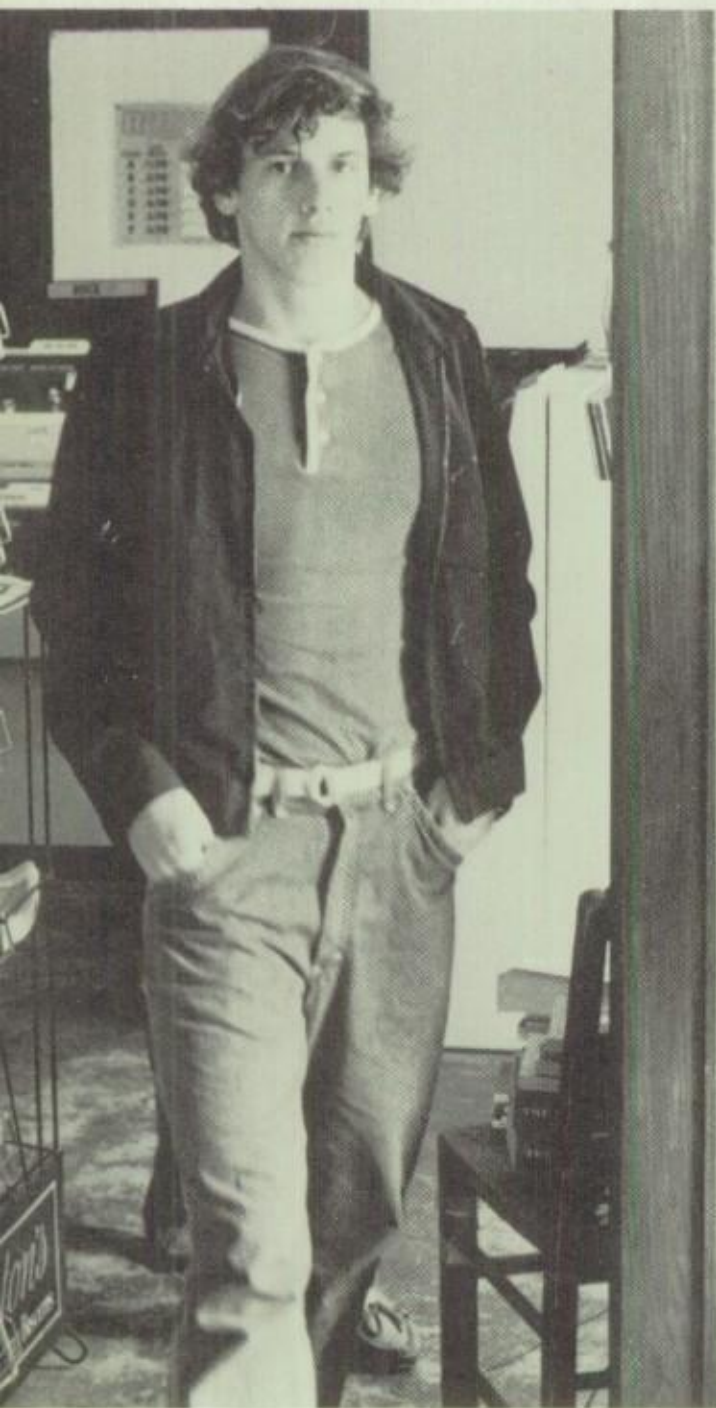

So many roads to choose.  
We'll start out walking and learn to run.  
And yet we've just begun . . .

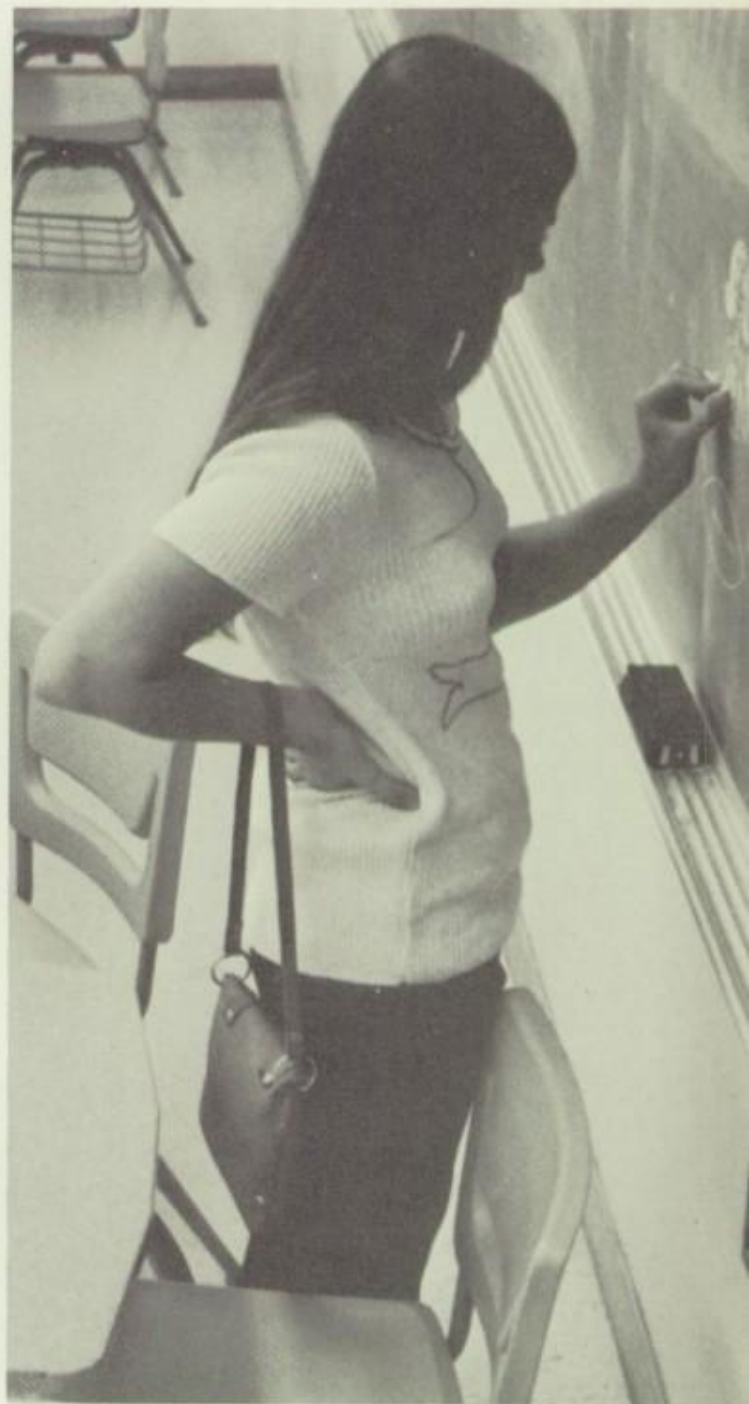

Sharing horizons that are new to us  
Watching the signs along the way . . .

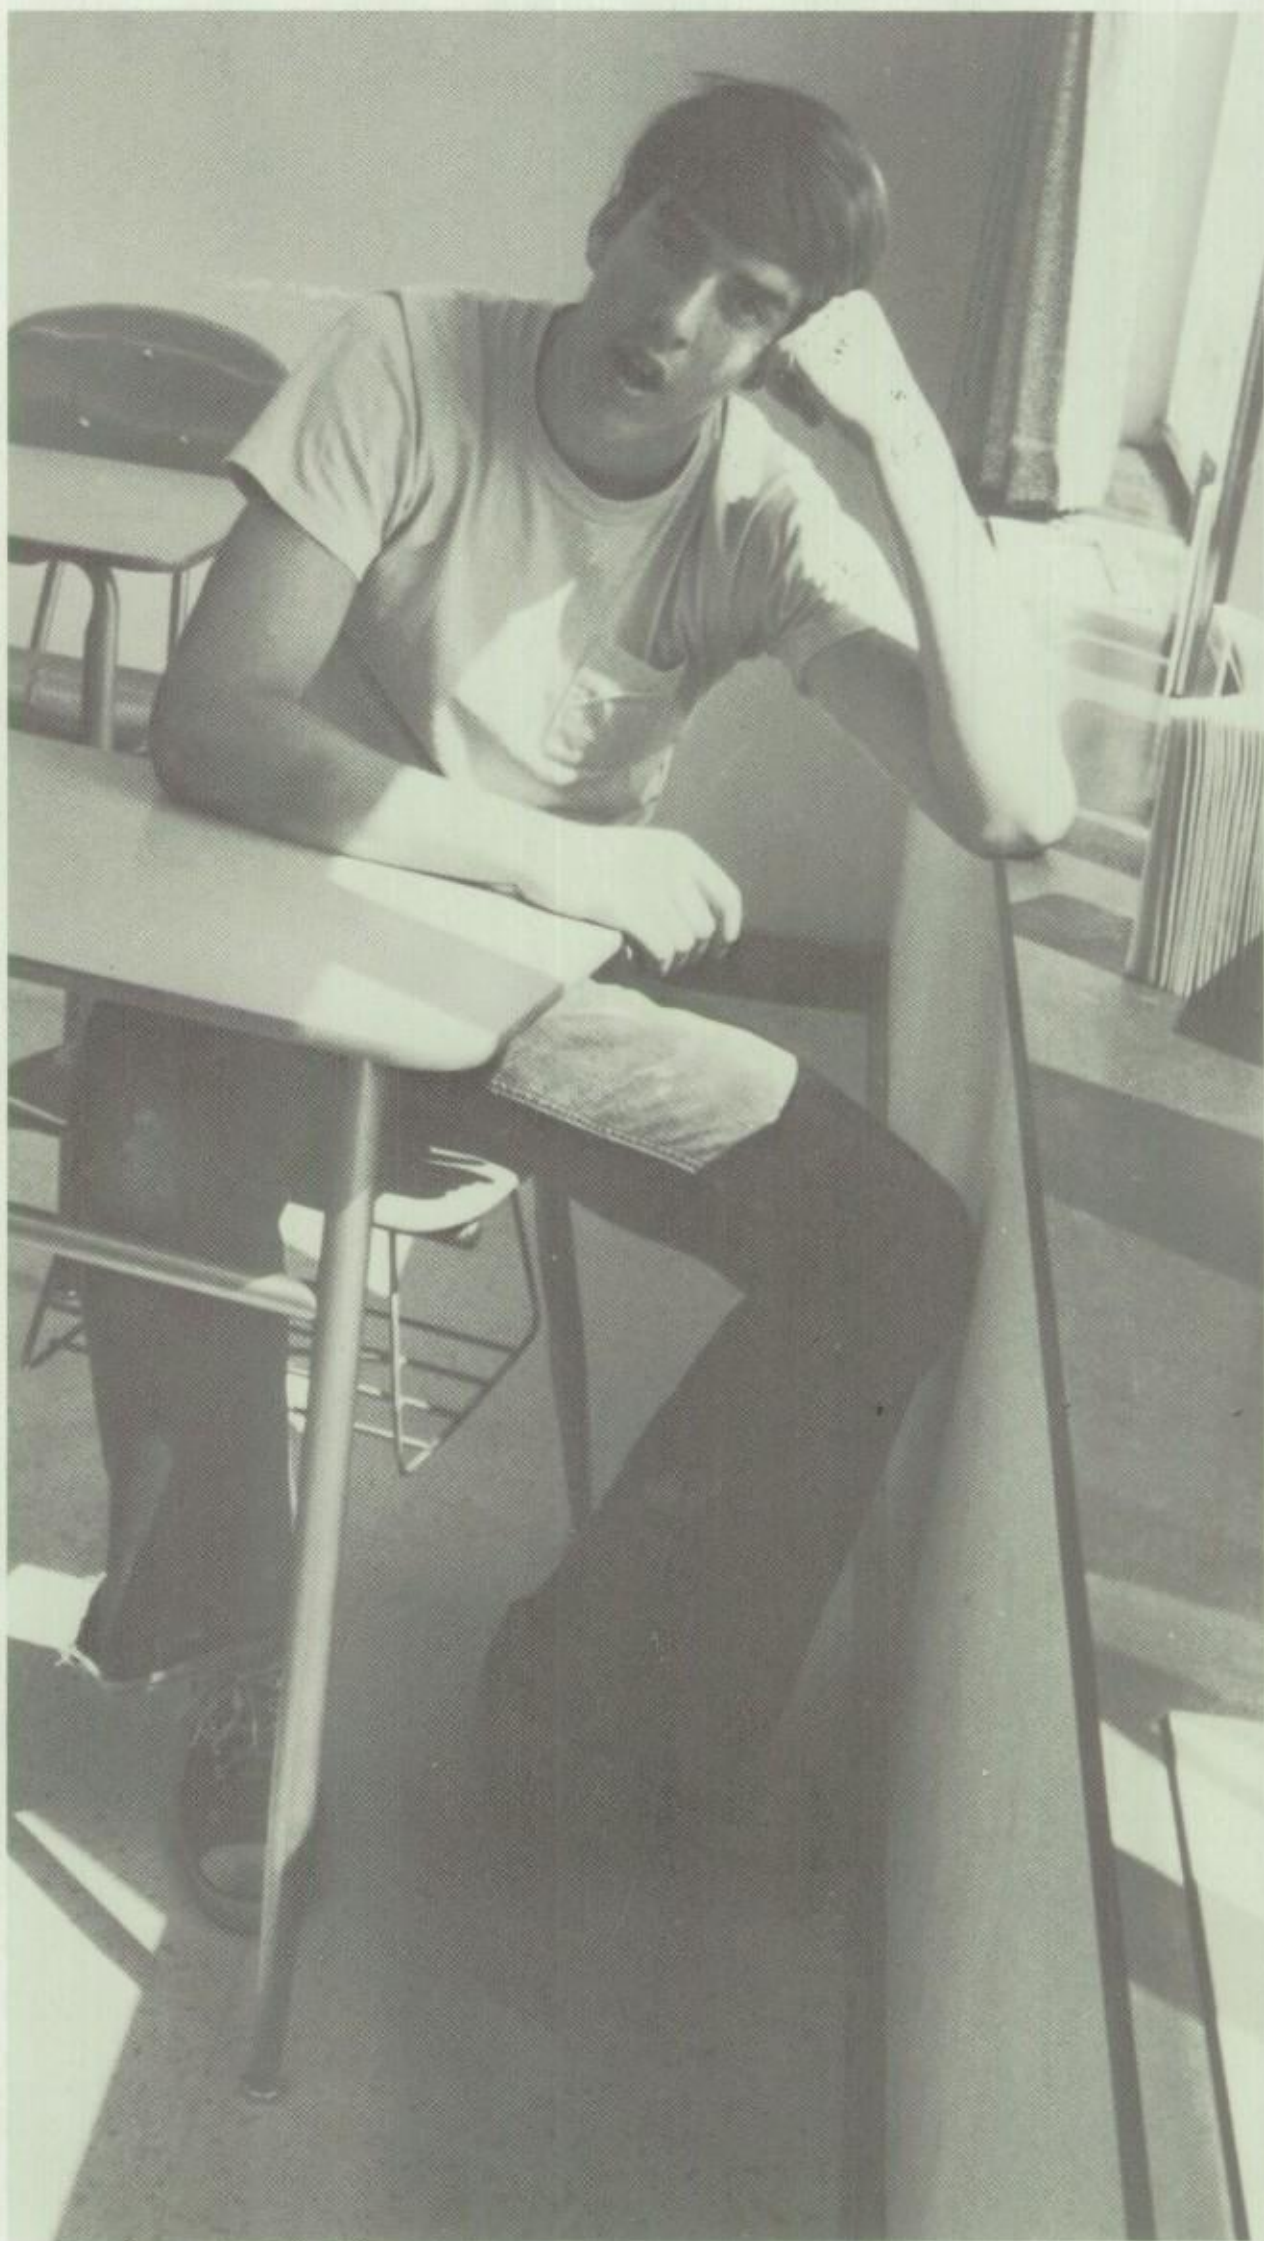

Just get it over just the two of us  
Working together day to day,  
Together, together . . .

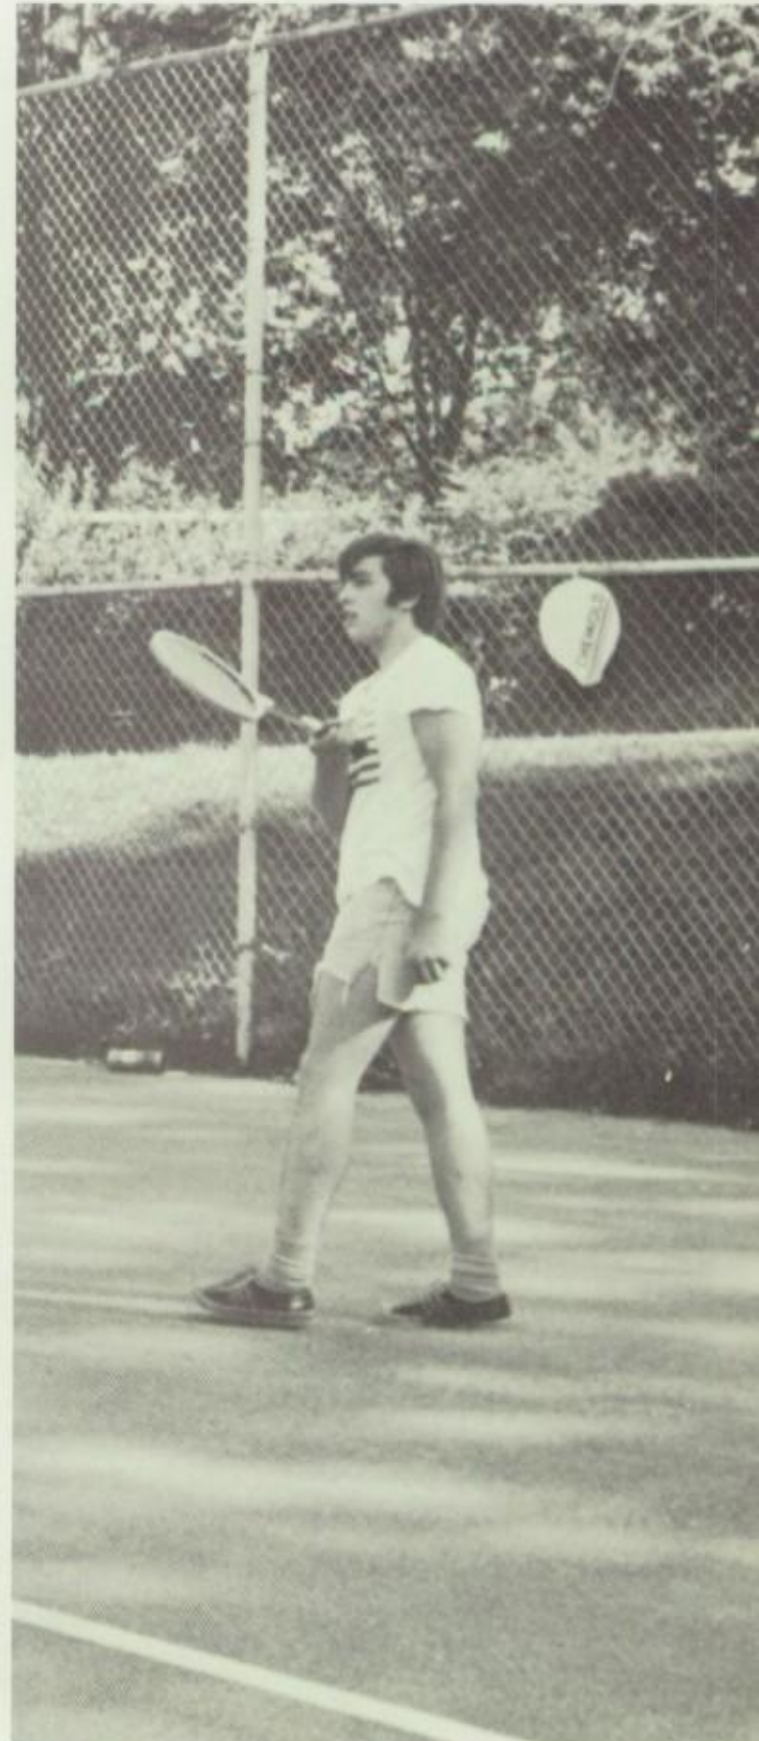

And when the evening comes . . .

We smile!  
So much of life ahead  
We'll find a place where there's room to grow.  
And yes, we've just begun!!!

Oh komm doch,  
Komm zu mir,  
Du nimmst mir den verstand.  
Oh komm doch,  
Komm zu mir,  
Komm gib mir Deine Hand . . .

*The Beatles*

Oh, Yea,  
I'll tell you something  
I think you'll understand,  
When I say that something  
I wanna hold your hand  
I wanna hold your hand  
I wanna hold your hand!

*The Beatles*

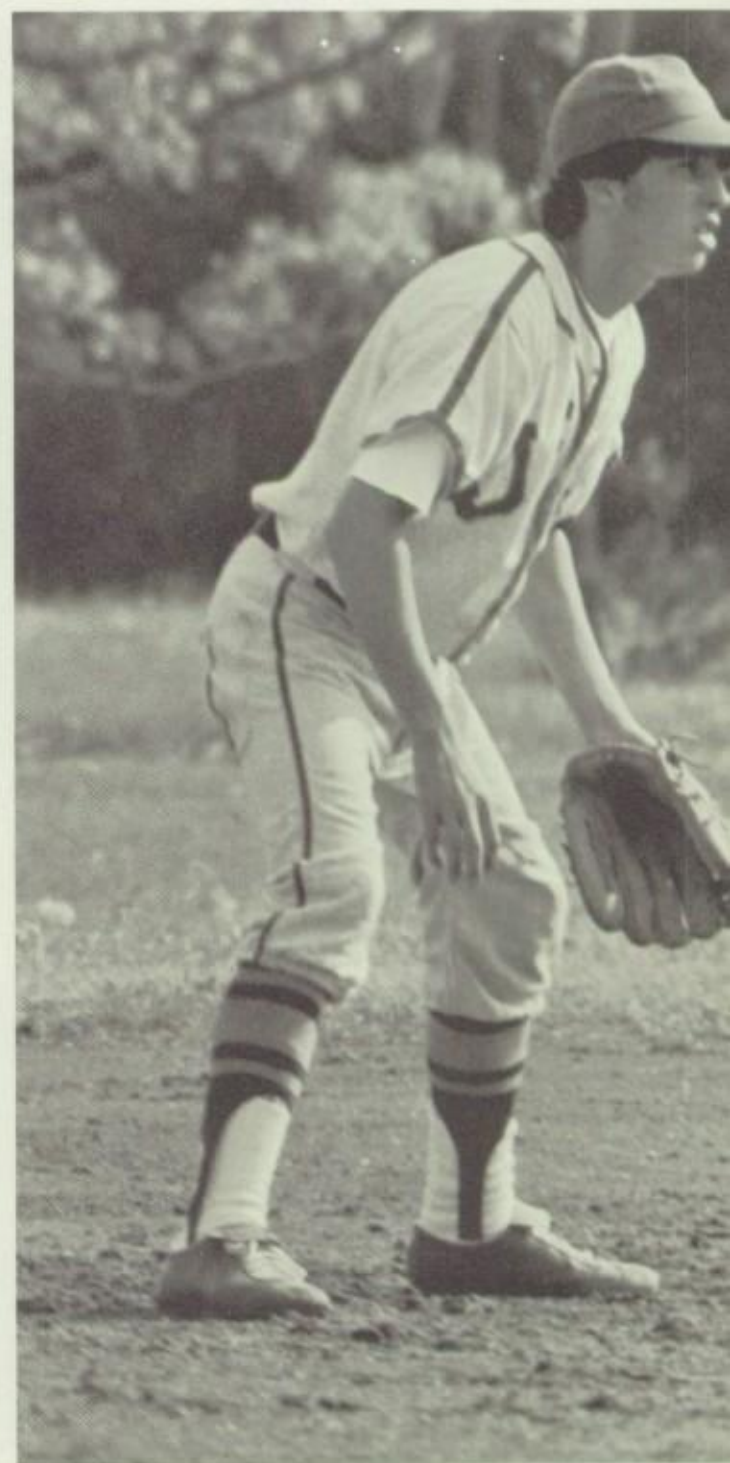

It's not whether you win  
or lose . . .

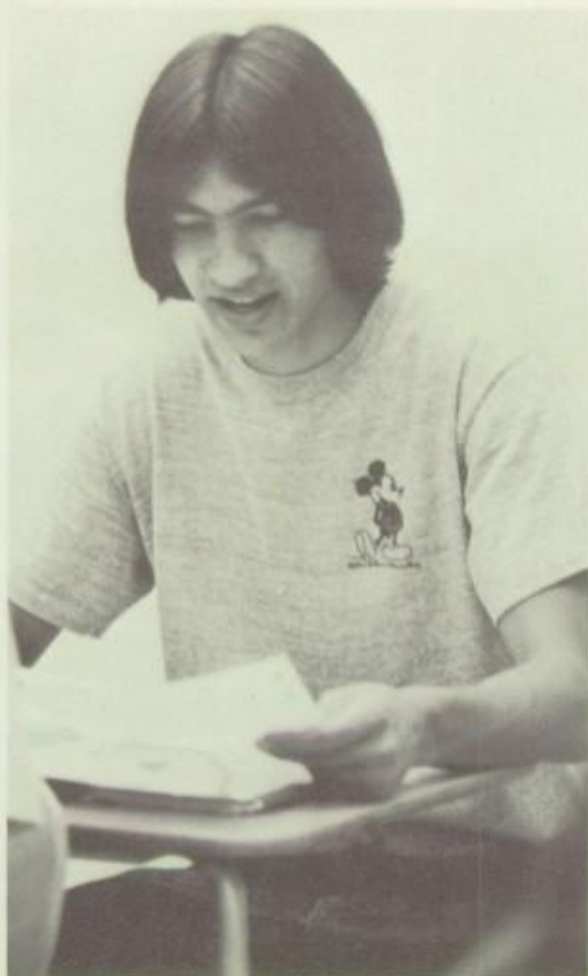

. . . It's how you play  
the game.

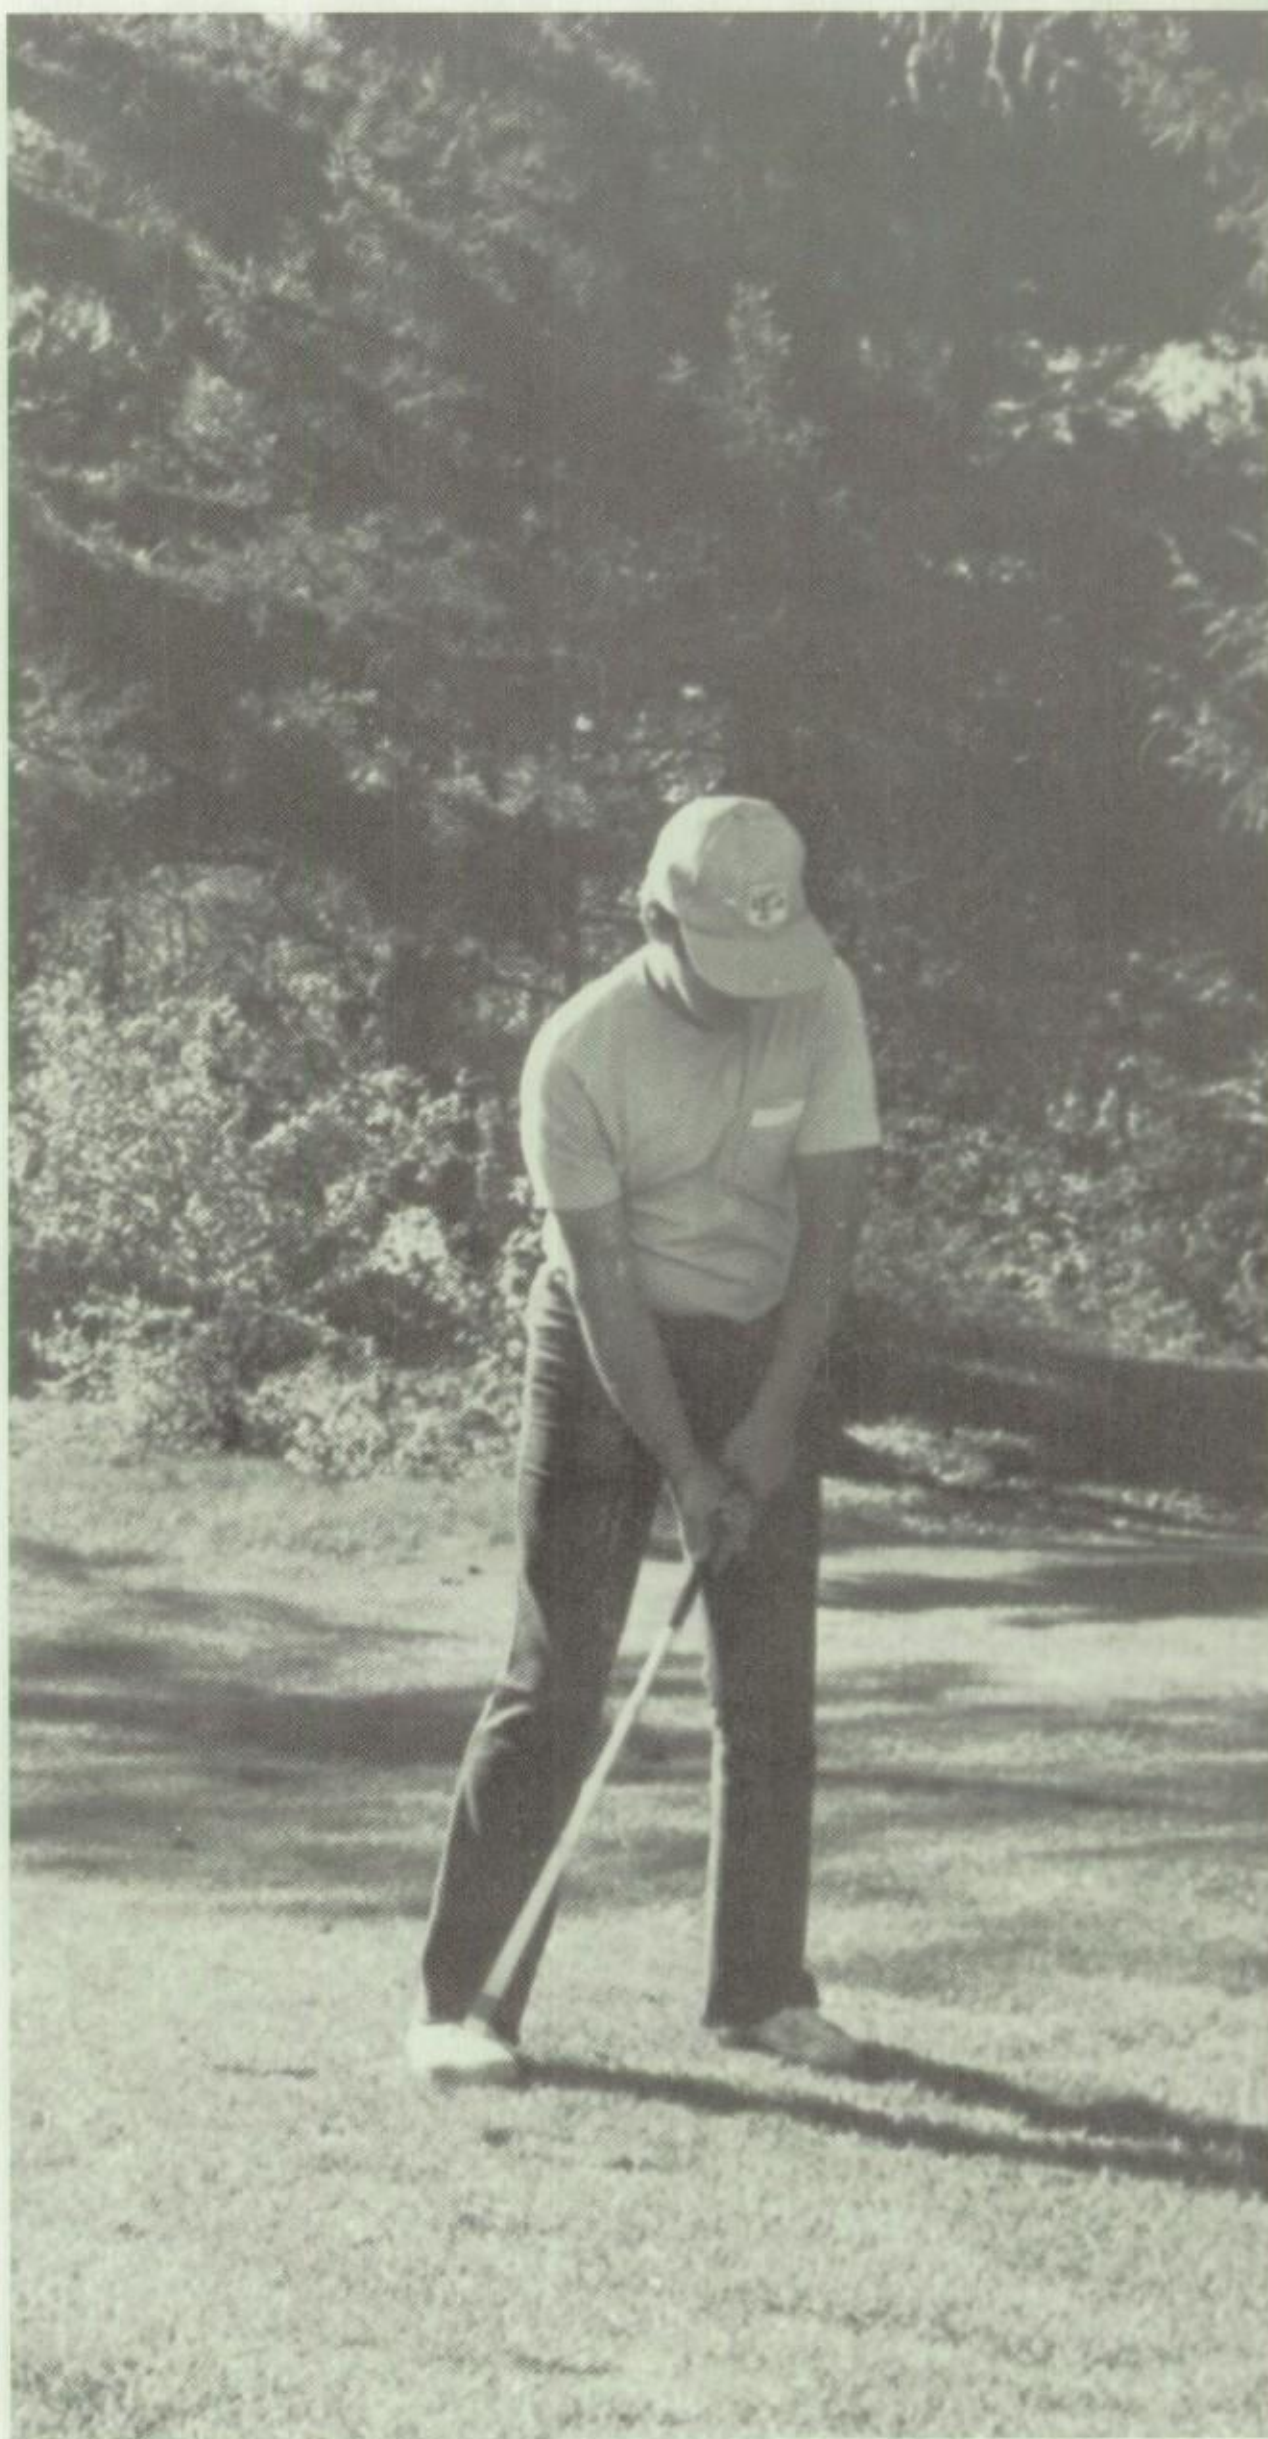

No emotion,  
any more than a wave,  
can long retain its own  
individual form.

*H. W. Beecher*

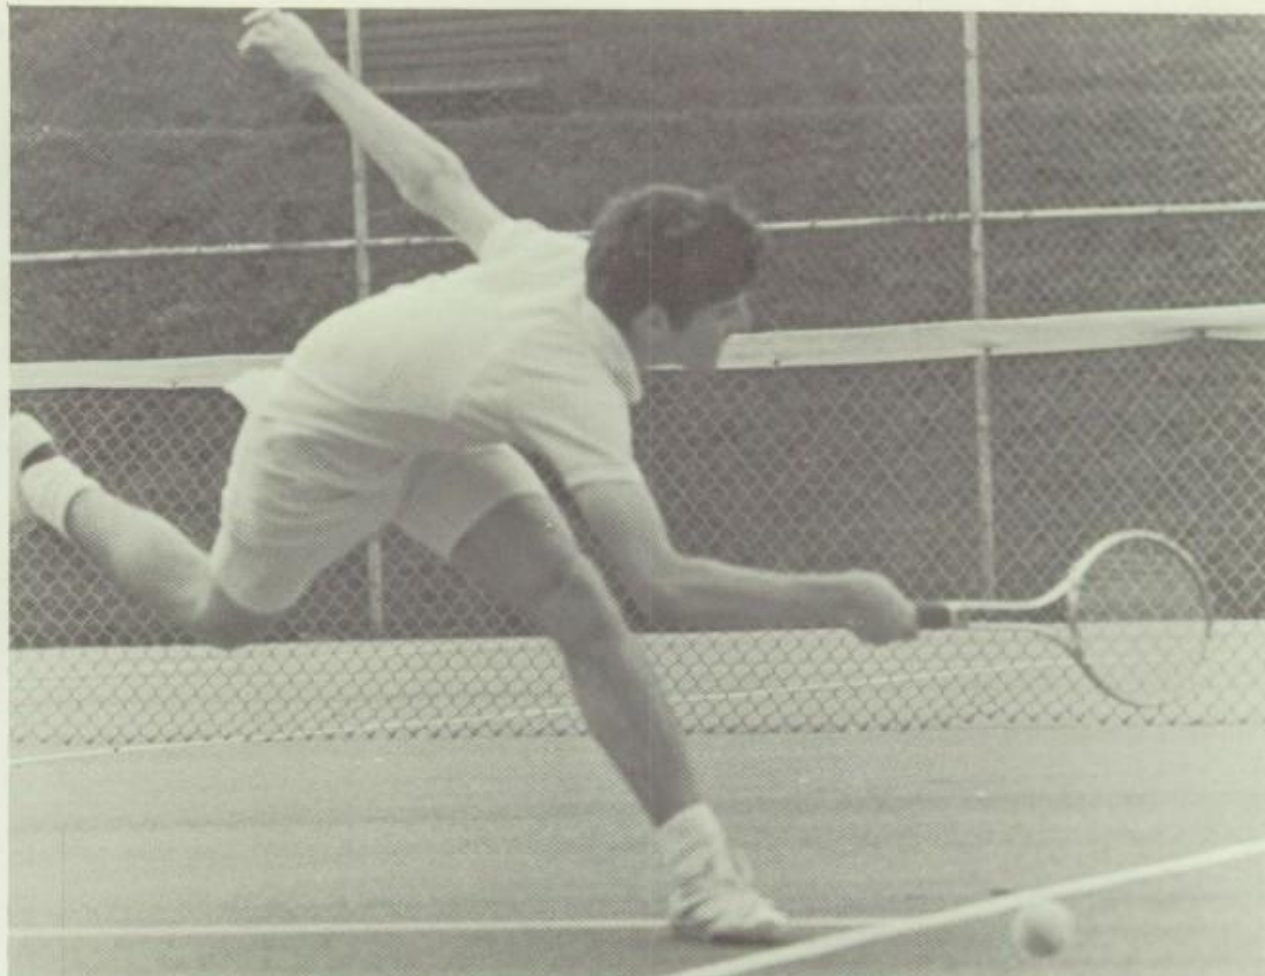

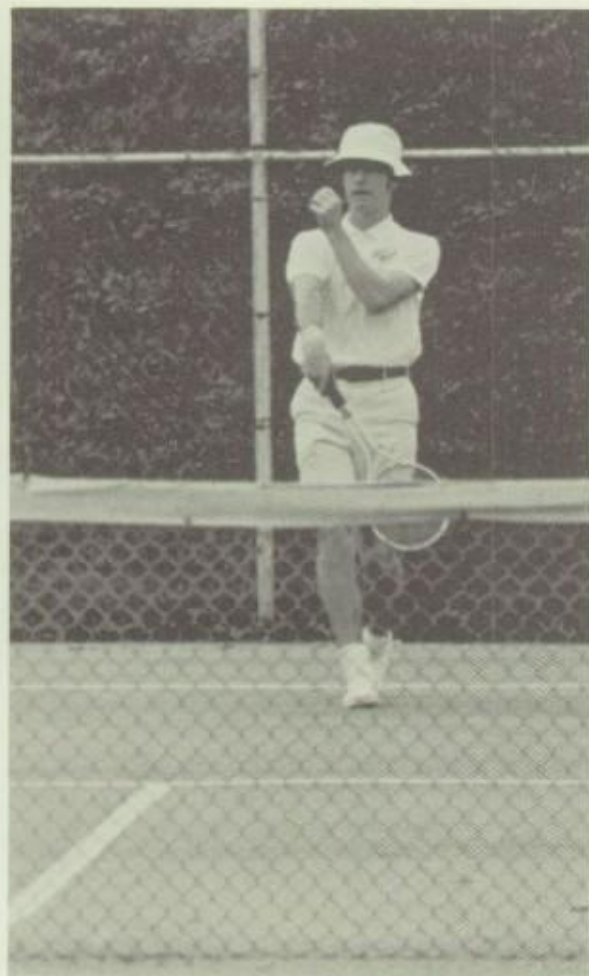

A golf course is the epitome  
of all that is purely  
transitory in  
the universe,  
a space not to dwell in,  
but to get over  
as quickly as possible.

Jean Girciudoux.

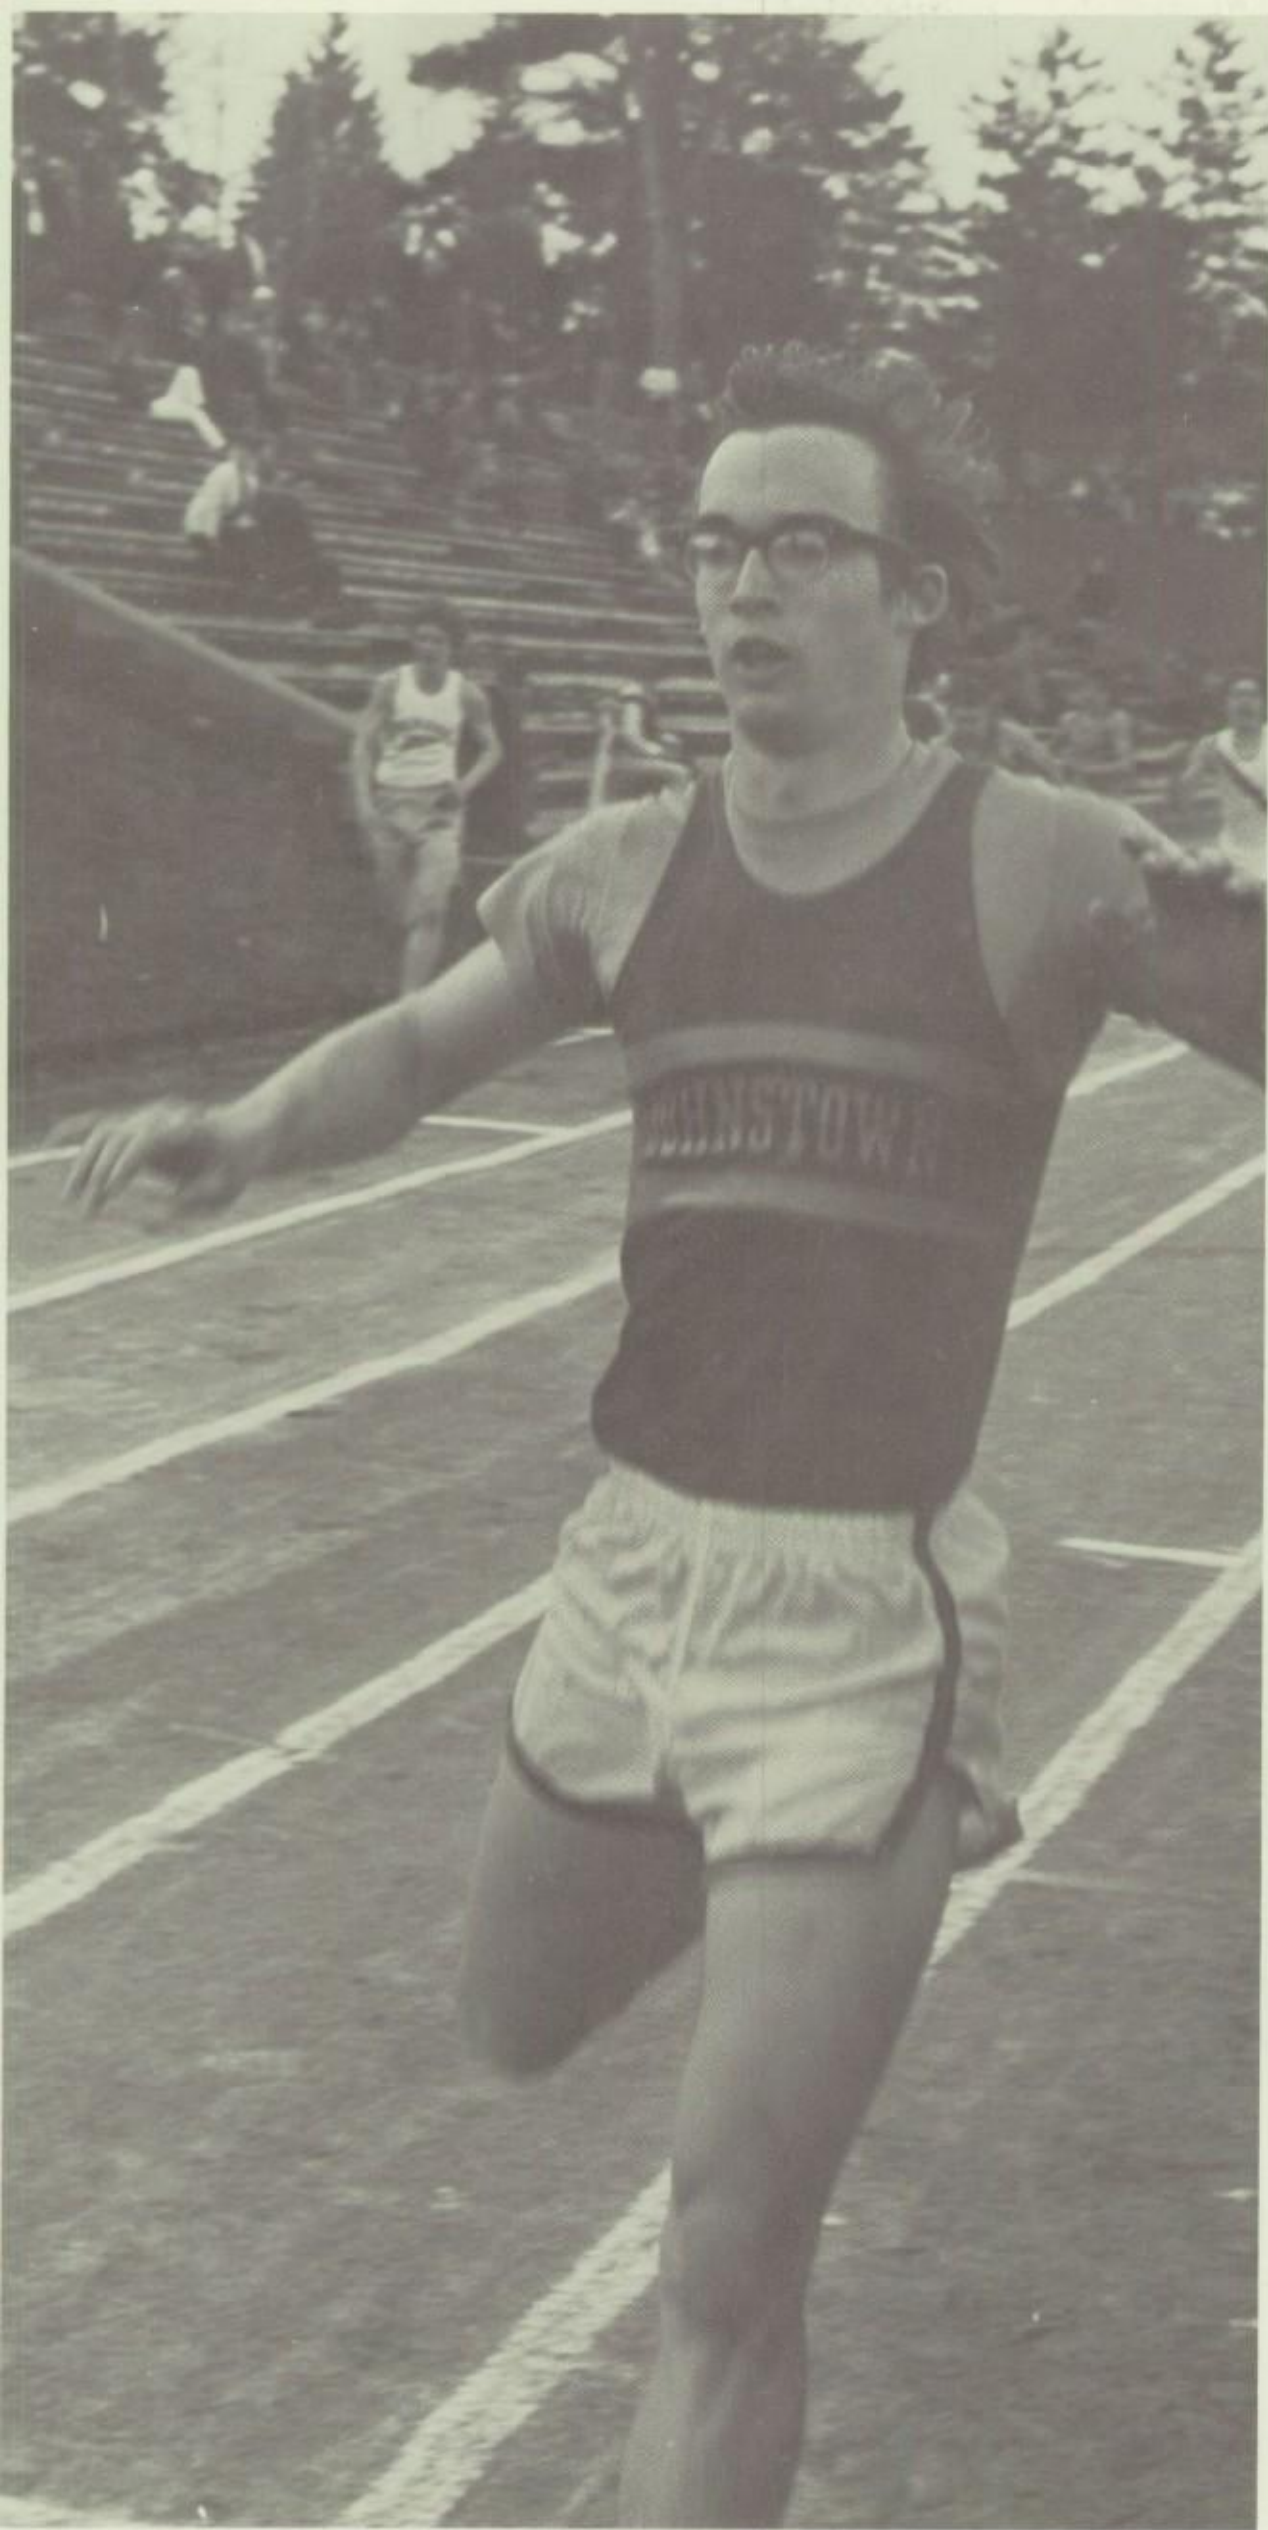

Skill and confidence are  
an unconquered army.

*George Herbert*

"I propose to fight it out on this line if it takes all summer."

*Ulysses S. Grant*

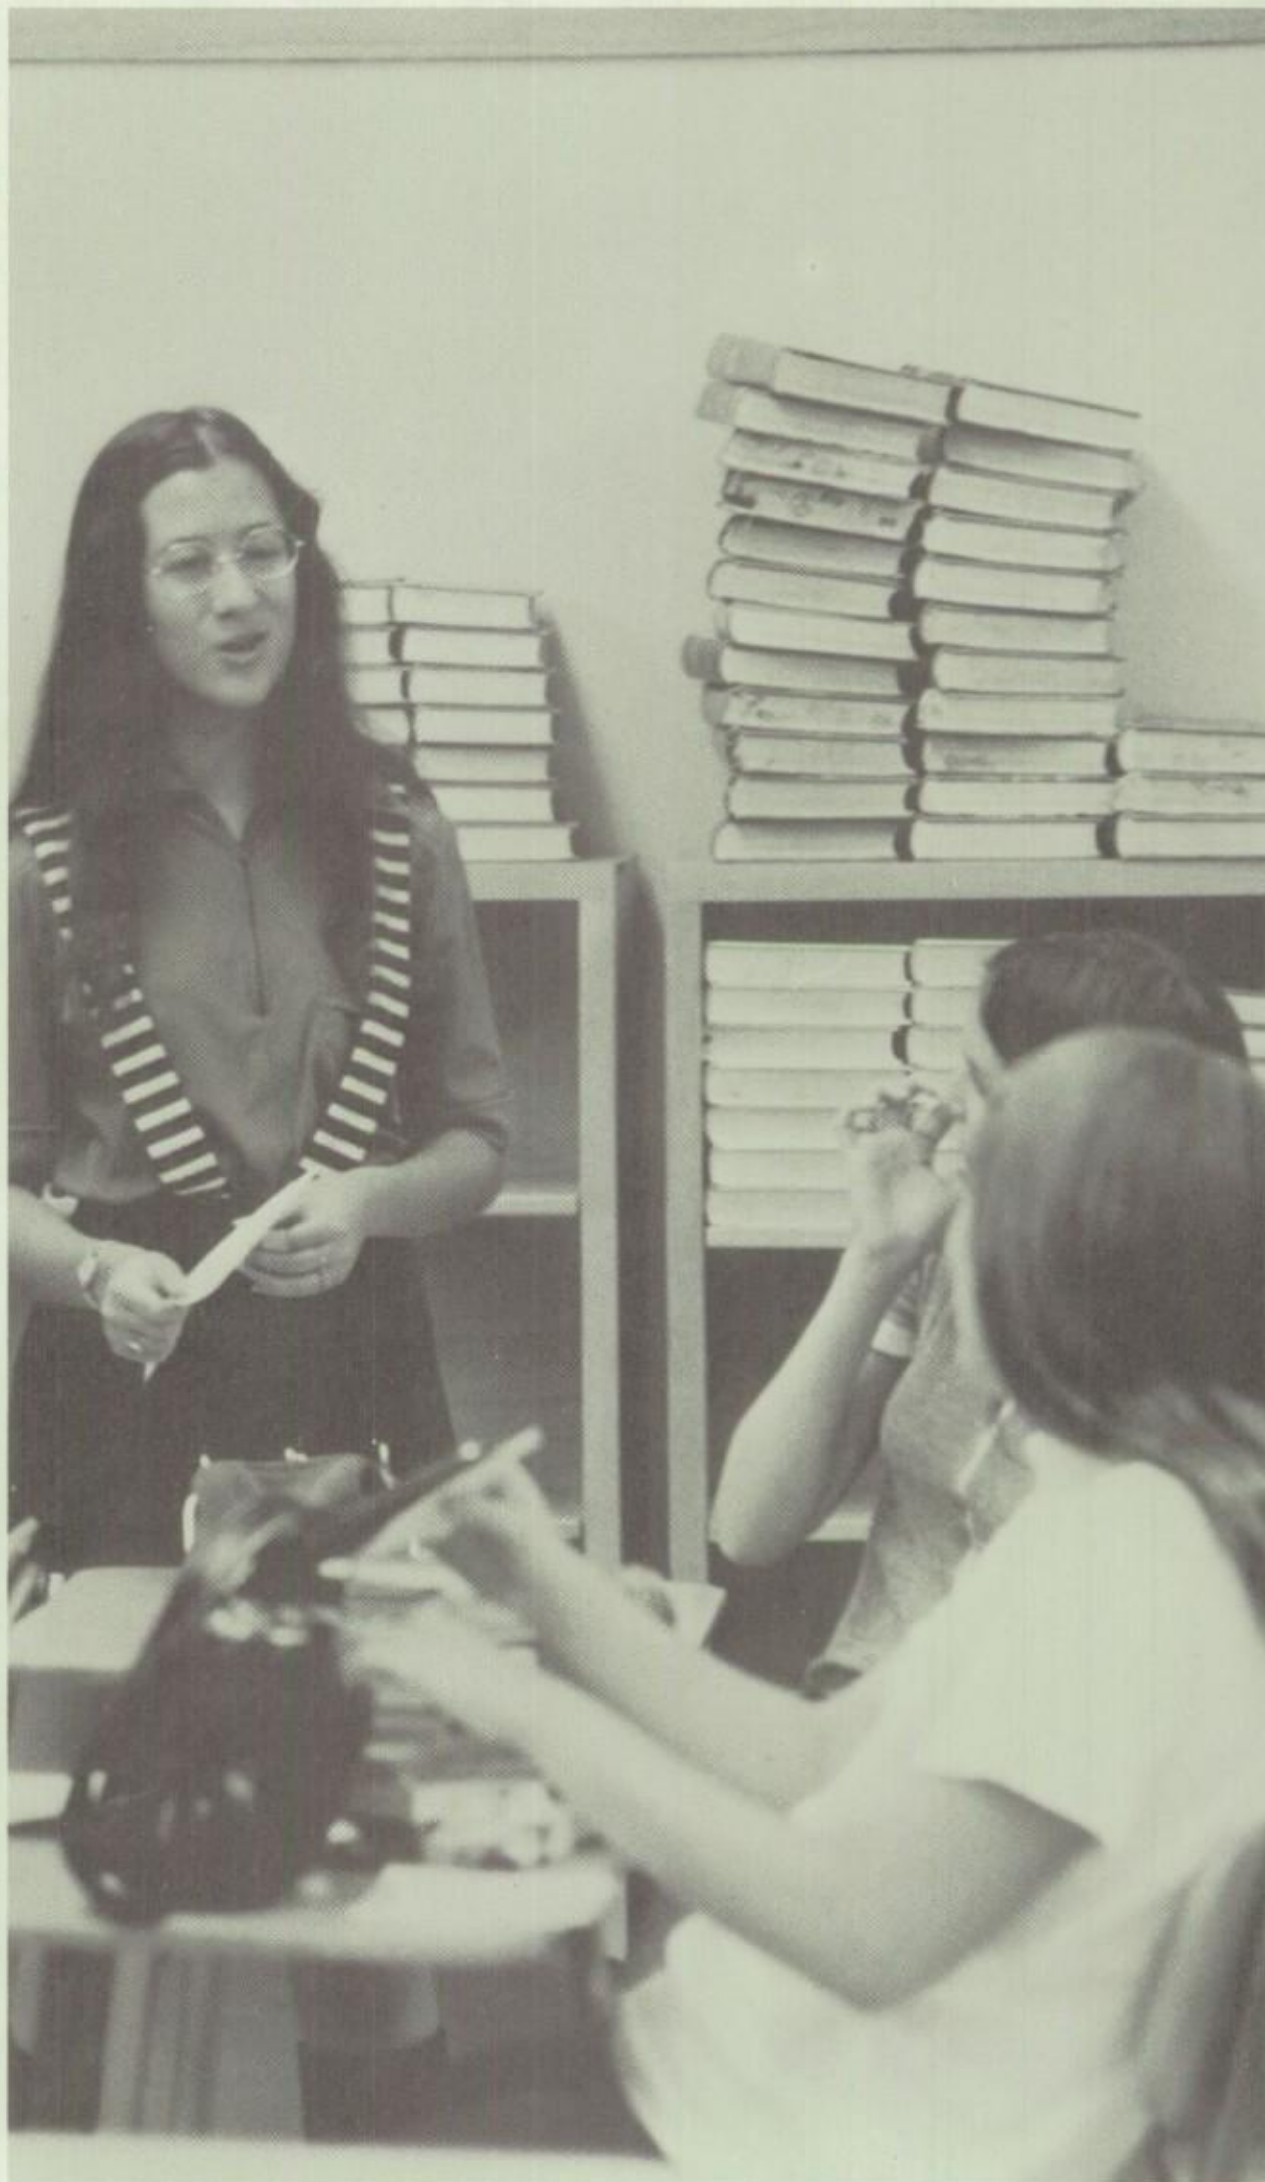

I am no better and neither are you  
We are the same, whatever we do  
I AM EVERYDAY PEOPLE.

*Sly and the Family Stone*

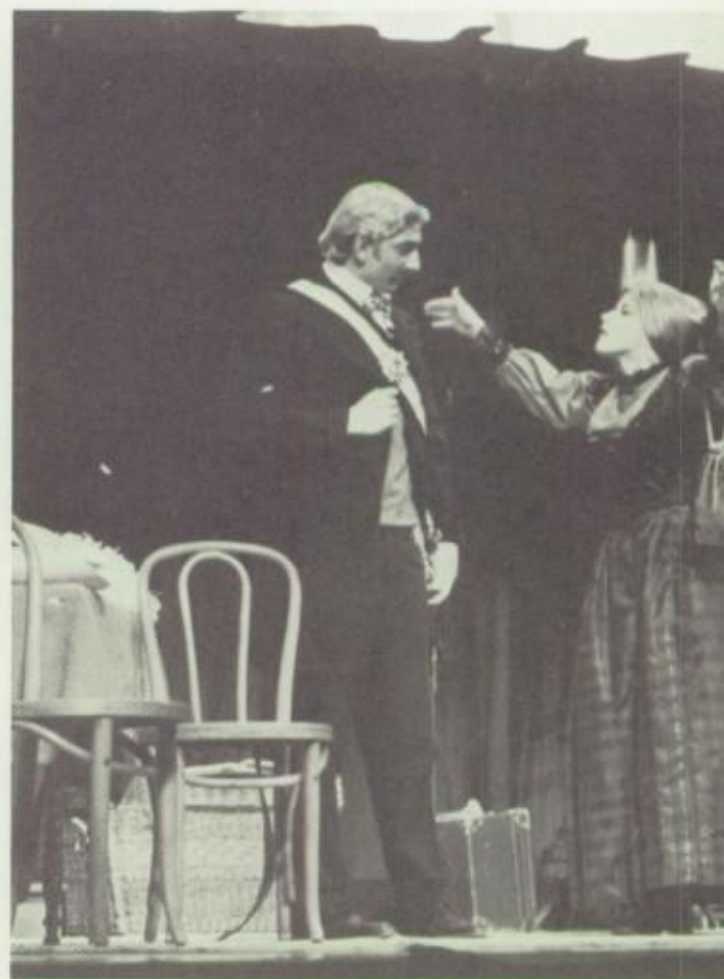

# Matchmaker

Matchmaker.....

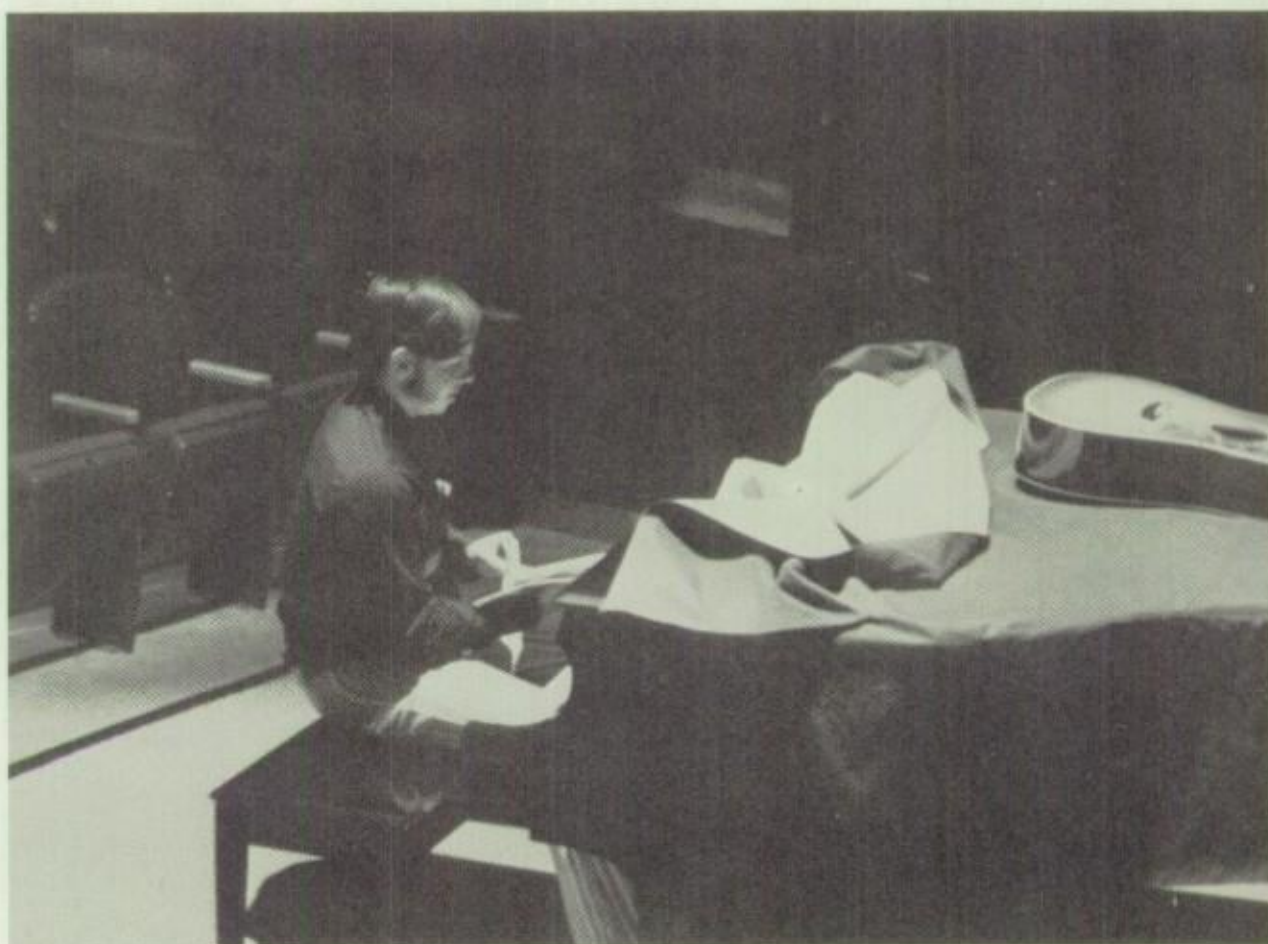

Do not let any sweet  
talking woman  
beguile your good sense/  
with the fascinations of  
her shape.  
It's your barn she's after.

*Hesiod*

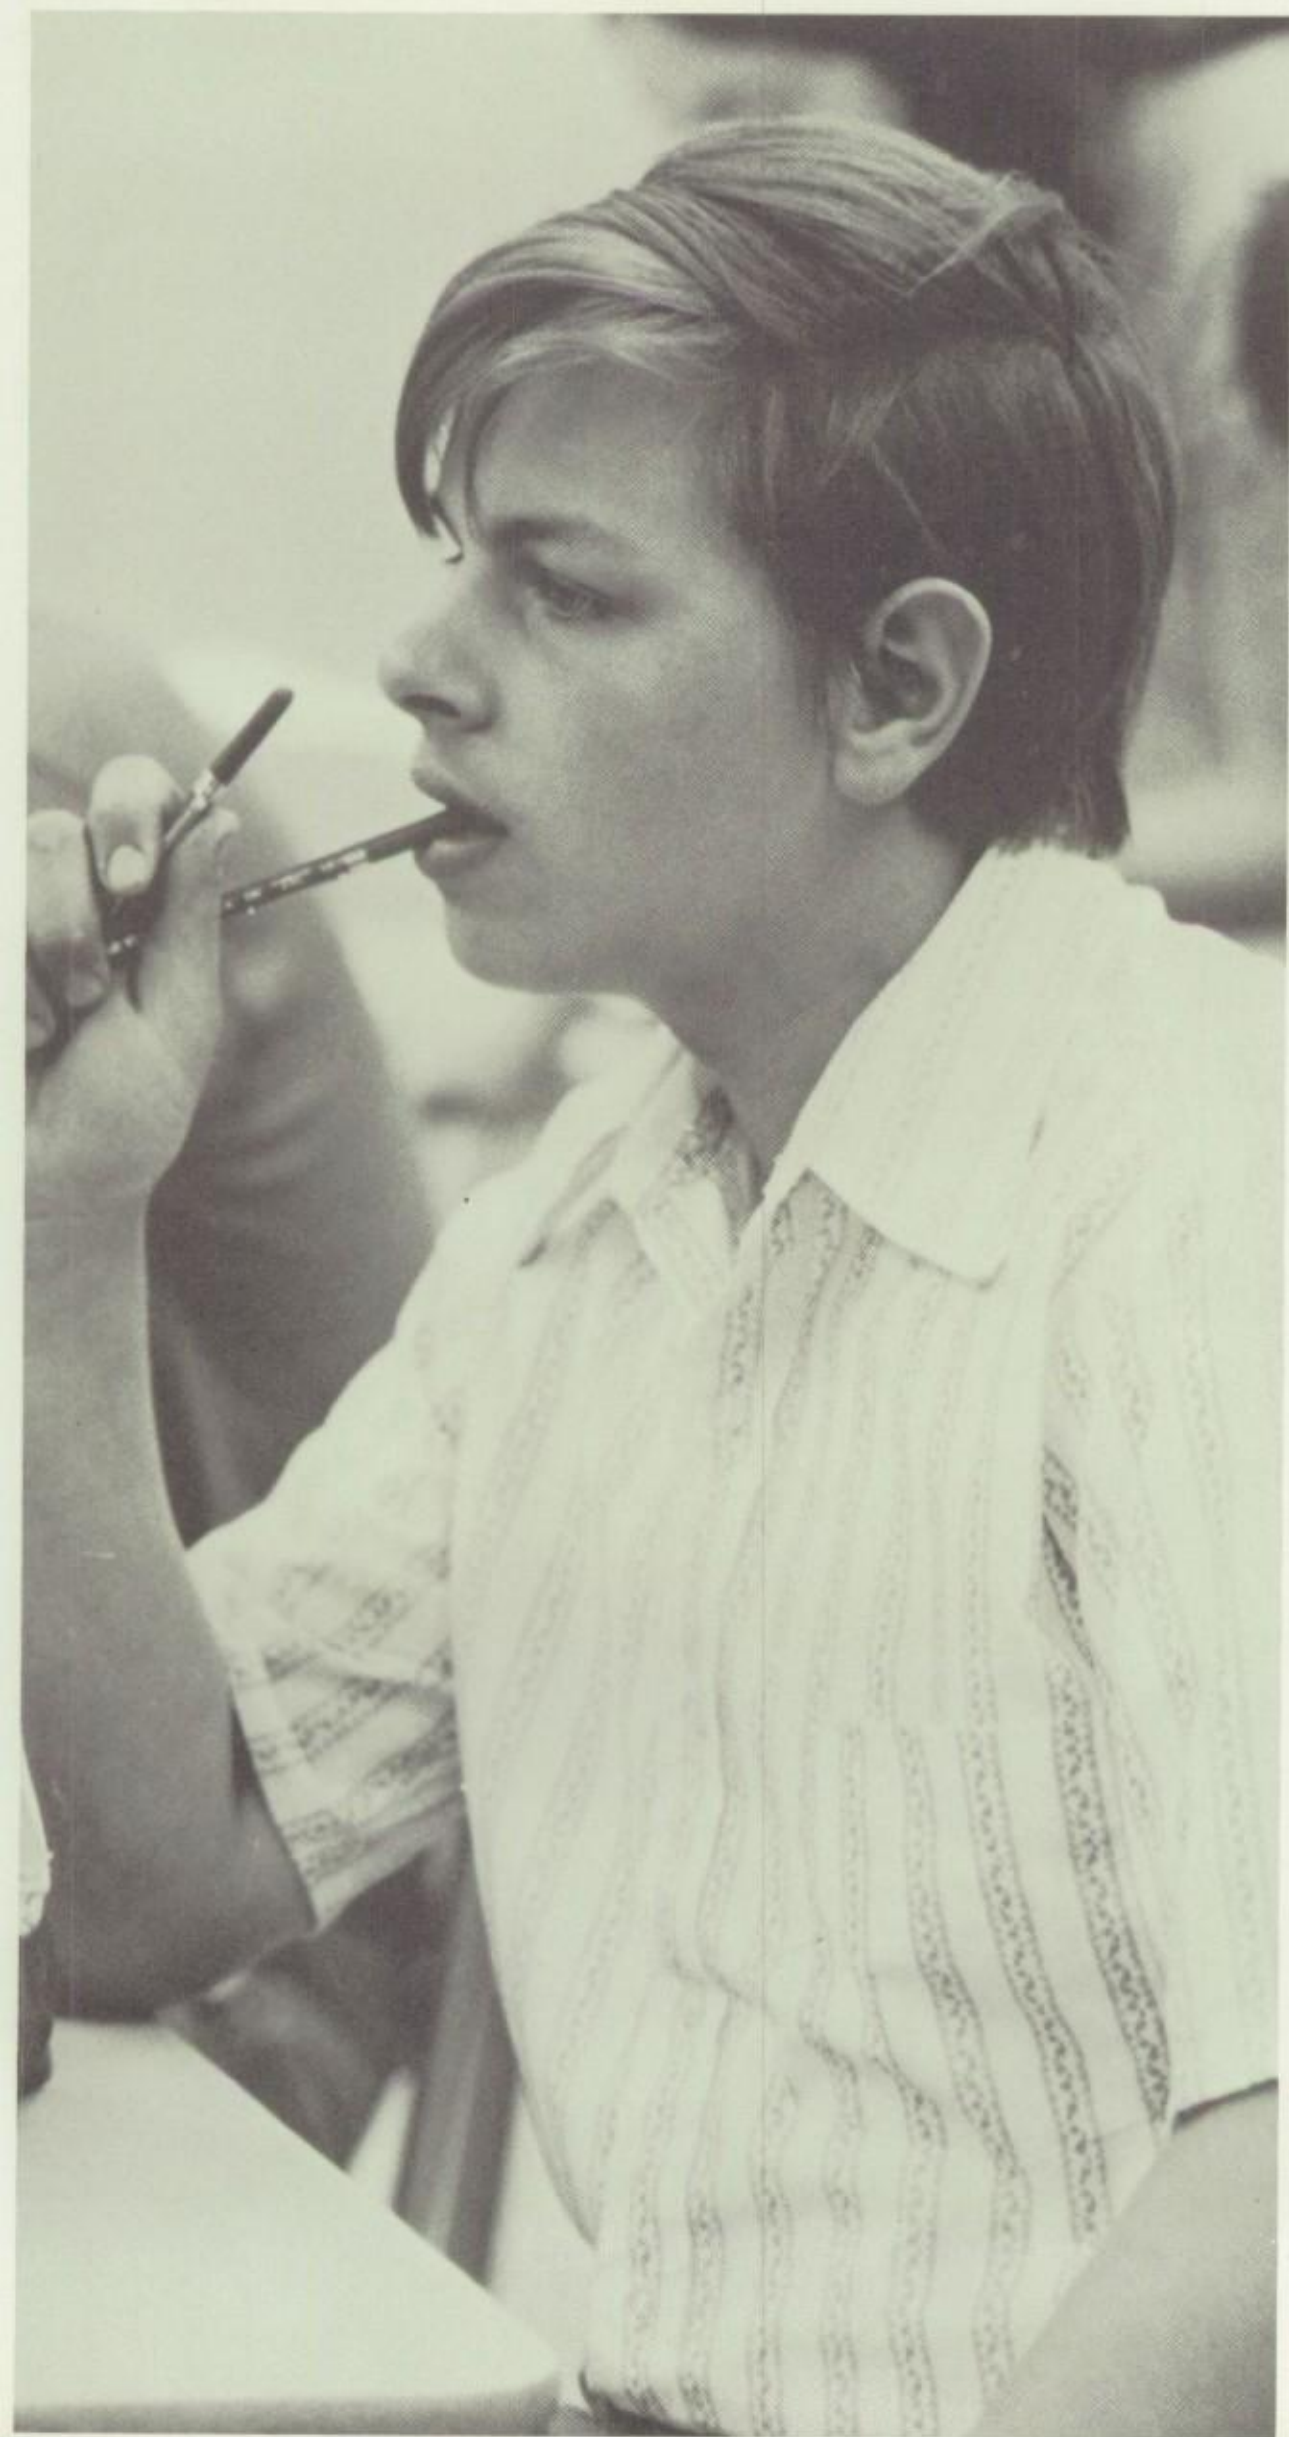

In creating,  
the only hard thing's to begin.

*James Russell Lowell*

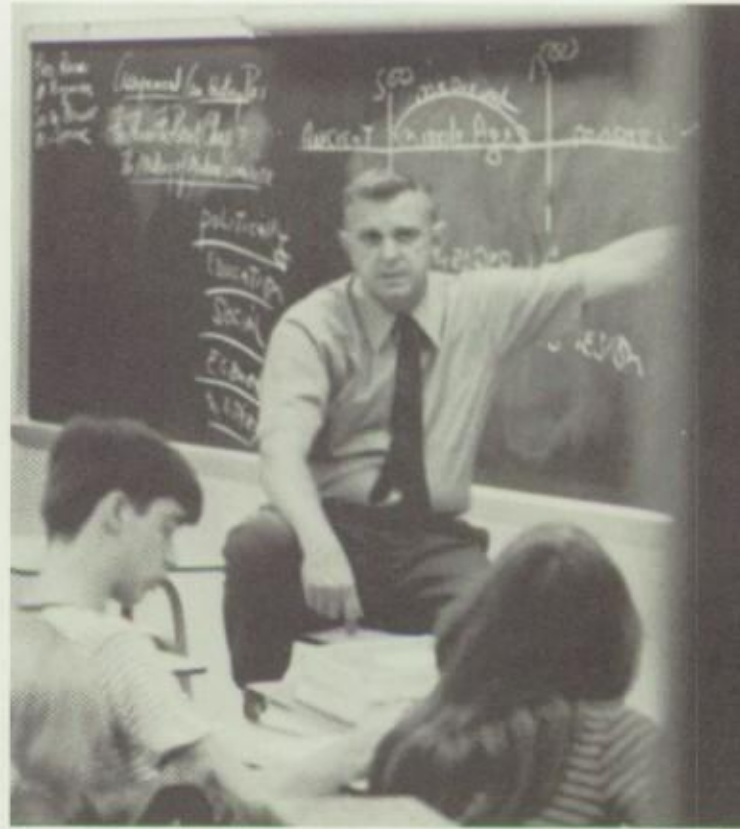

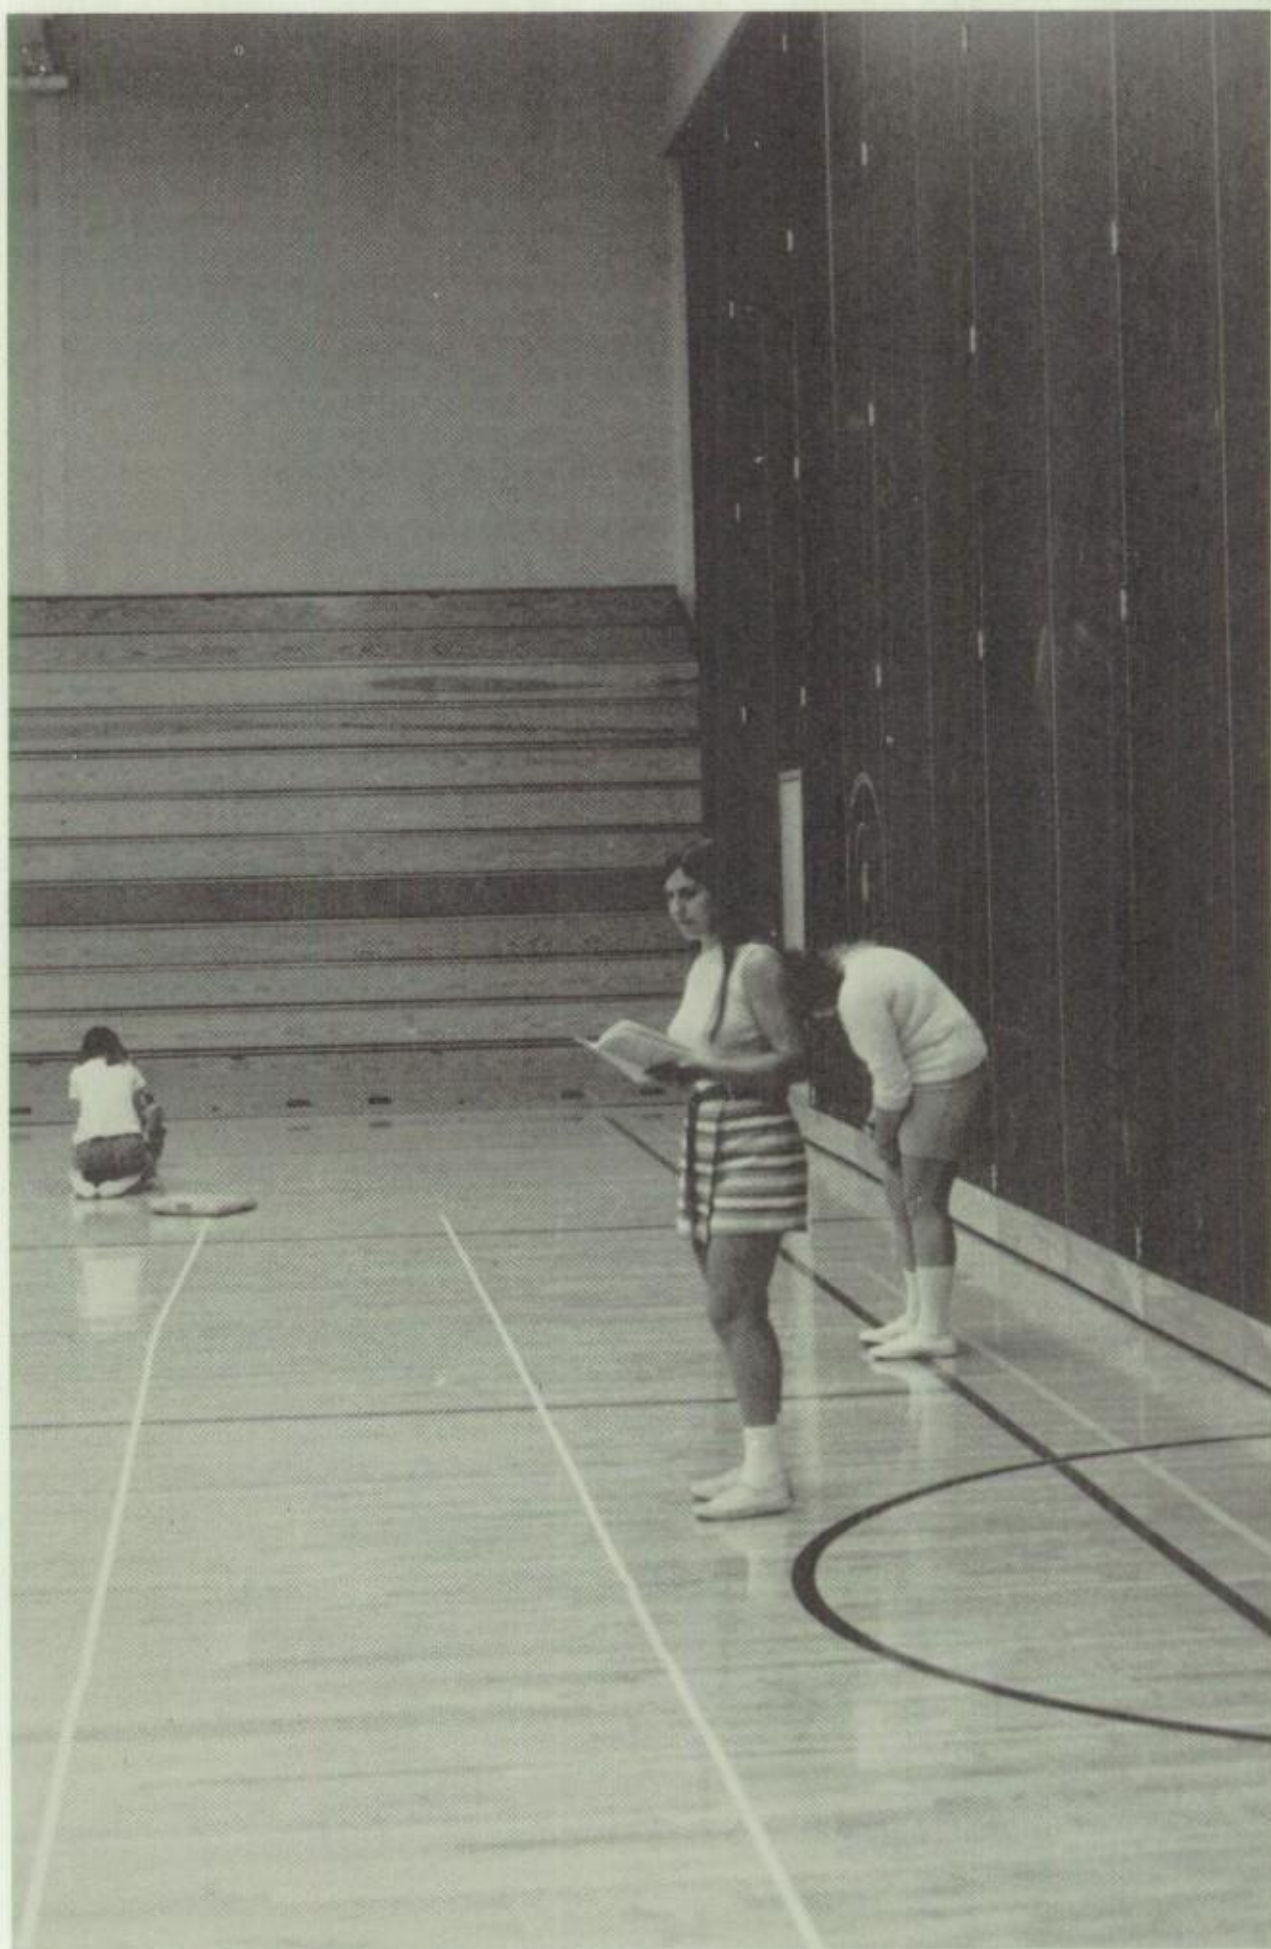

"Fools!" said I, "You do  
not know  
Silence like a cancer grows.  
Hear my words that I might  
teach you  
Take my arms that I might  
reach you."  
But my words like silent  
raindrops fell  
And echoed, in the wells of  
silence.

*Paul Simon*

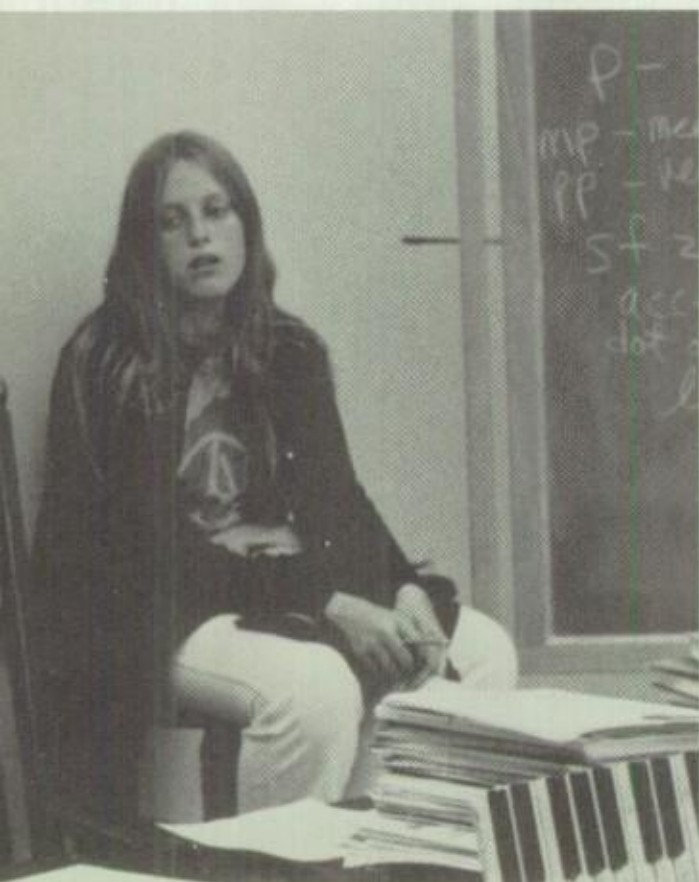

"Learn to live and  
live to learn  
Ignorance like a fire  
doth burn  
Little tasks make  
large return"

*B. Taylor*

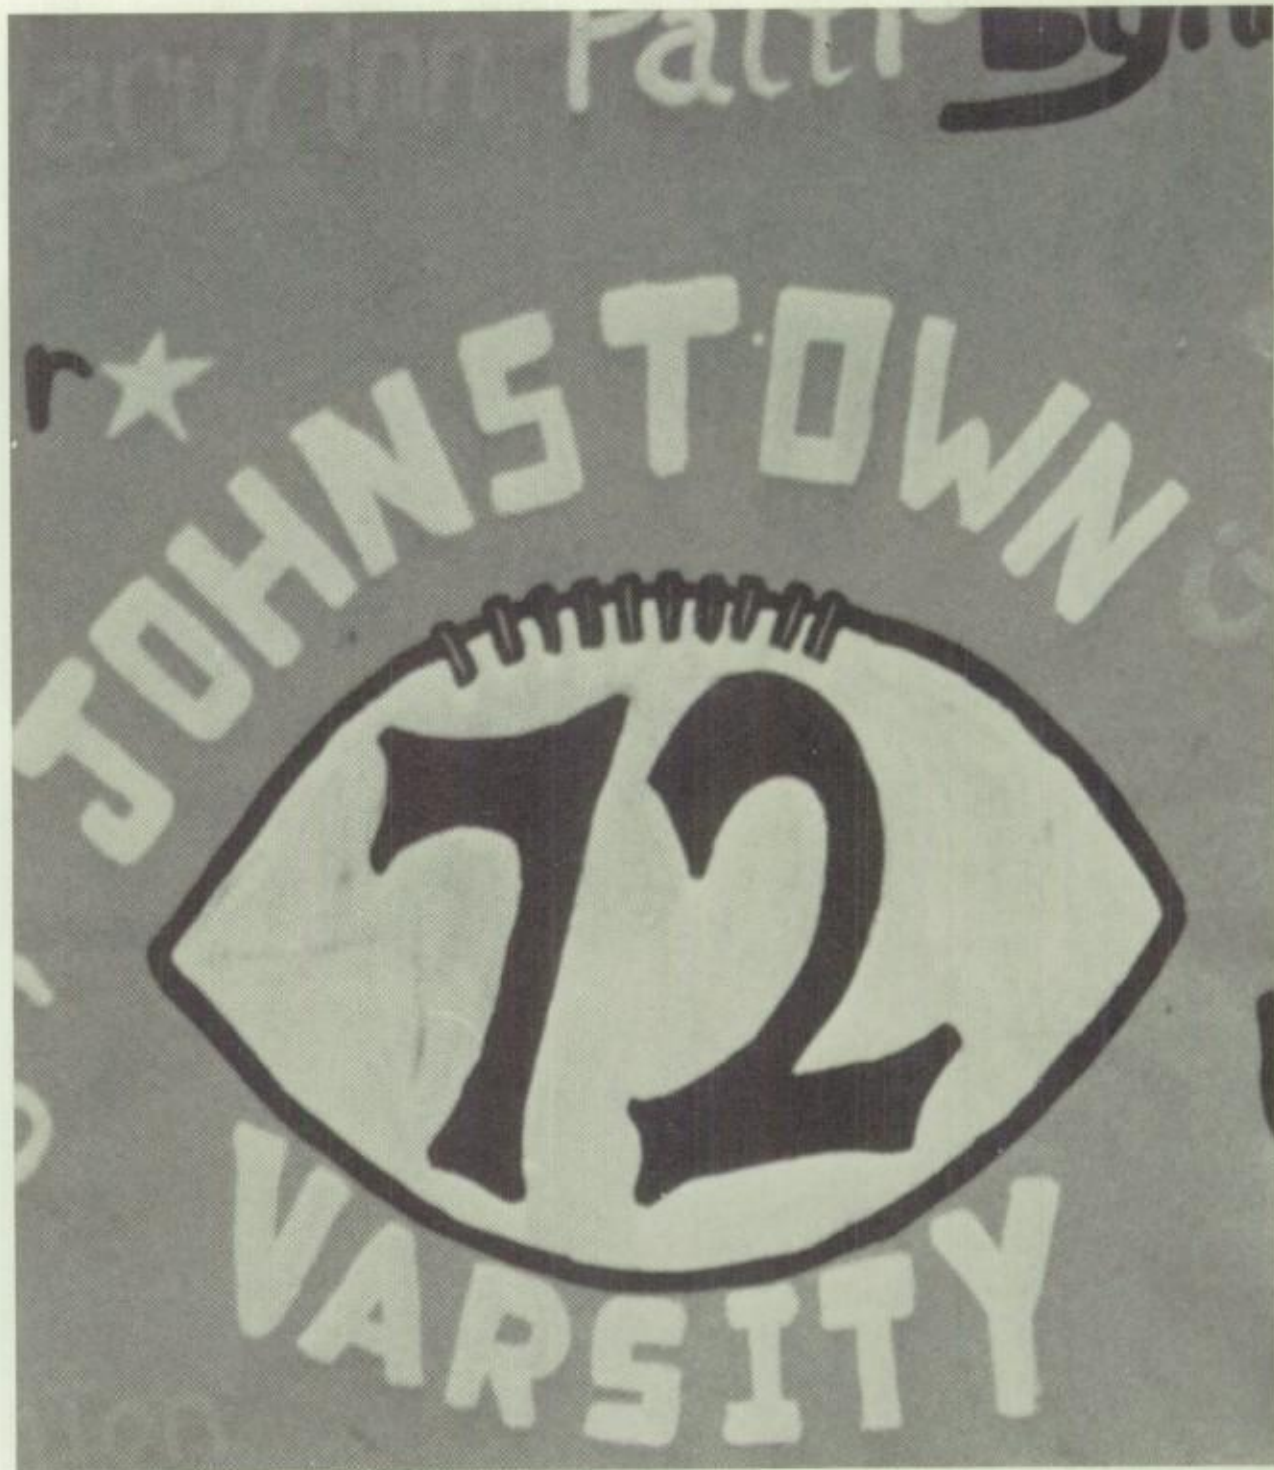

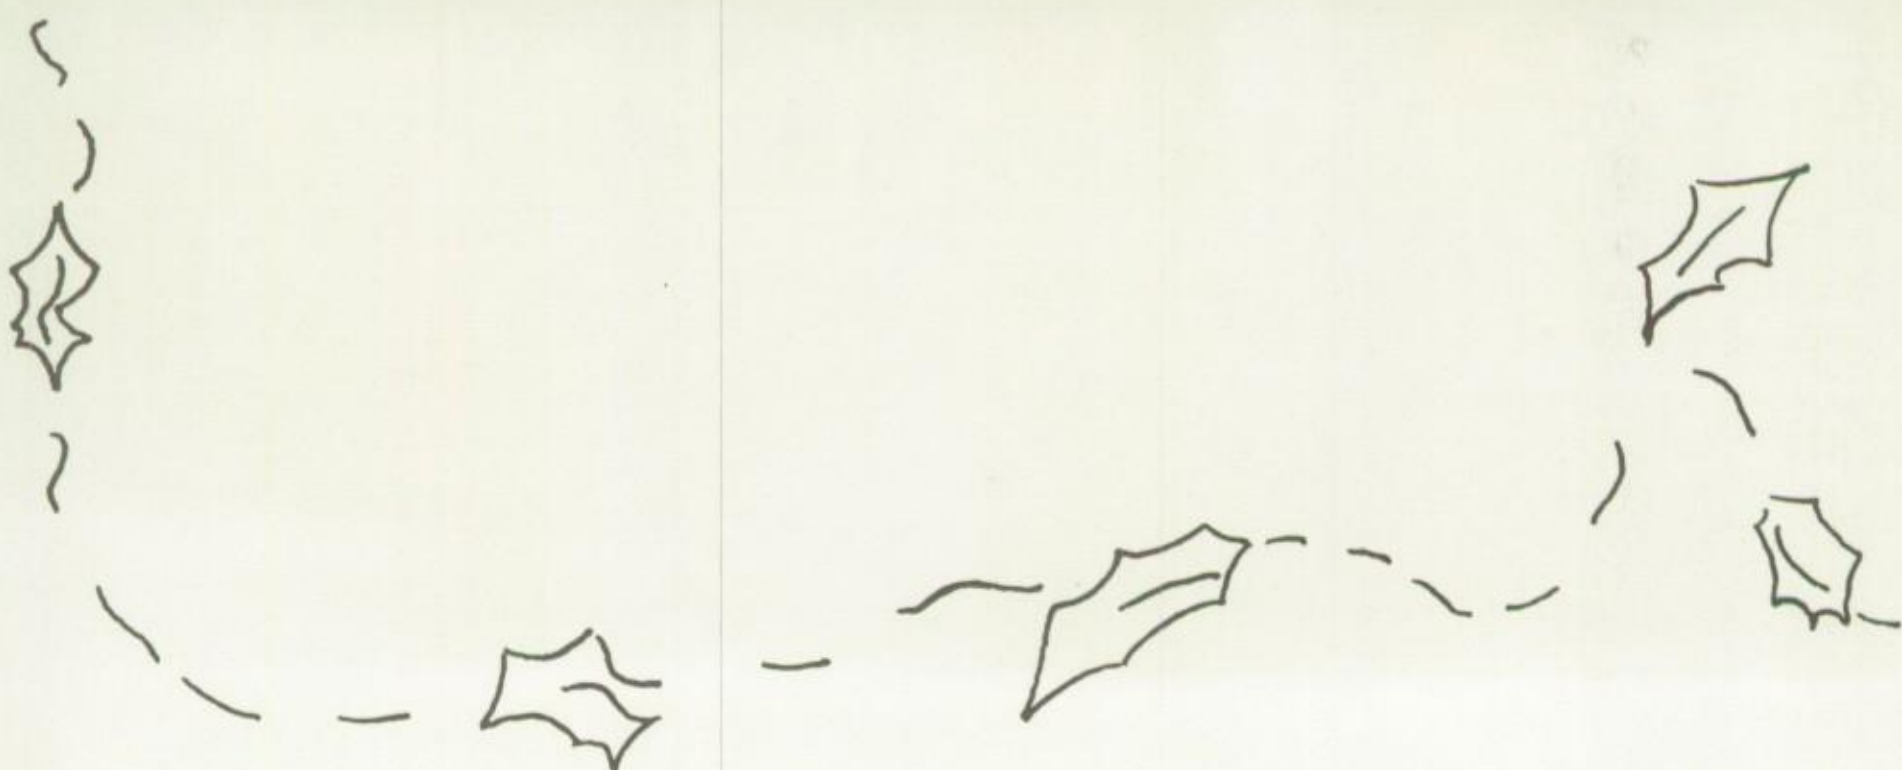

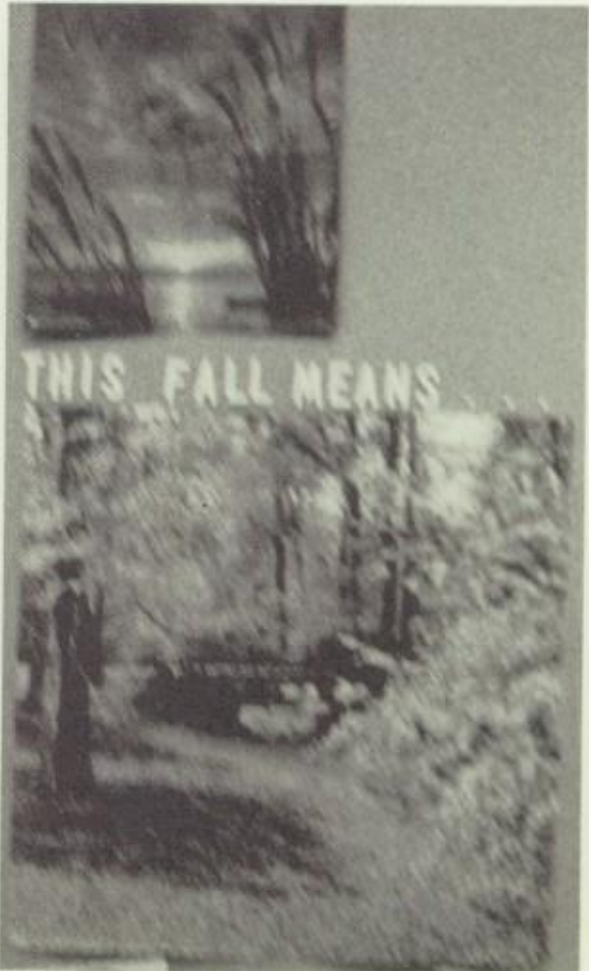

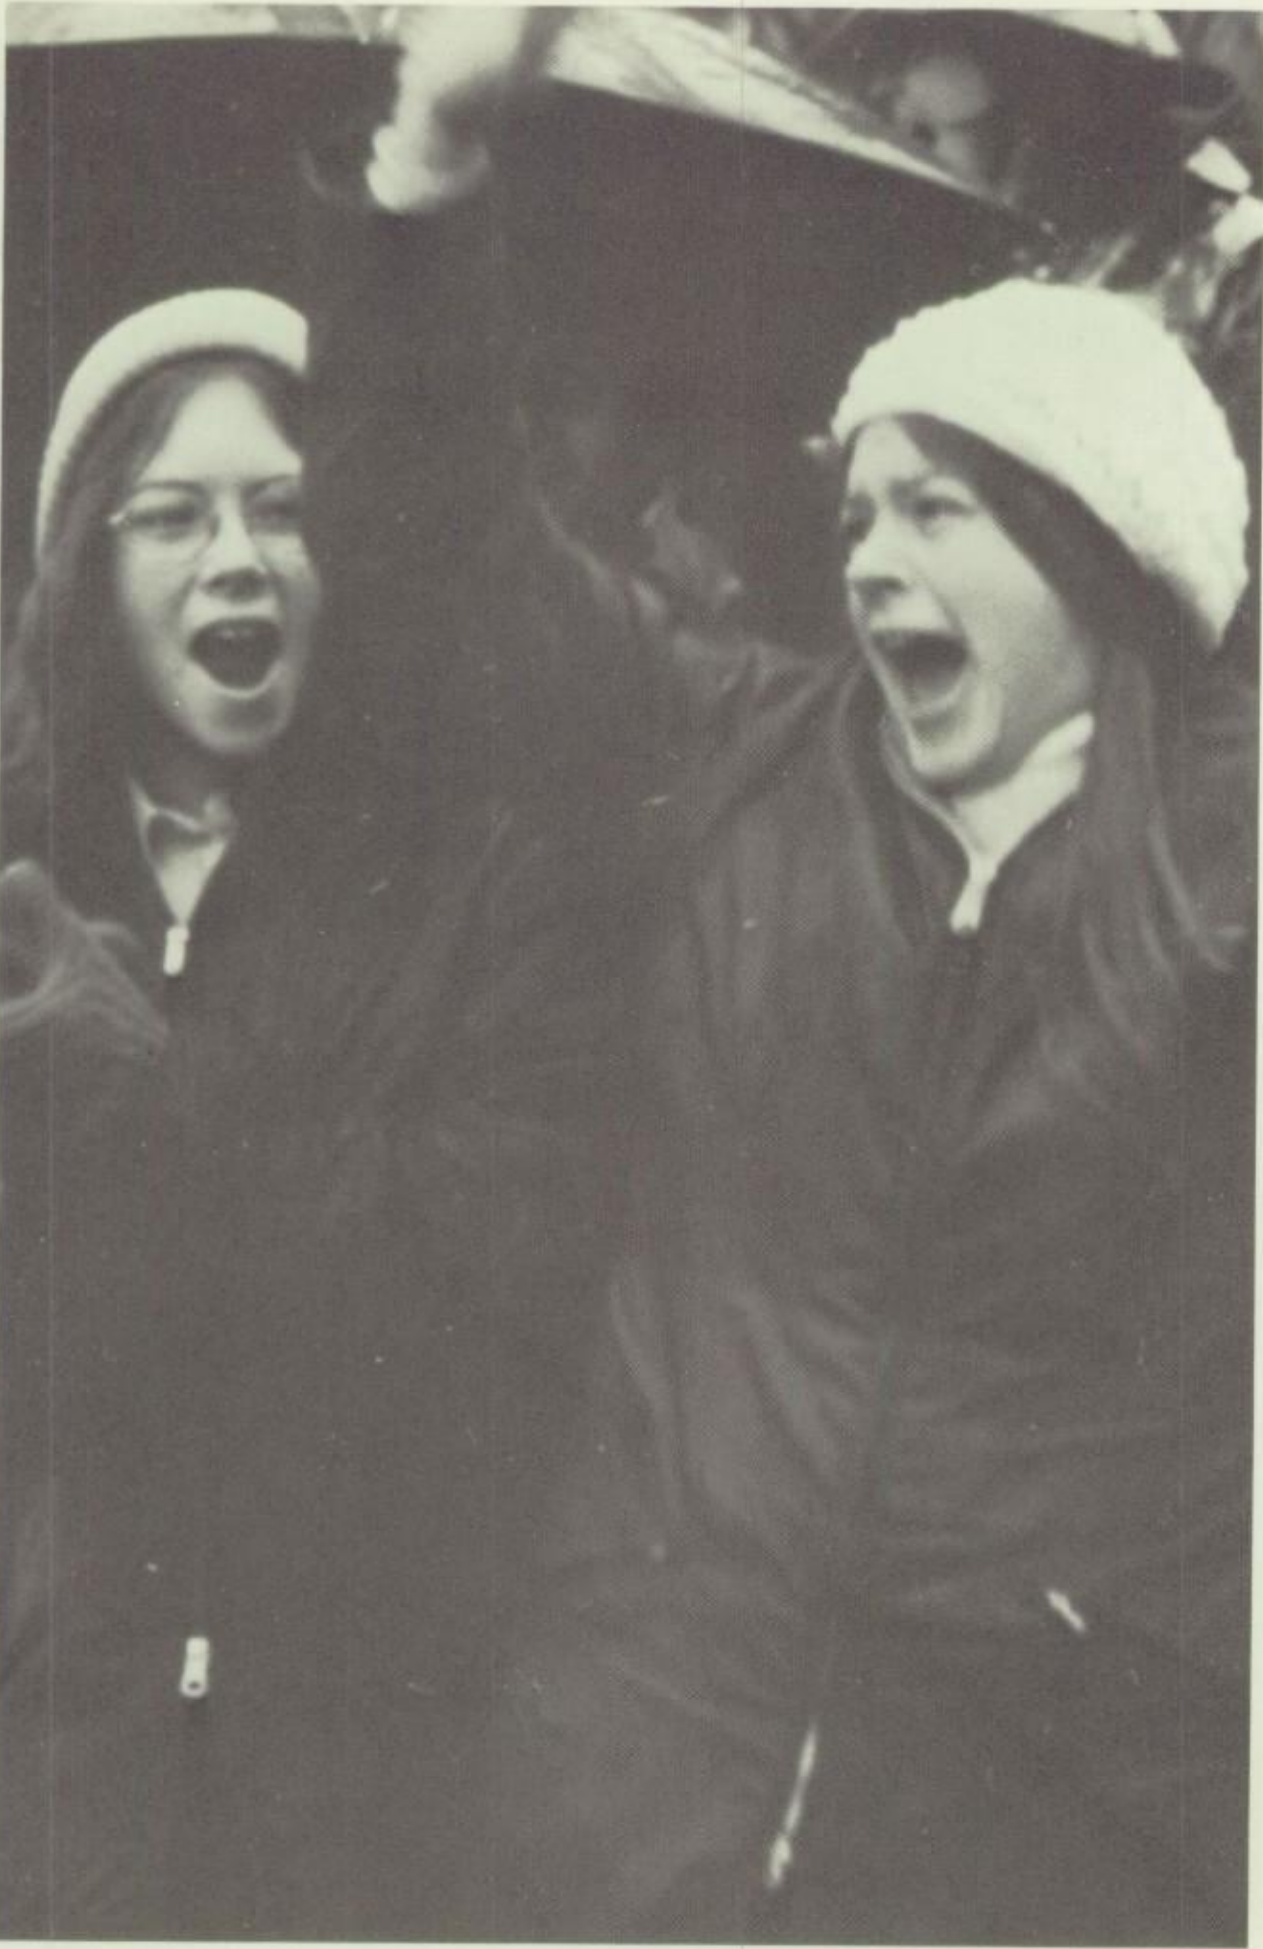

# Fall Events

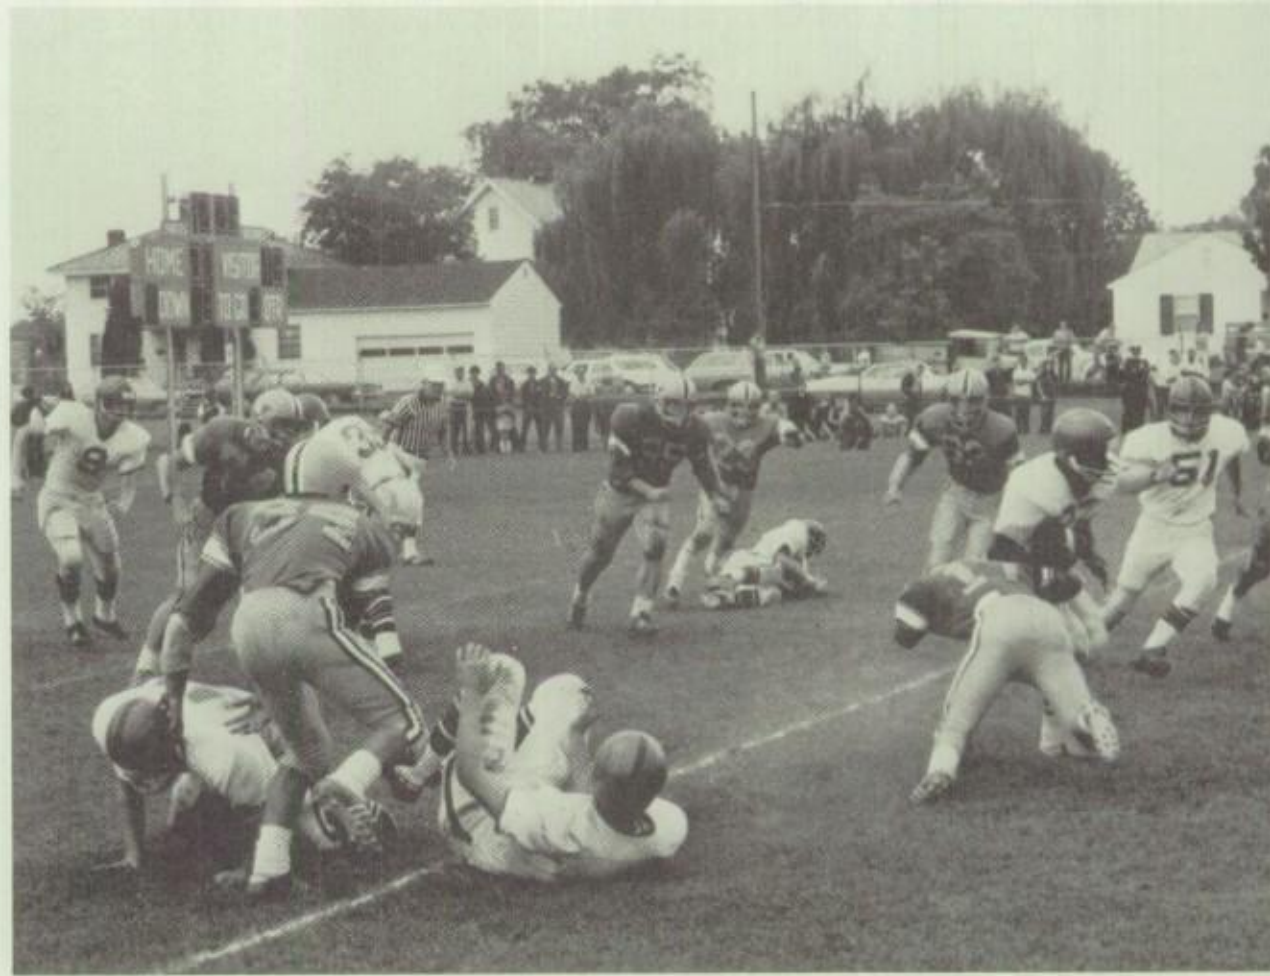

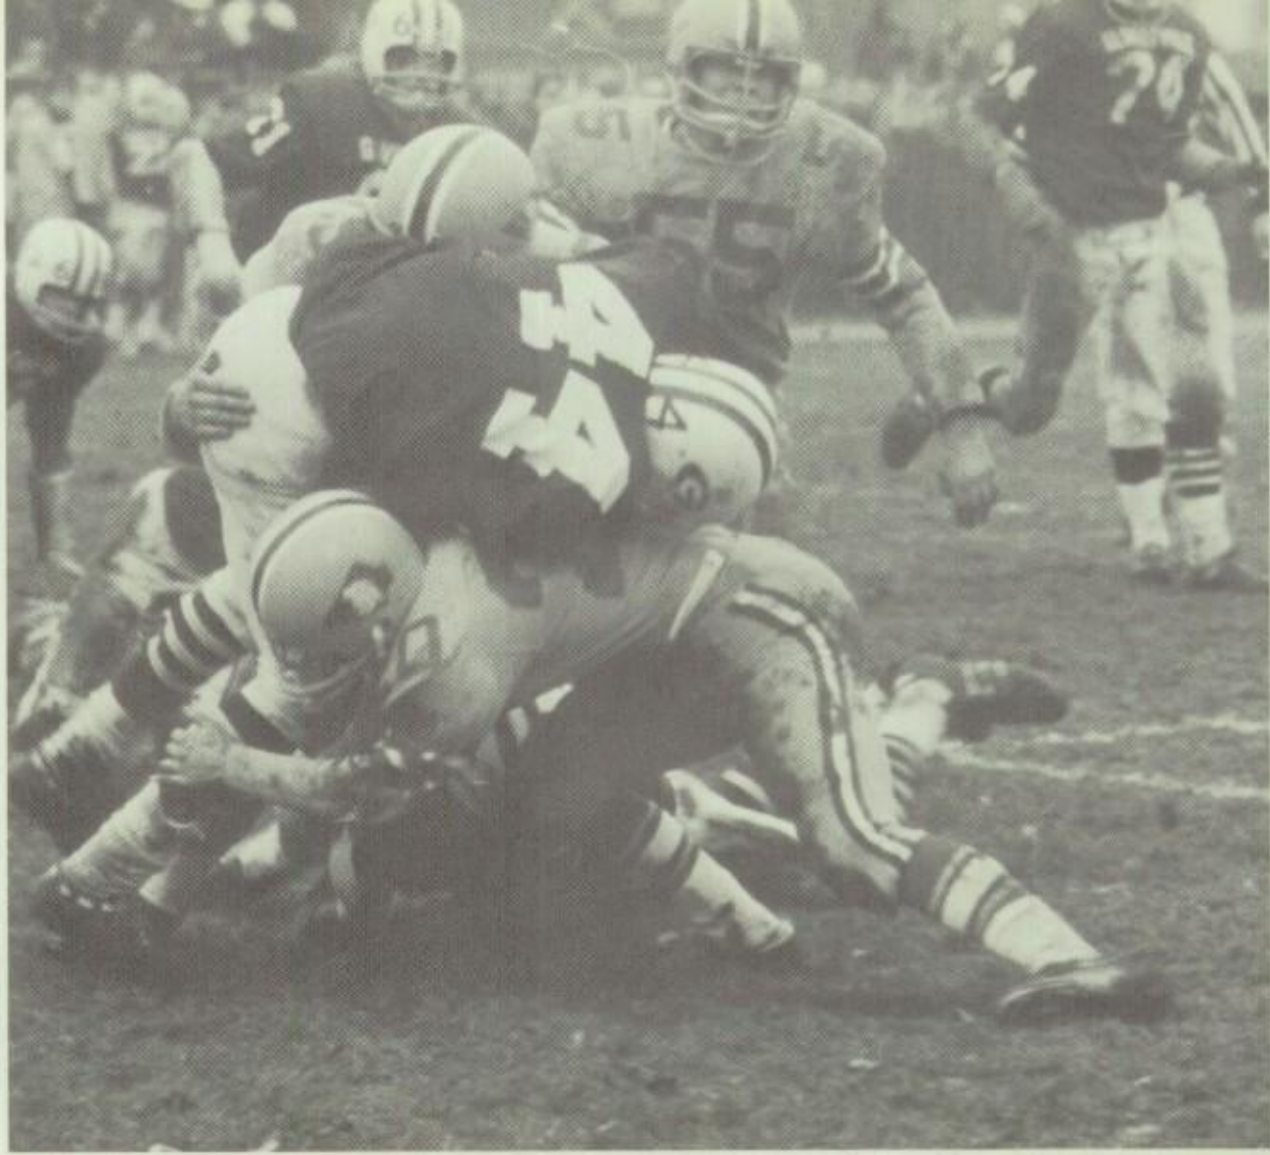

As crowds increase,  
we build our forts of  
inattention,  
and the more we talk,  
the easier it is to  
mean little  
and listen not at all.

*Frank Moore Colby*

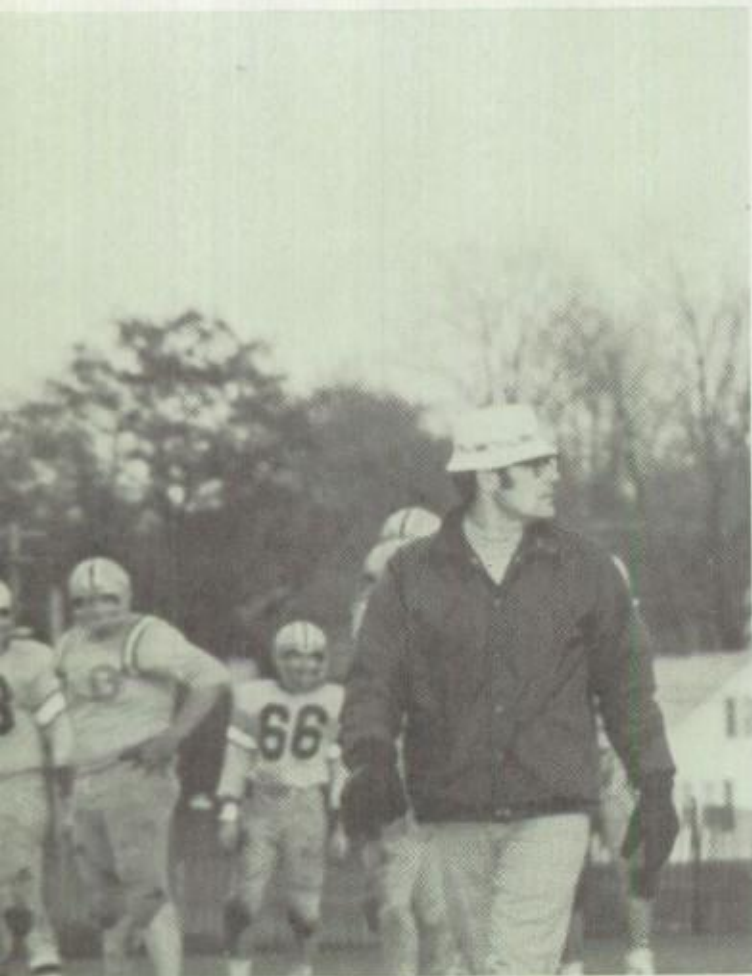

Football is like nuclear warfare.  
There are no winners, only survivors.

*Frank Gifford*

Performance is always preferred over promises.

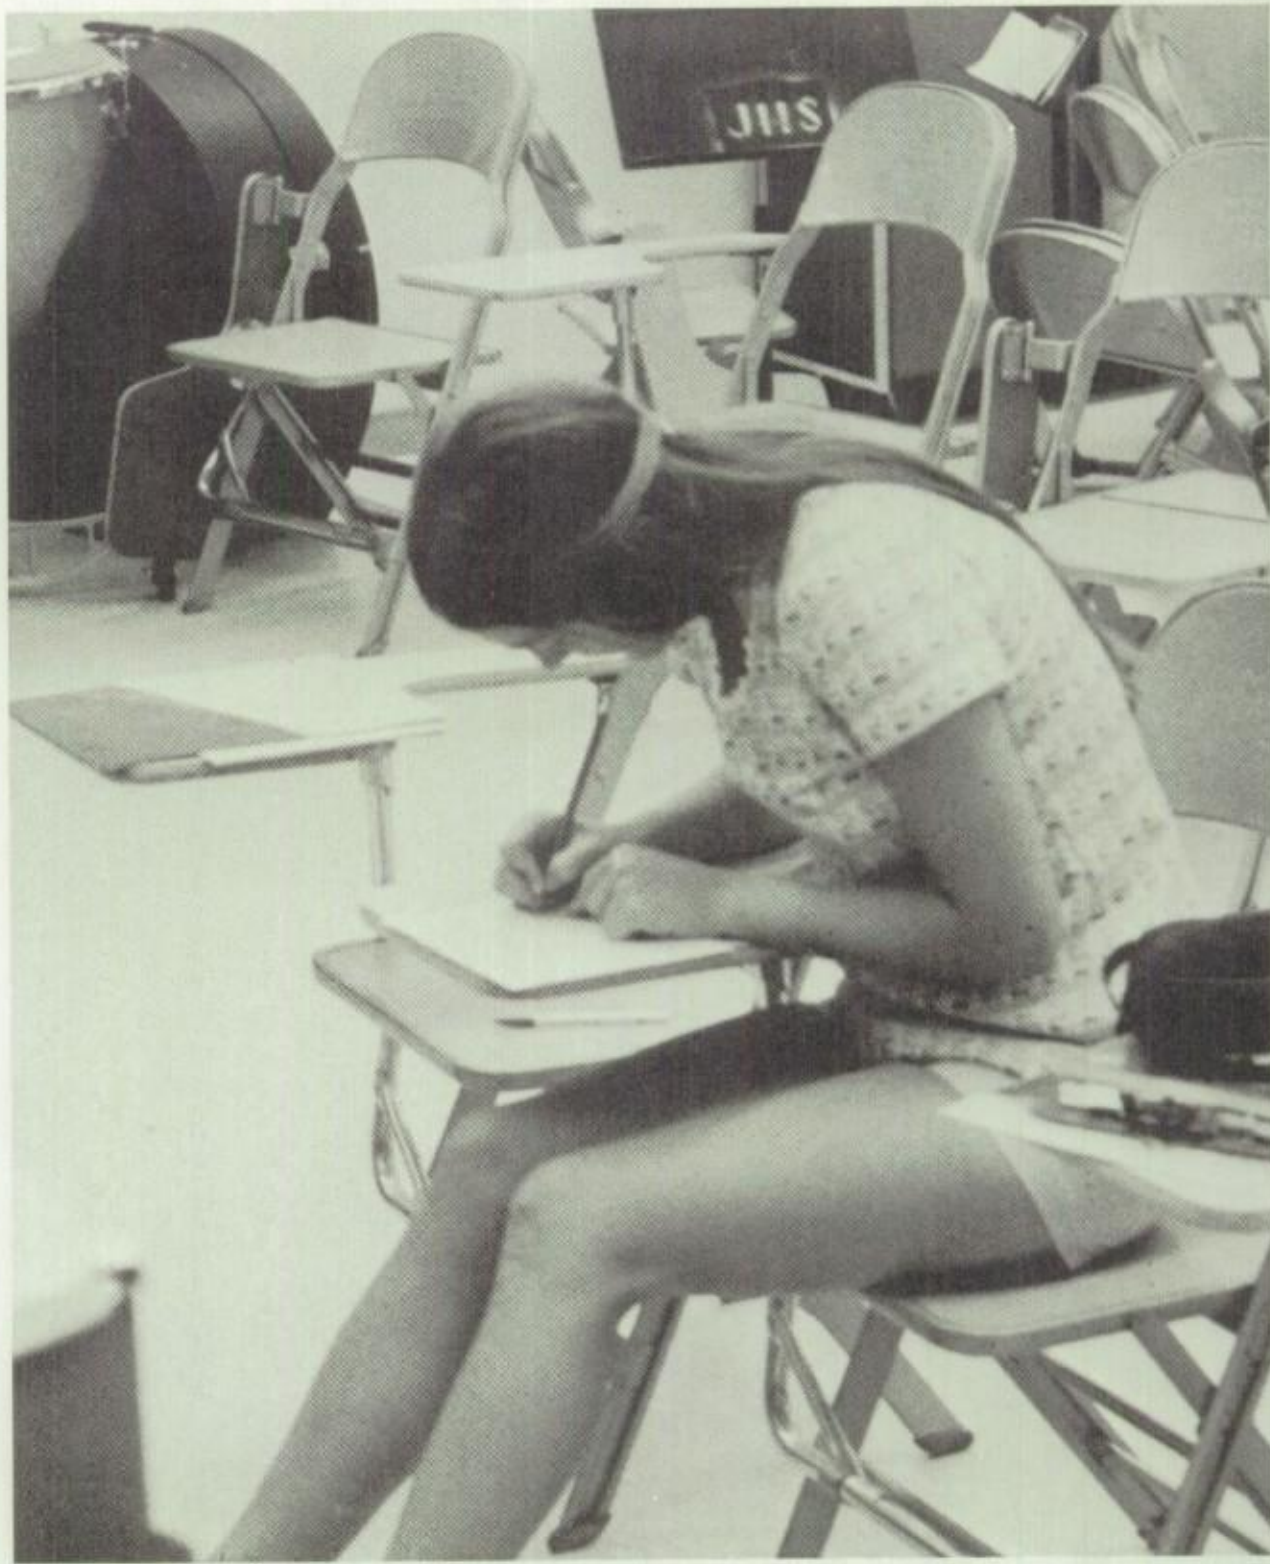

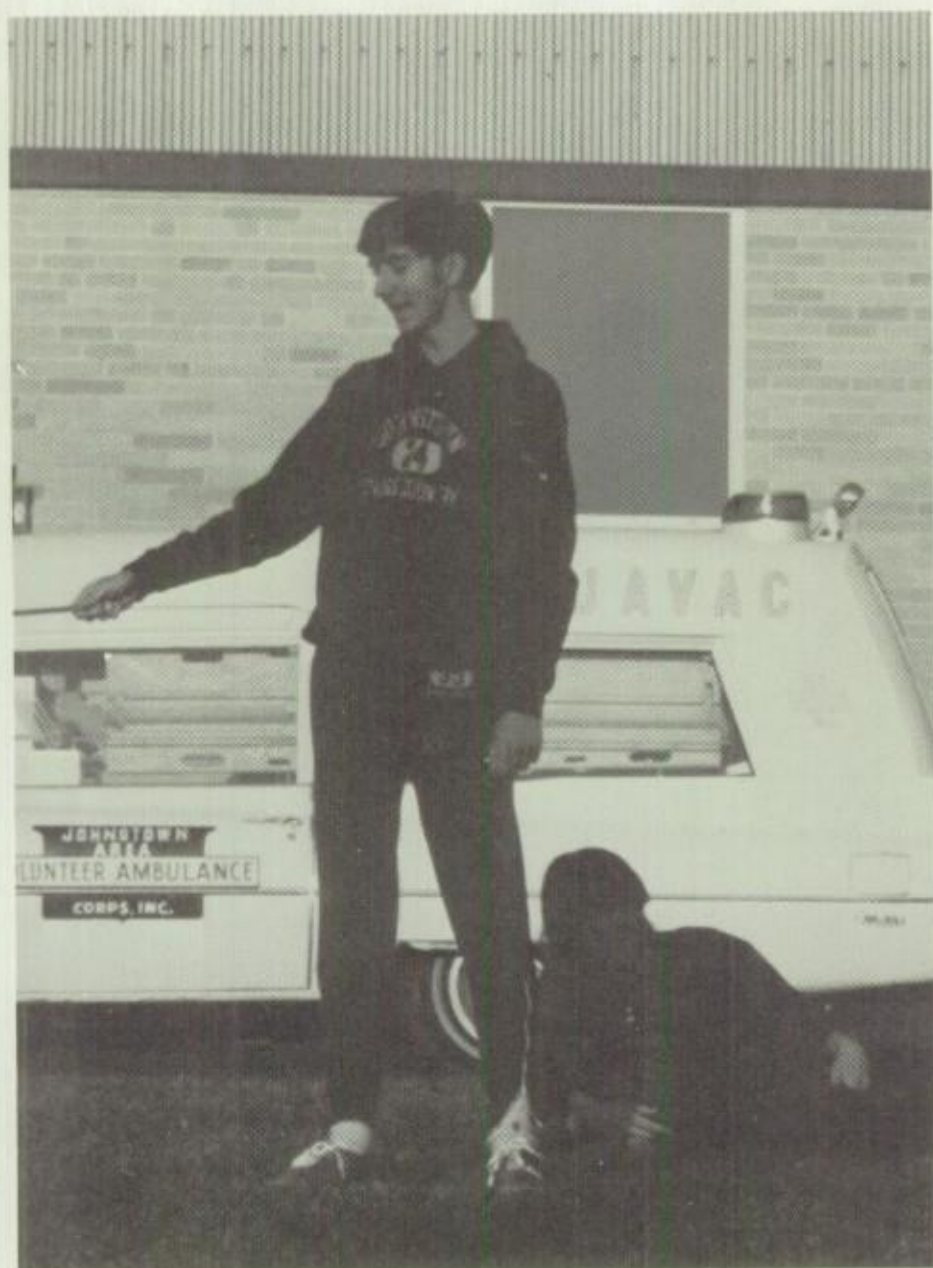

All right, look at my  
shoes  
Not quite the walkin'  
blues  
Don't fight, too much  
to lose  
Can't fight the runnin'  
blues  
Well I've got the runnin'  
blues

*The Doors*

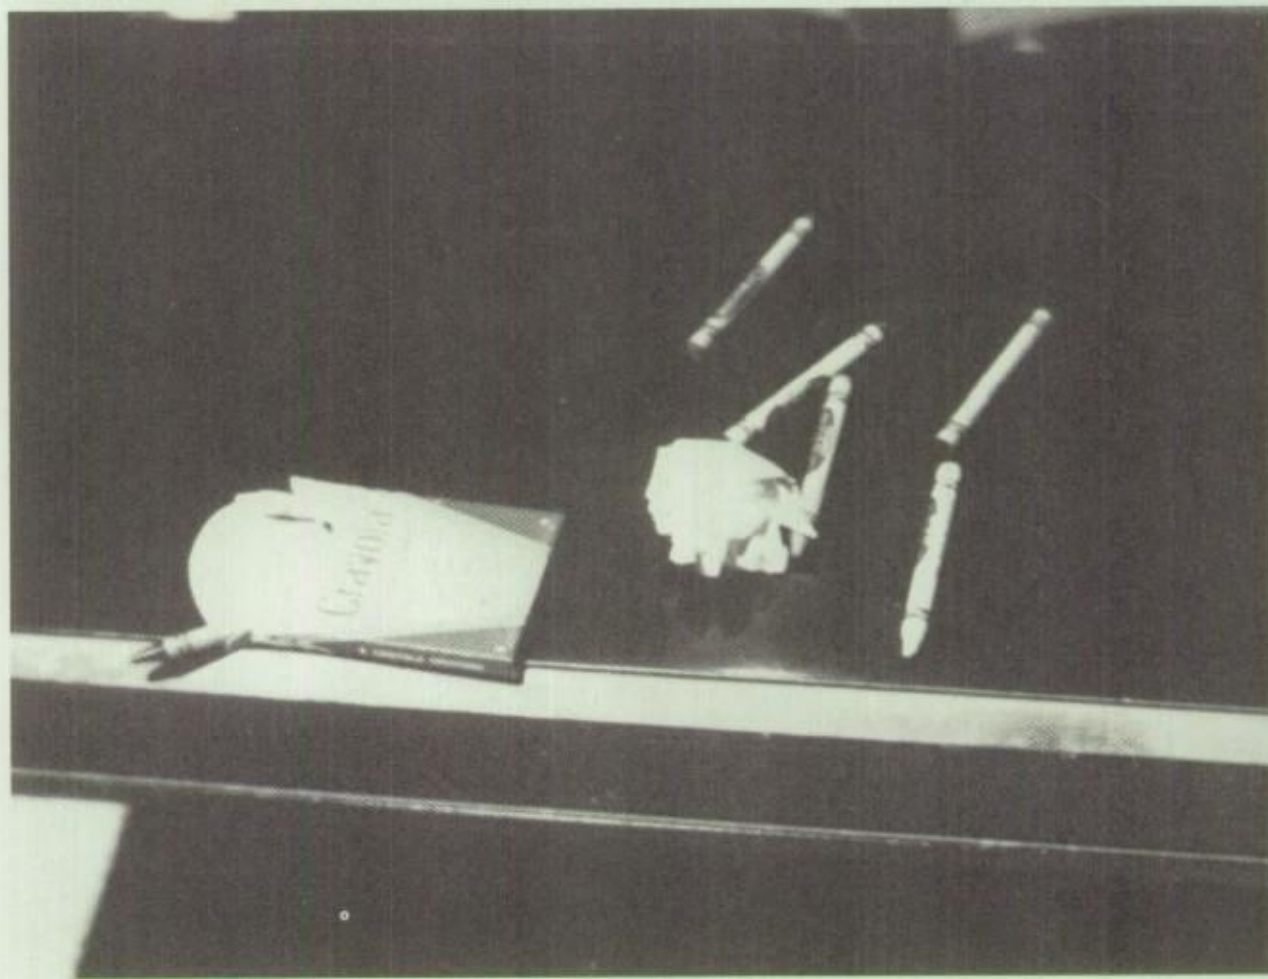

It's your thing;  
Do what you wanna do . . .

Let me hear you say,  
"It's my thing;  
I do what I wanna do."

*The Isley Brothers*

Amazing grace! how sweet  
the sound  
Thro' many dangers, toils  
and snares,  
I have already come;  
'Tis grace hat bro't me  
safe thus far,  
And grace will lead me  
home.  
Amazing grace! how sweet  
the sound.

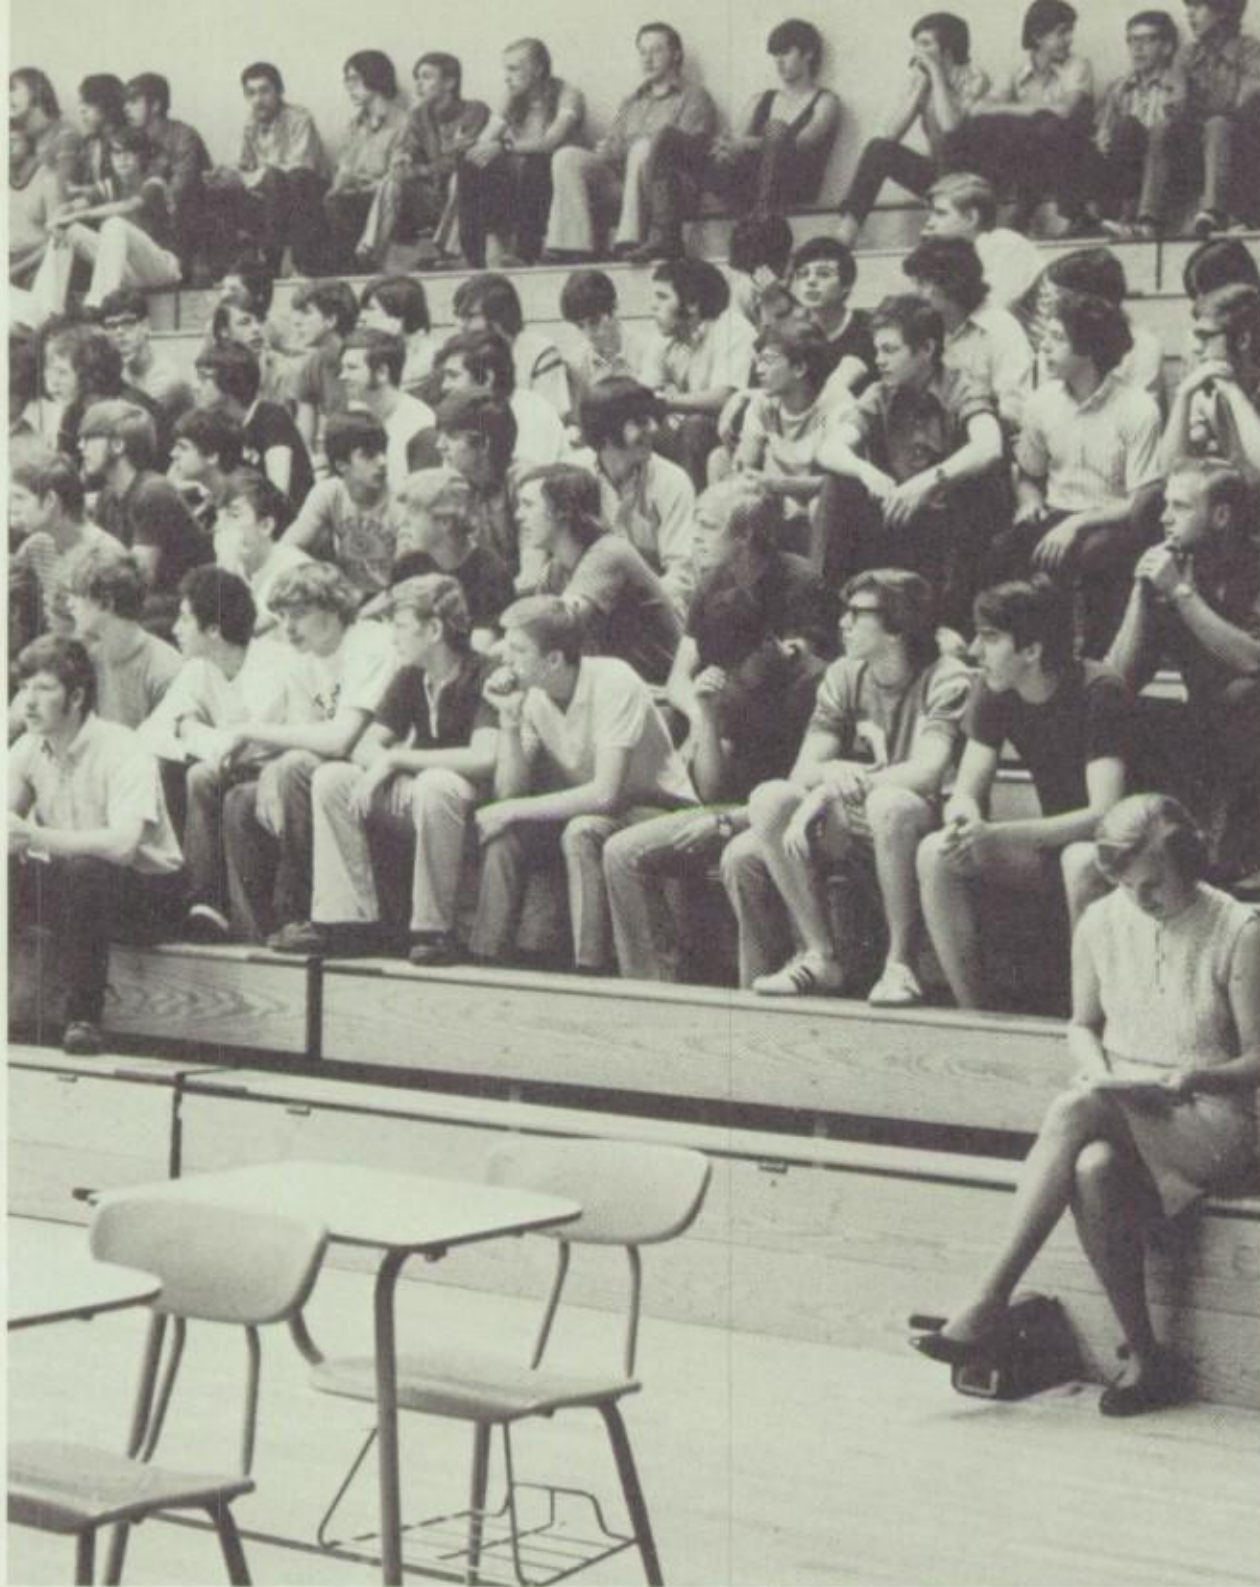

I'm outta my head  
I'm so sick . . .  
I'm under loved  
I'm under fed  
I WANNA GO HOME

*Harry Chafin*

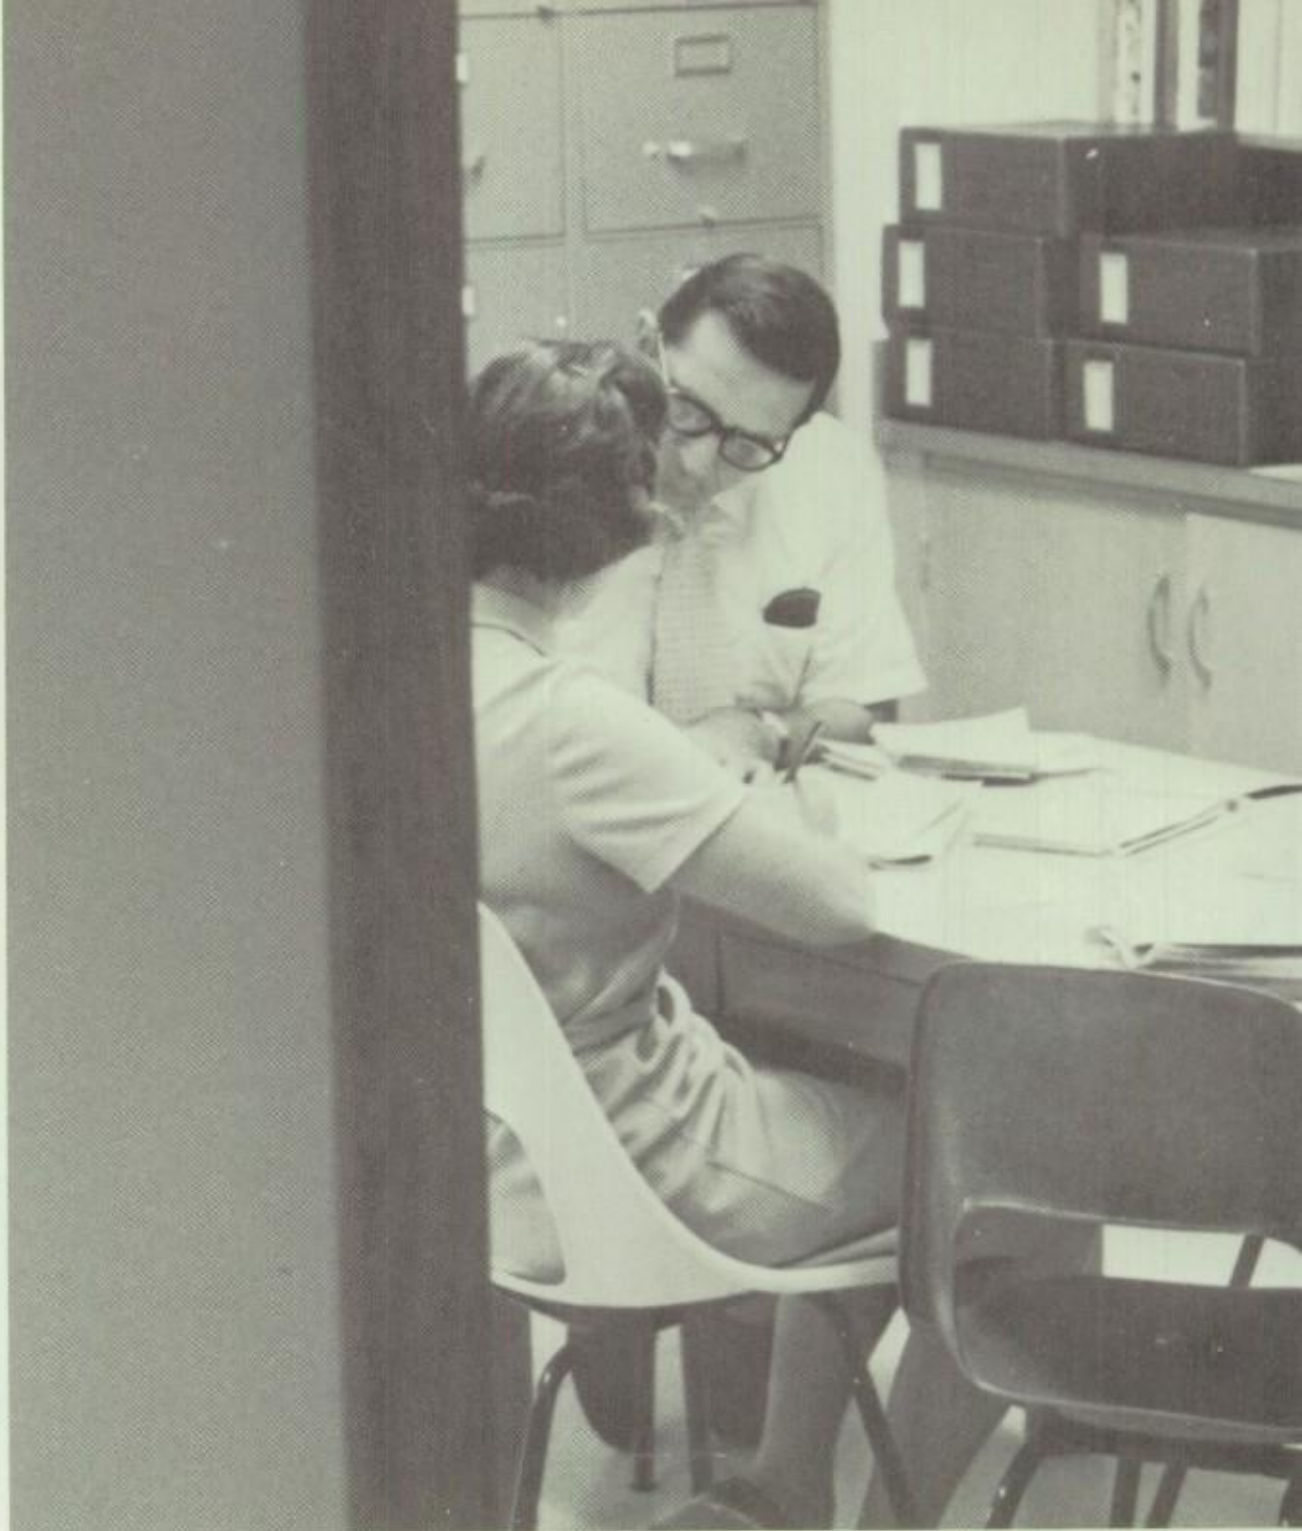

This is our special duty,  
that if anyone especially  
needs our help,  
we should give him such  
help to the utmost of  
our power.

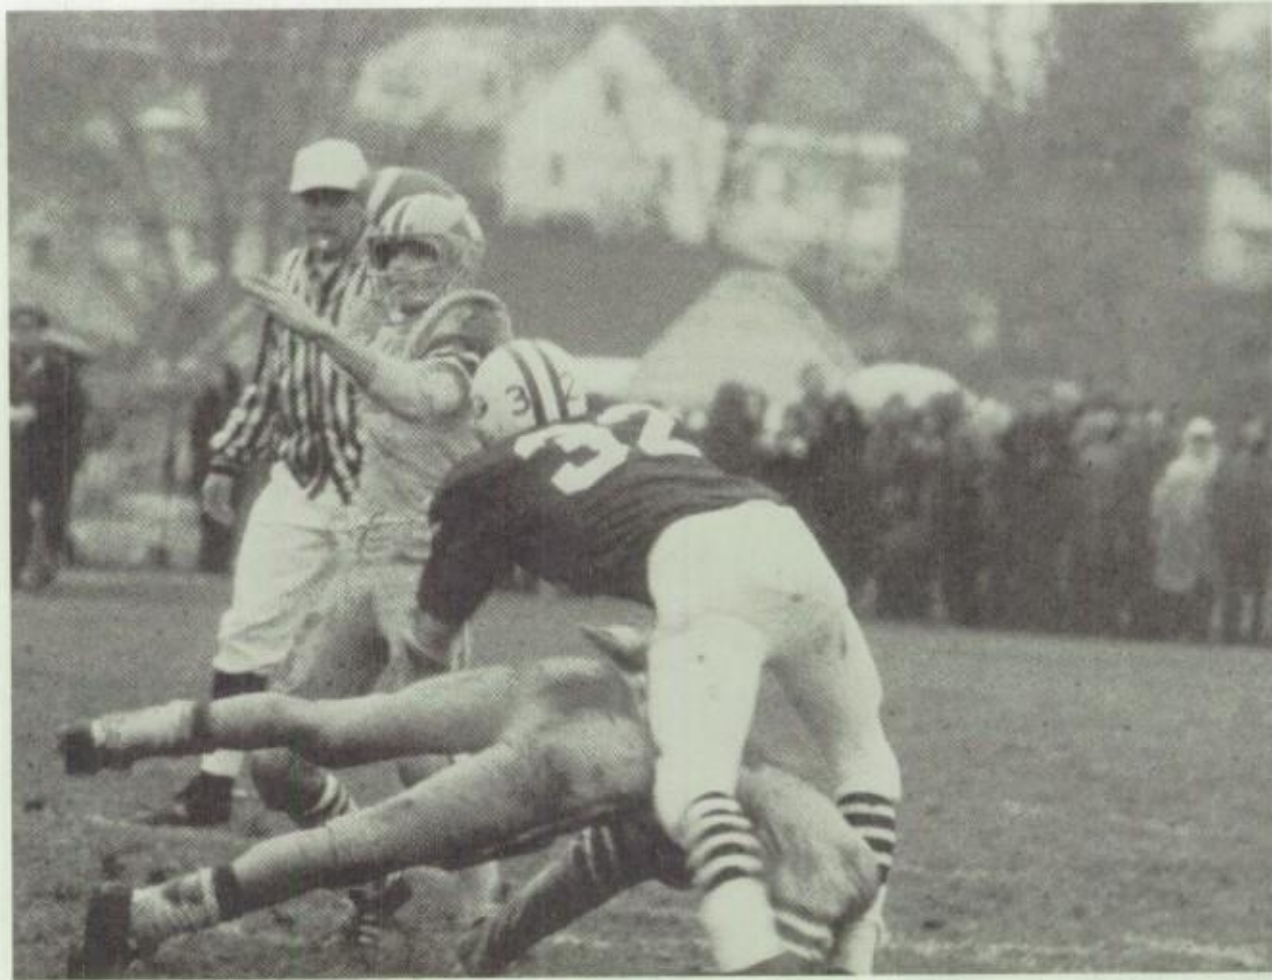

*Cicero*

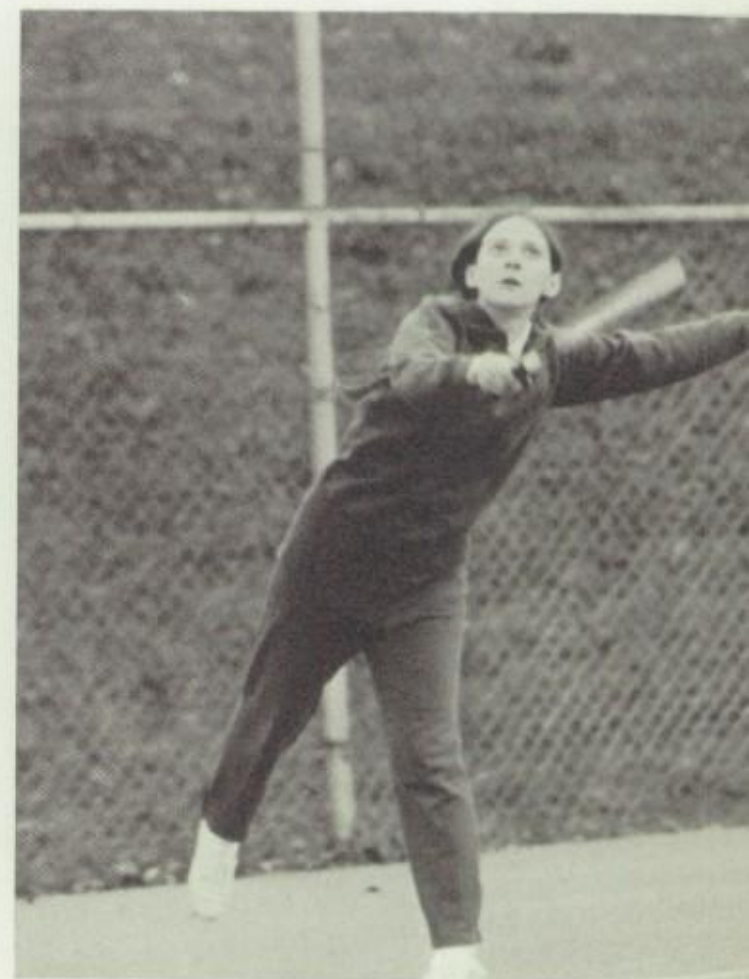

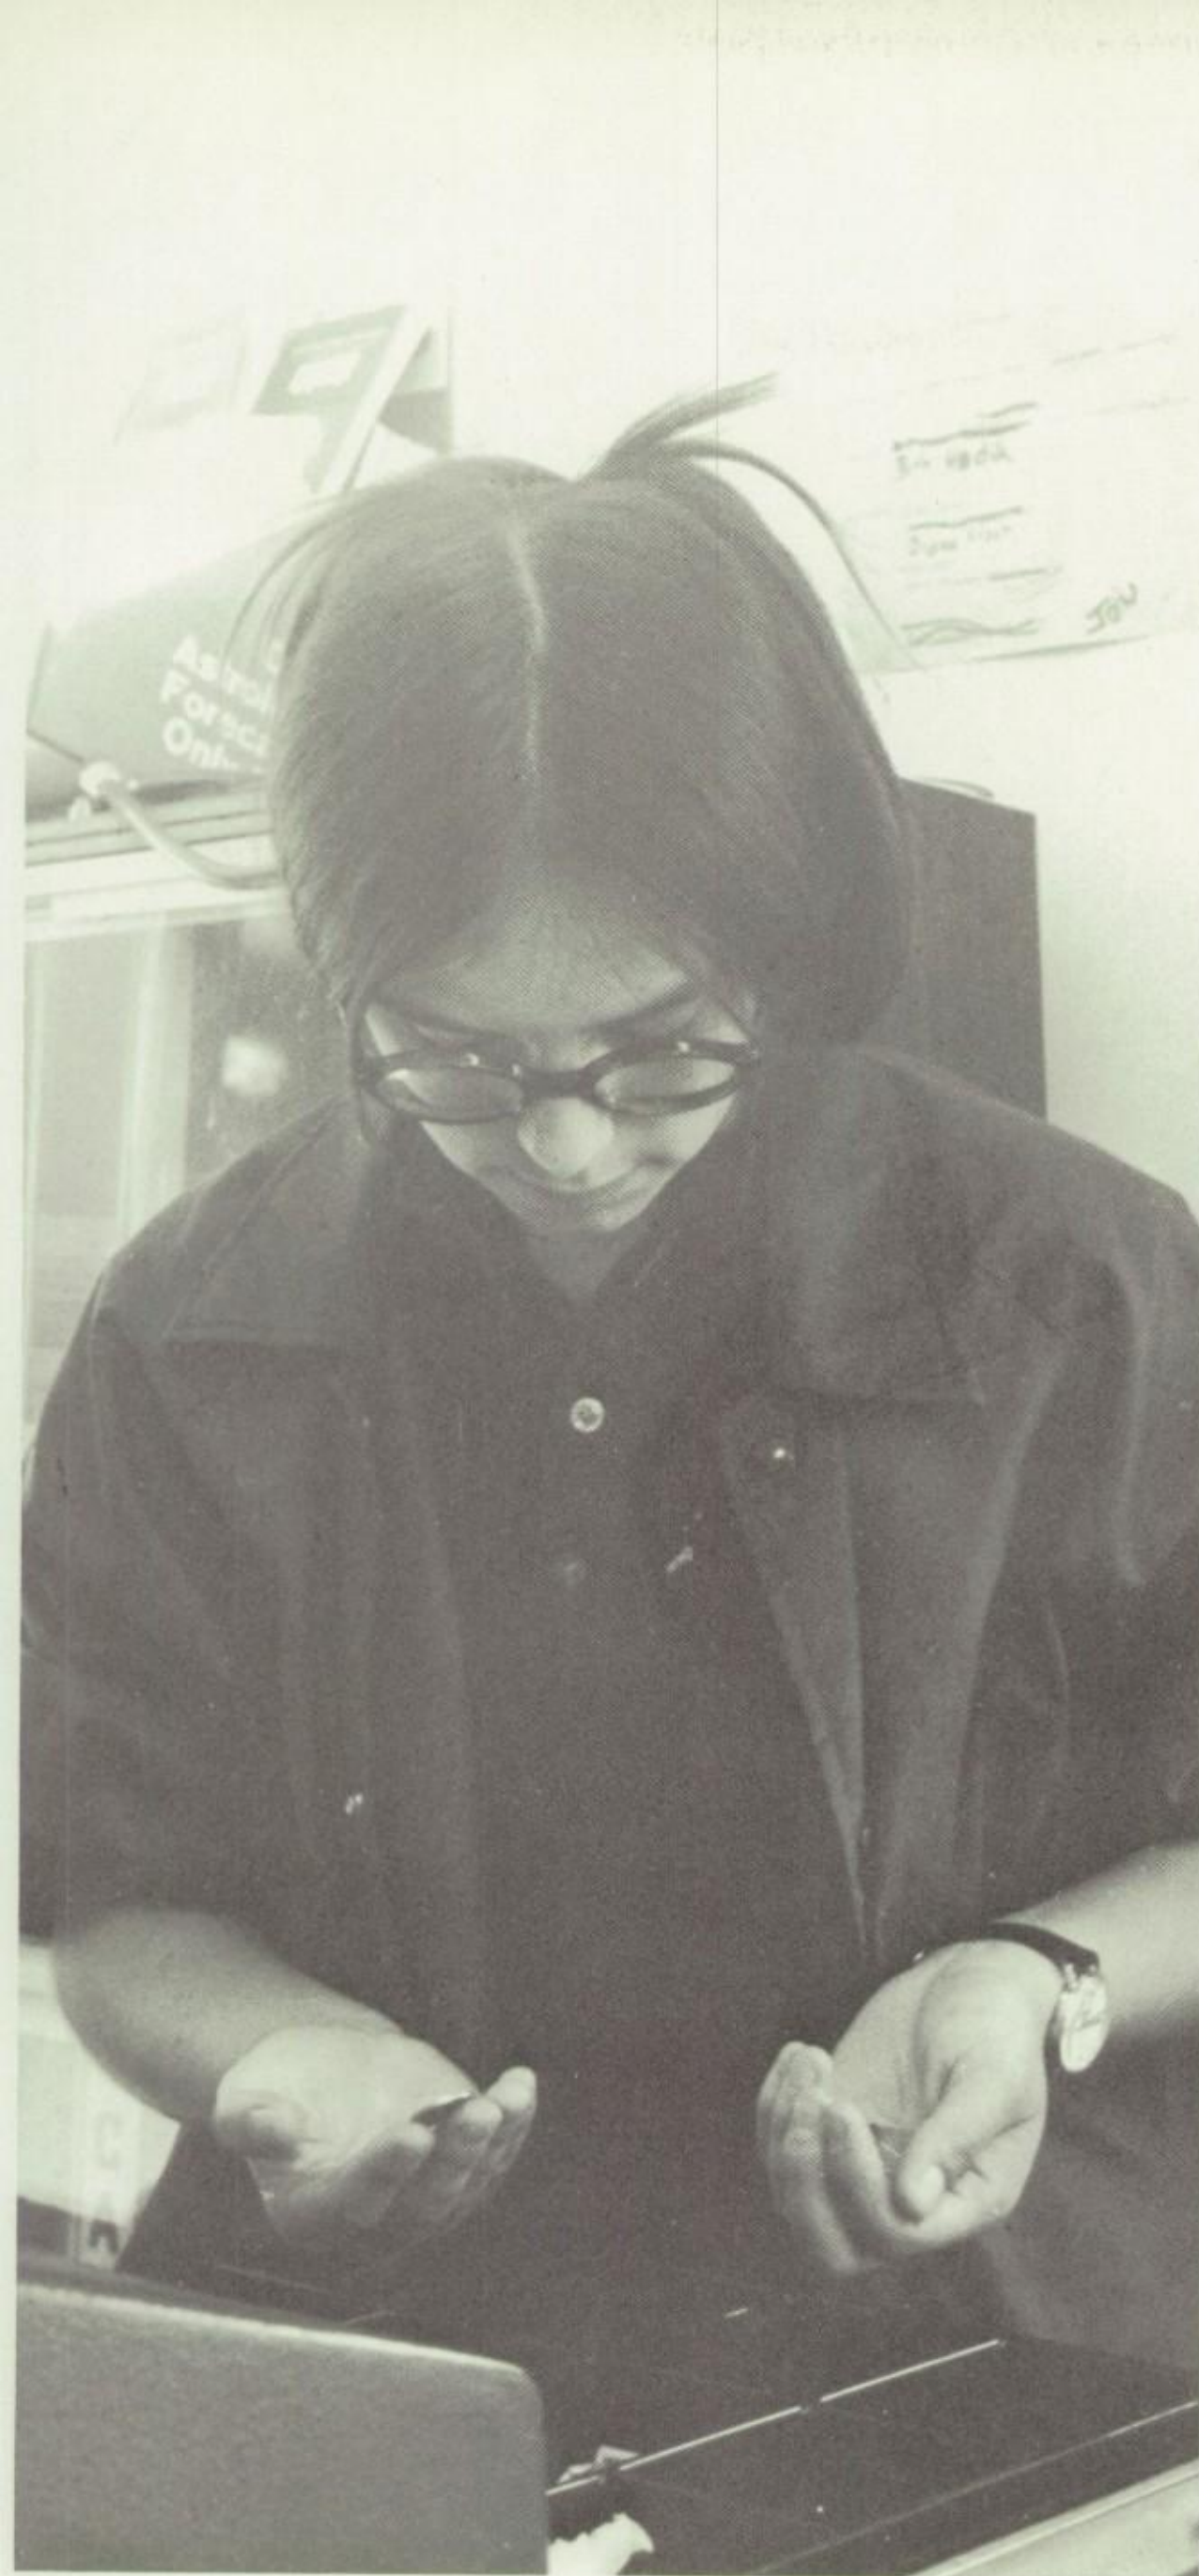

"NUTS!"

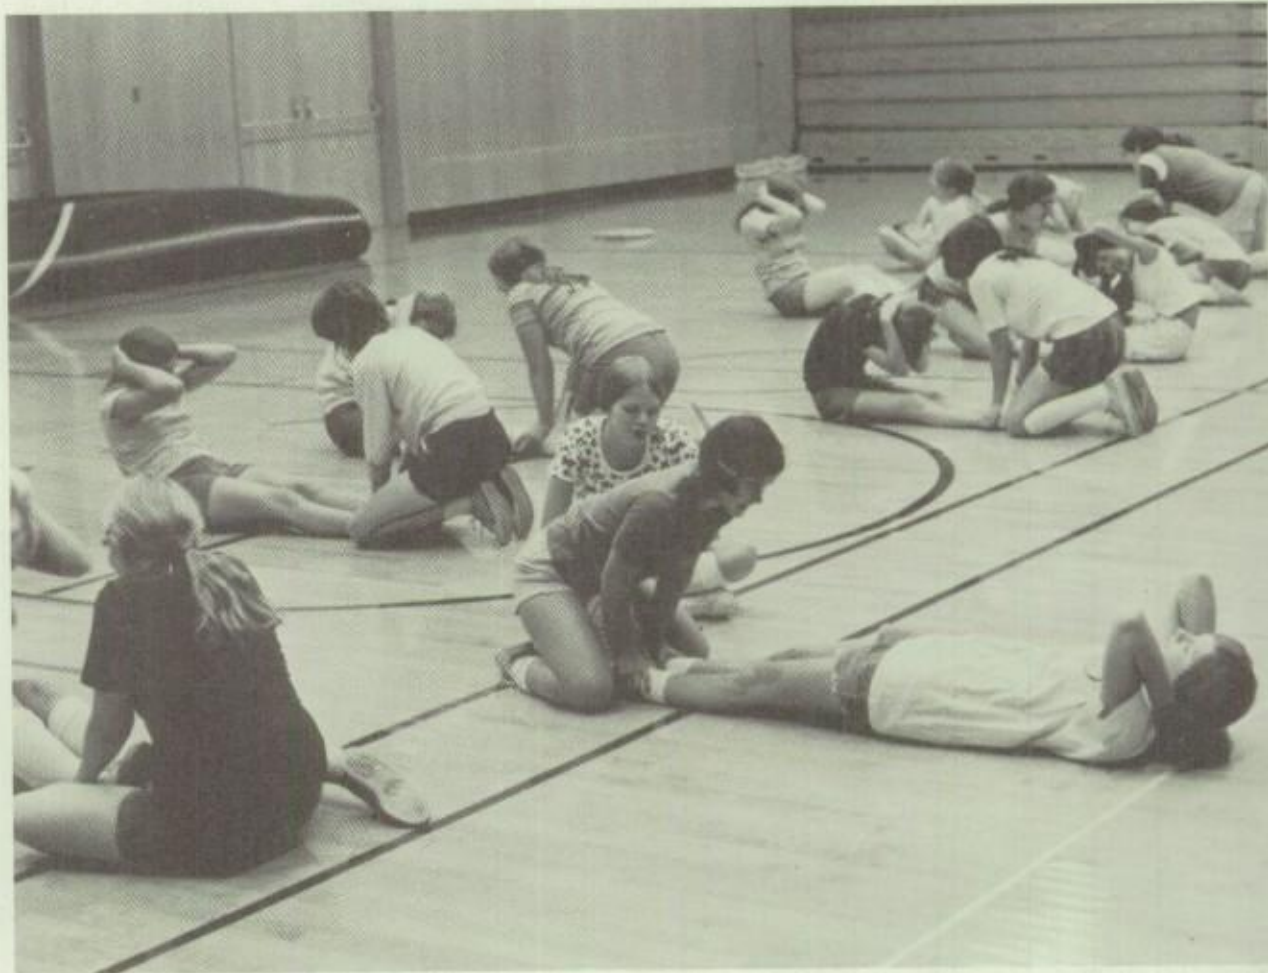

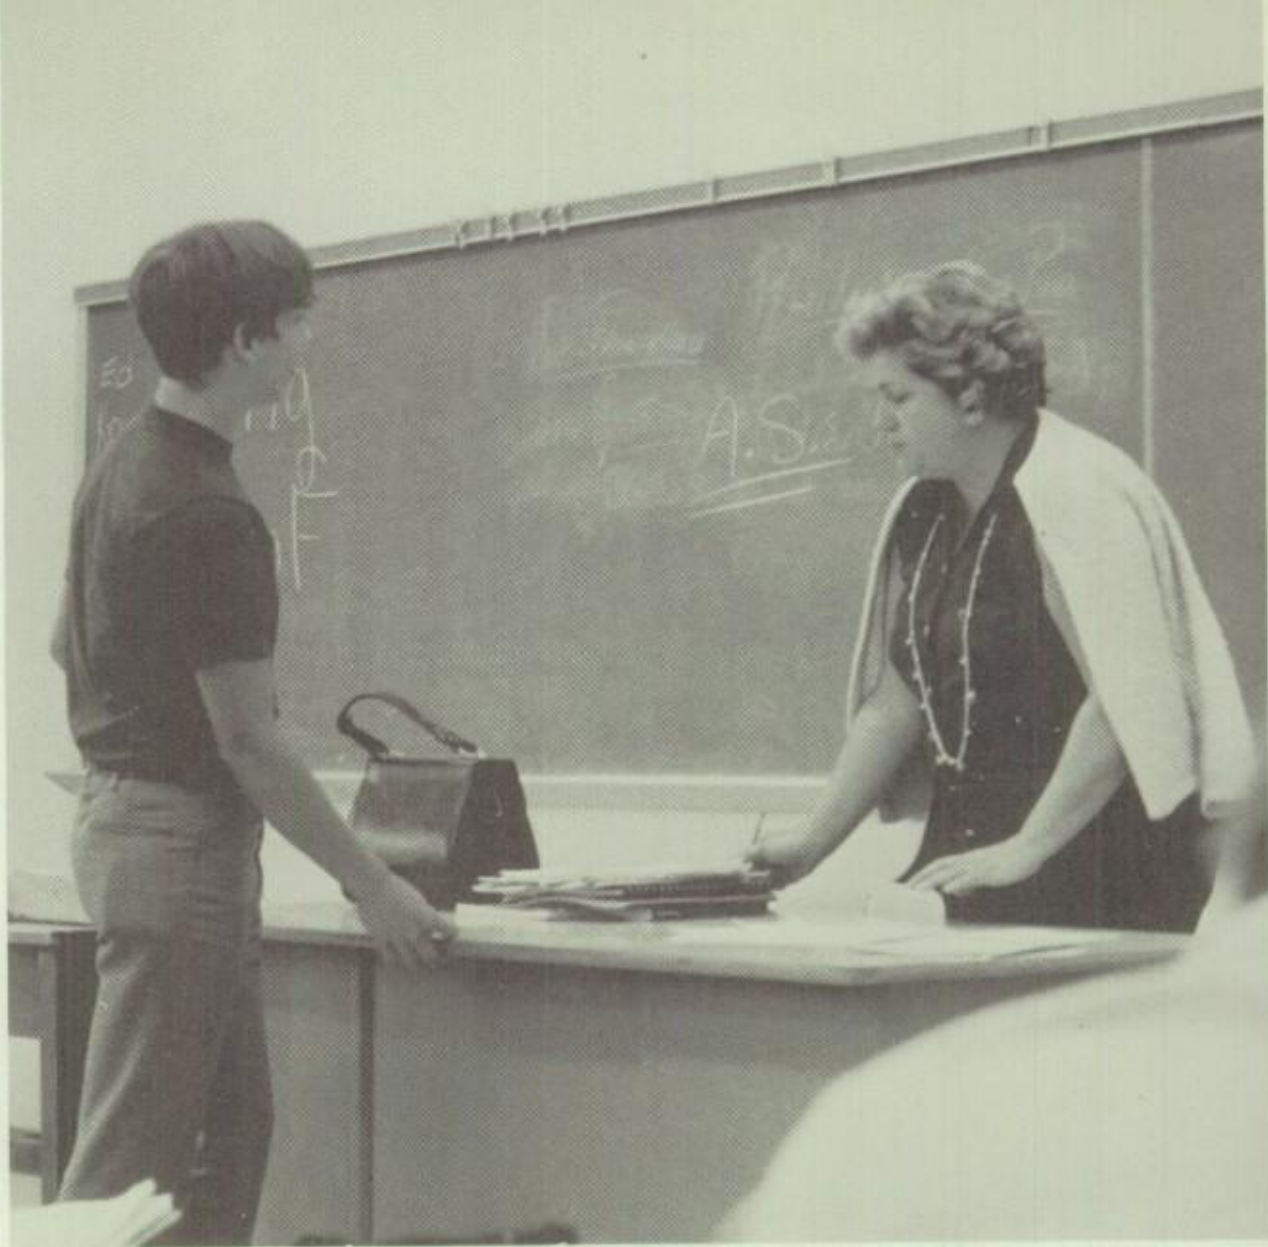

*Anthony Clement McAuliffe*

"Was anything real ever gained without sacrifice of some kind?"

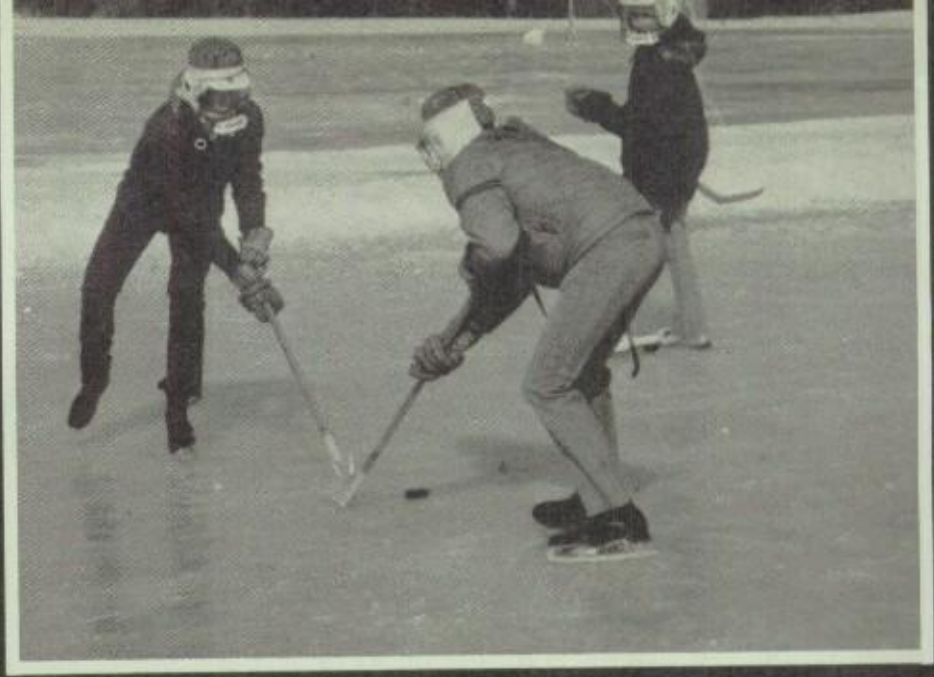

*Arthur Helps*

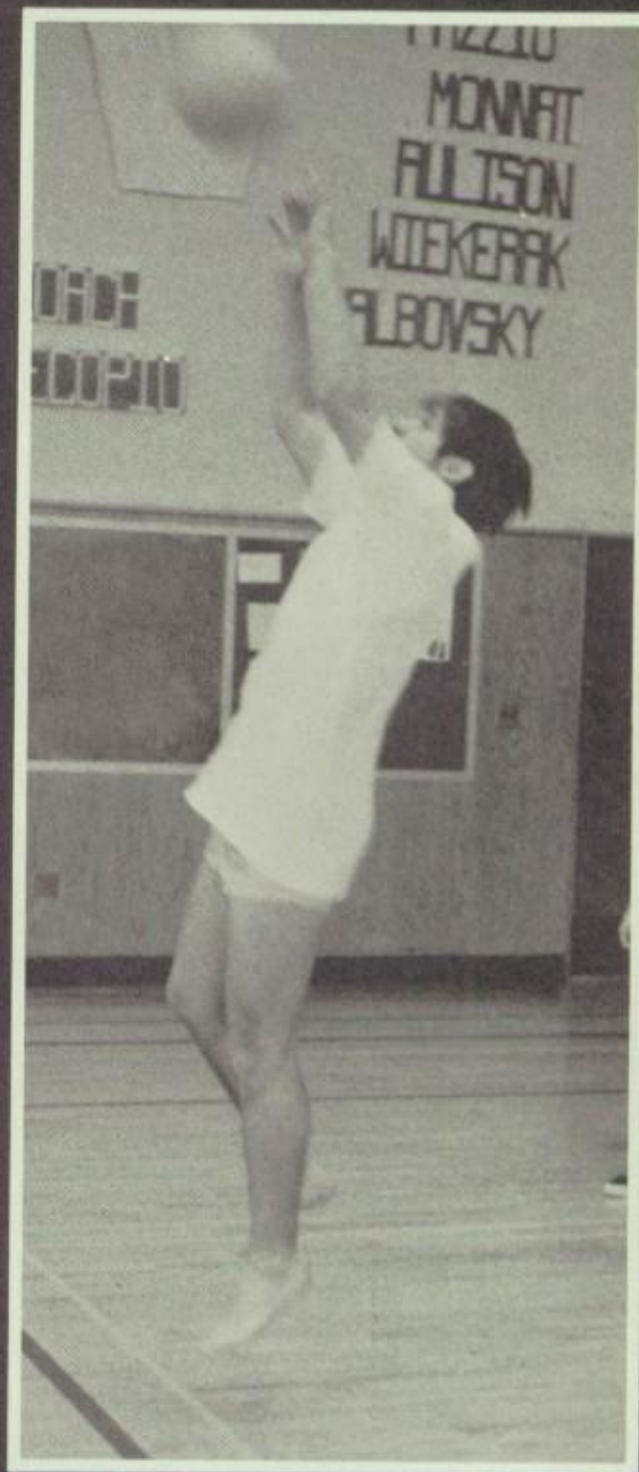

# Winter

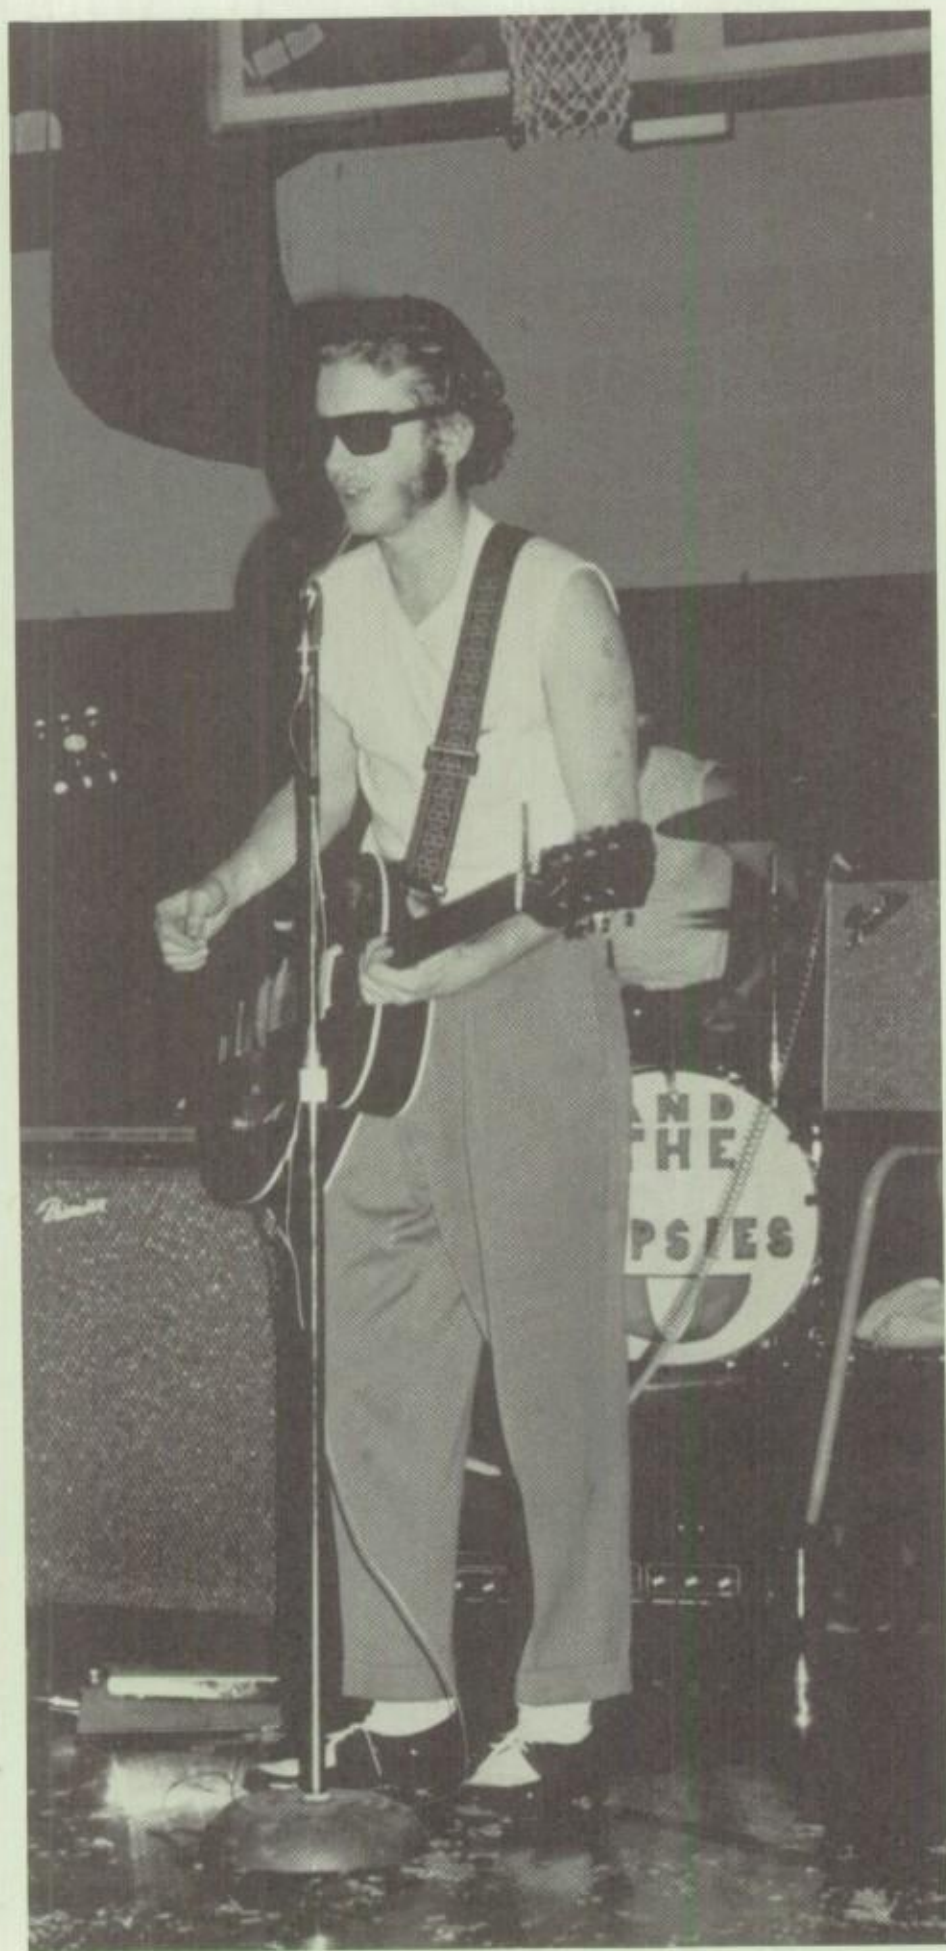

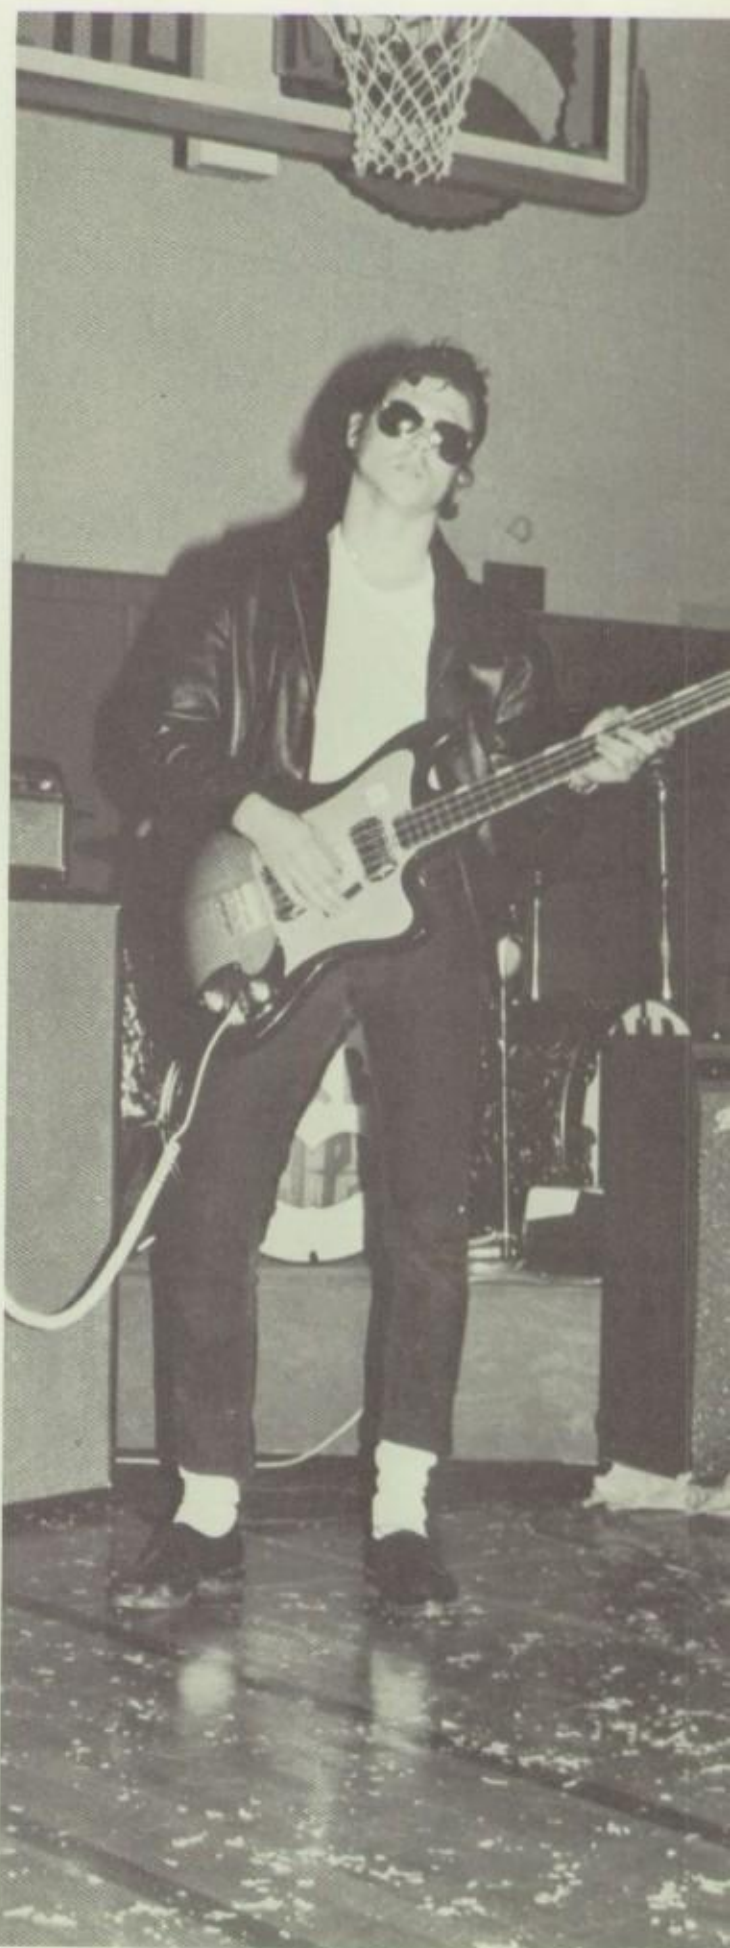

I remember when rock was young,  
Me and Susie had so much fun . . .  
But the biggest kick I ever got  
Was doing a thing called the  
Crocodile Rock.  
While the other kids were rockin'  
round the clock,  
We were hoppin' and boppin' to the  
Crocodile Rock.  
Well . . .

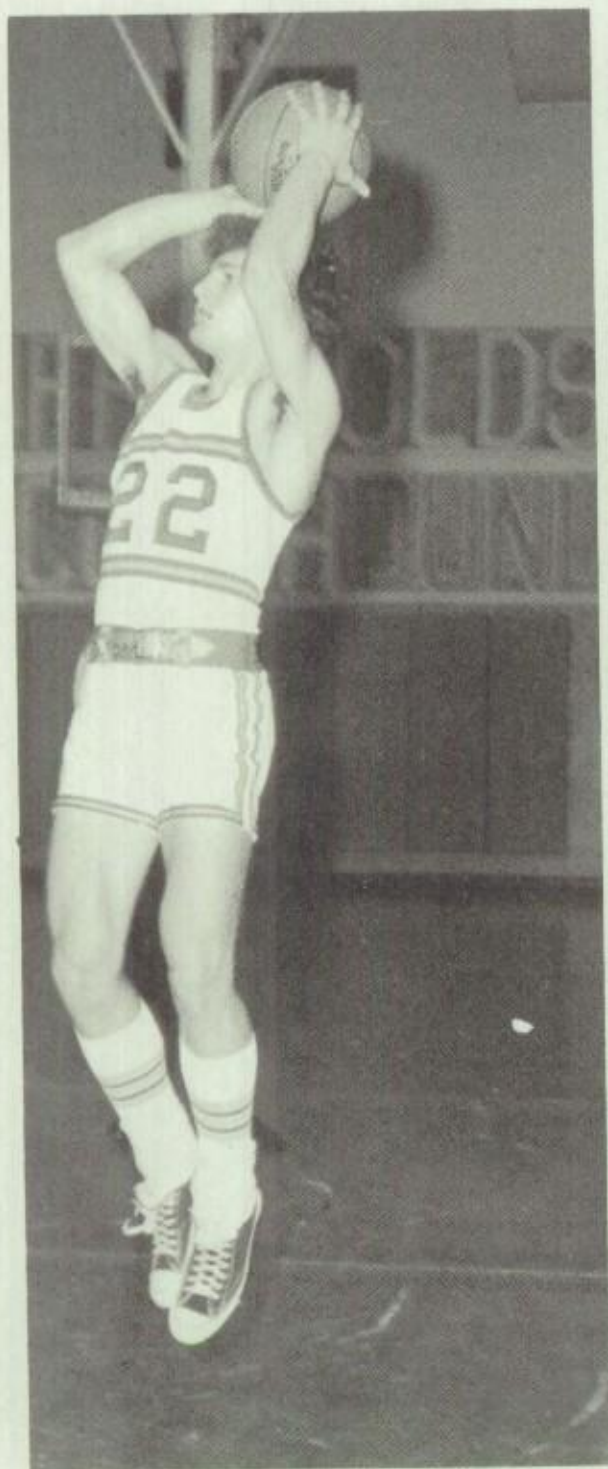

. . . try a rockin', a stomp and shout;  
 when your feet just can't keep still.  
 I never knew me a better time and I guess I never will . . .  
 When Crocodile Rockin' was outa sight!!!

*Elton John*

Once there was fire in our  
 lives,  
 so many sparks that used to  
 fly.  
 The thrill is gone;  
 there's no desire  
 We've got to feed the fire.

We've got to get it on again,  
 Work it out together.  
 We've got to make a try  
 In our act together.

*The Addrisi Brothers*

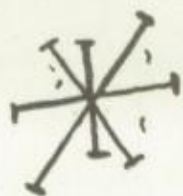

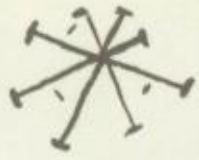

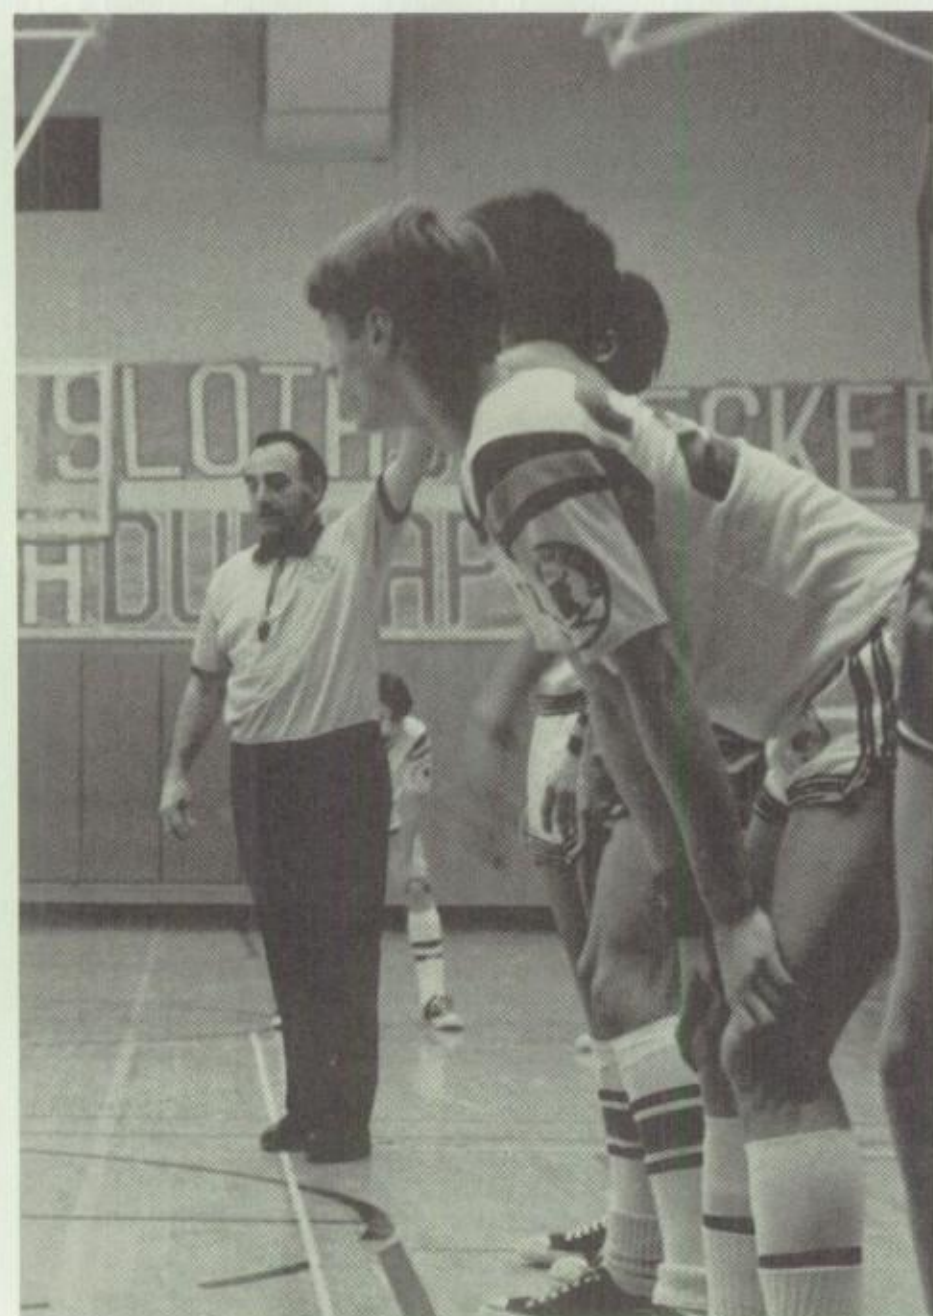

Everything is beautiful  
In its own way . . .  
. . . like a snow covered winter's  
day

*Ray Stevens*

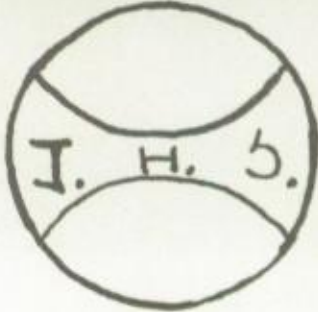

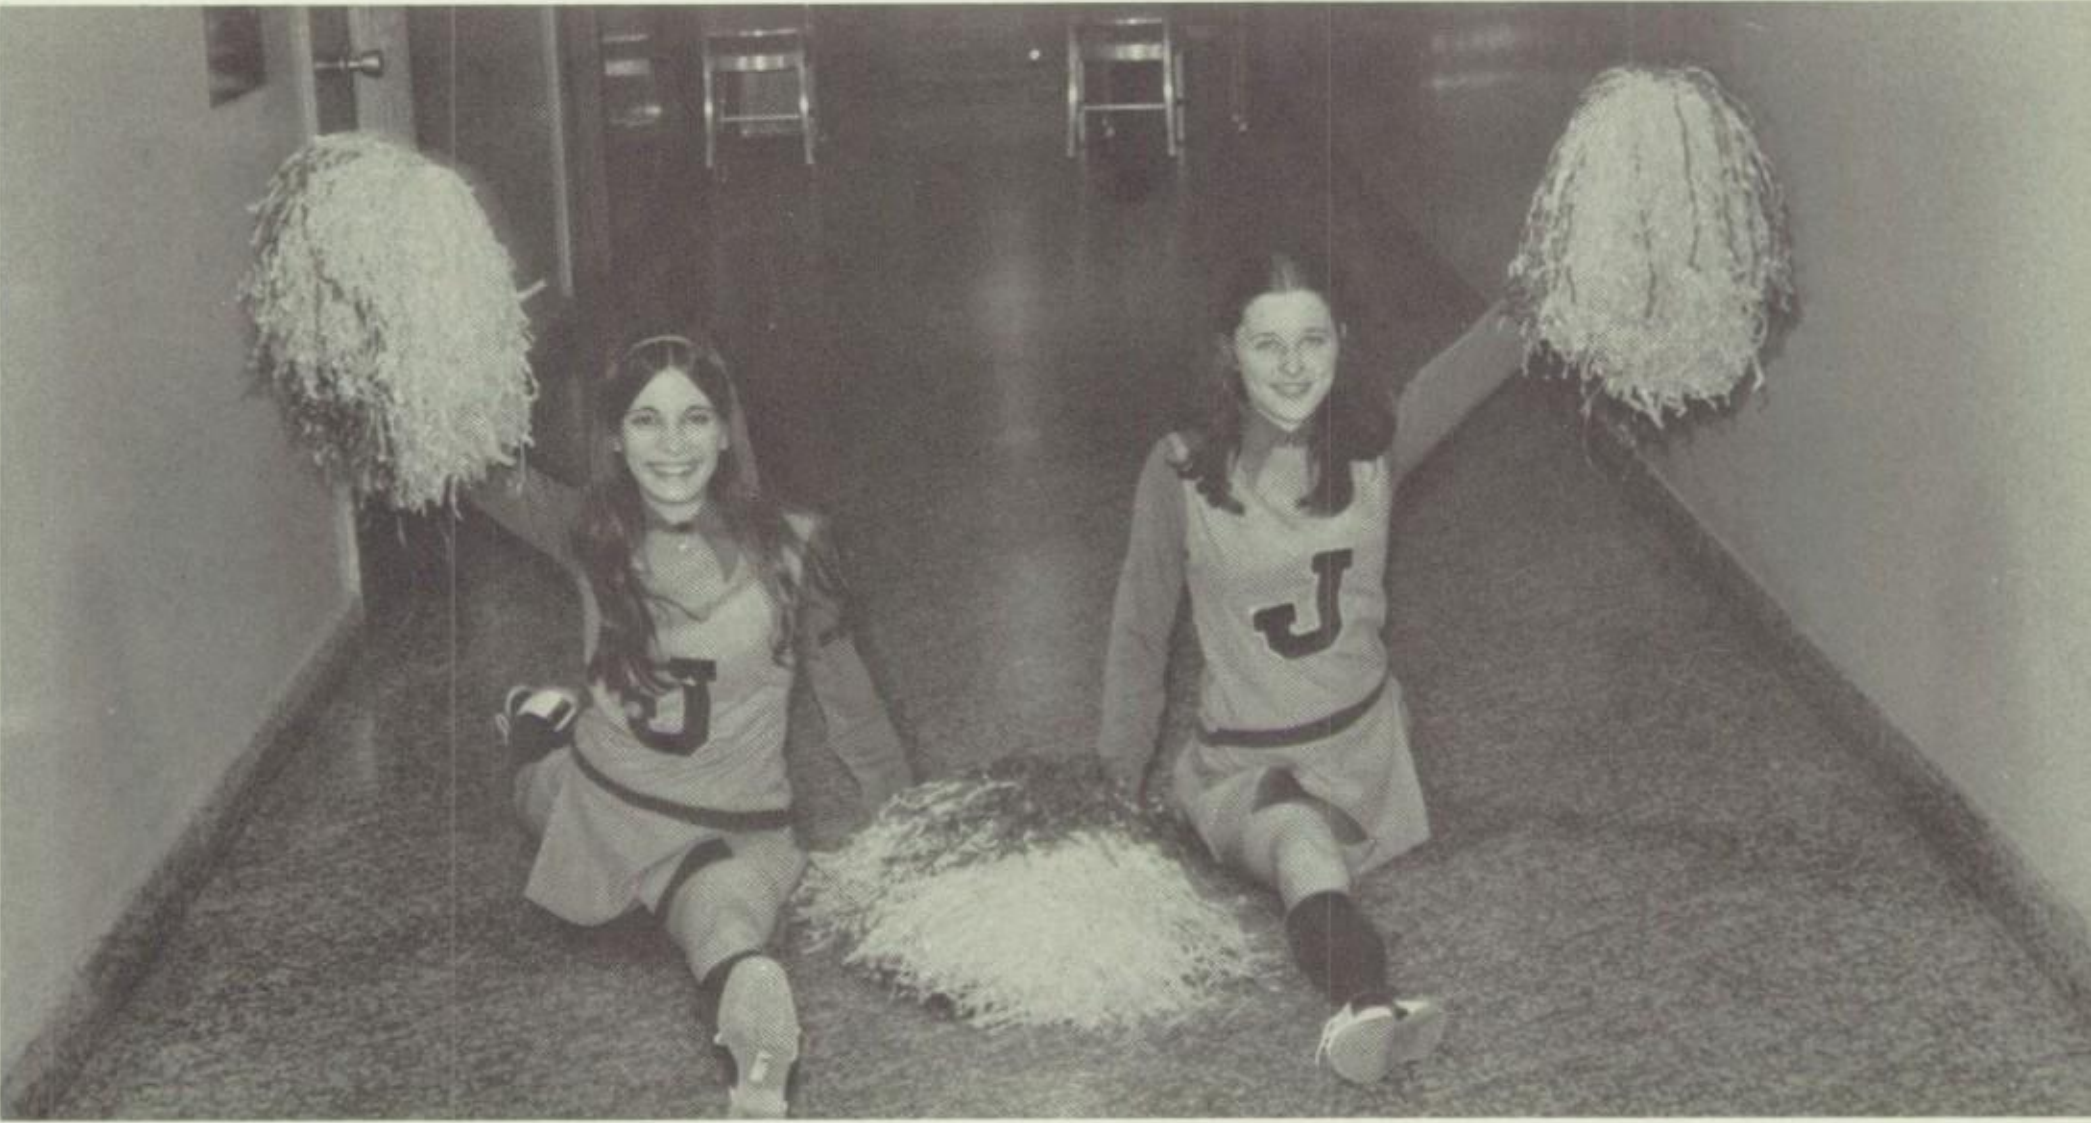

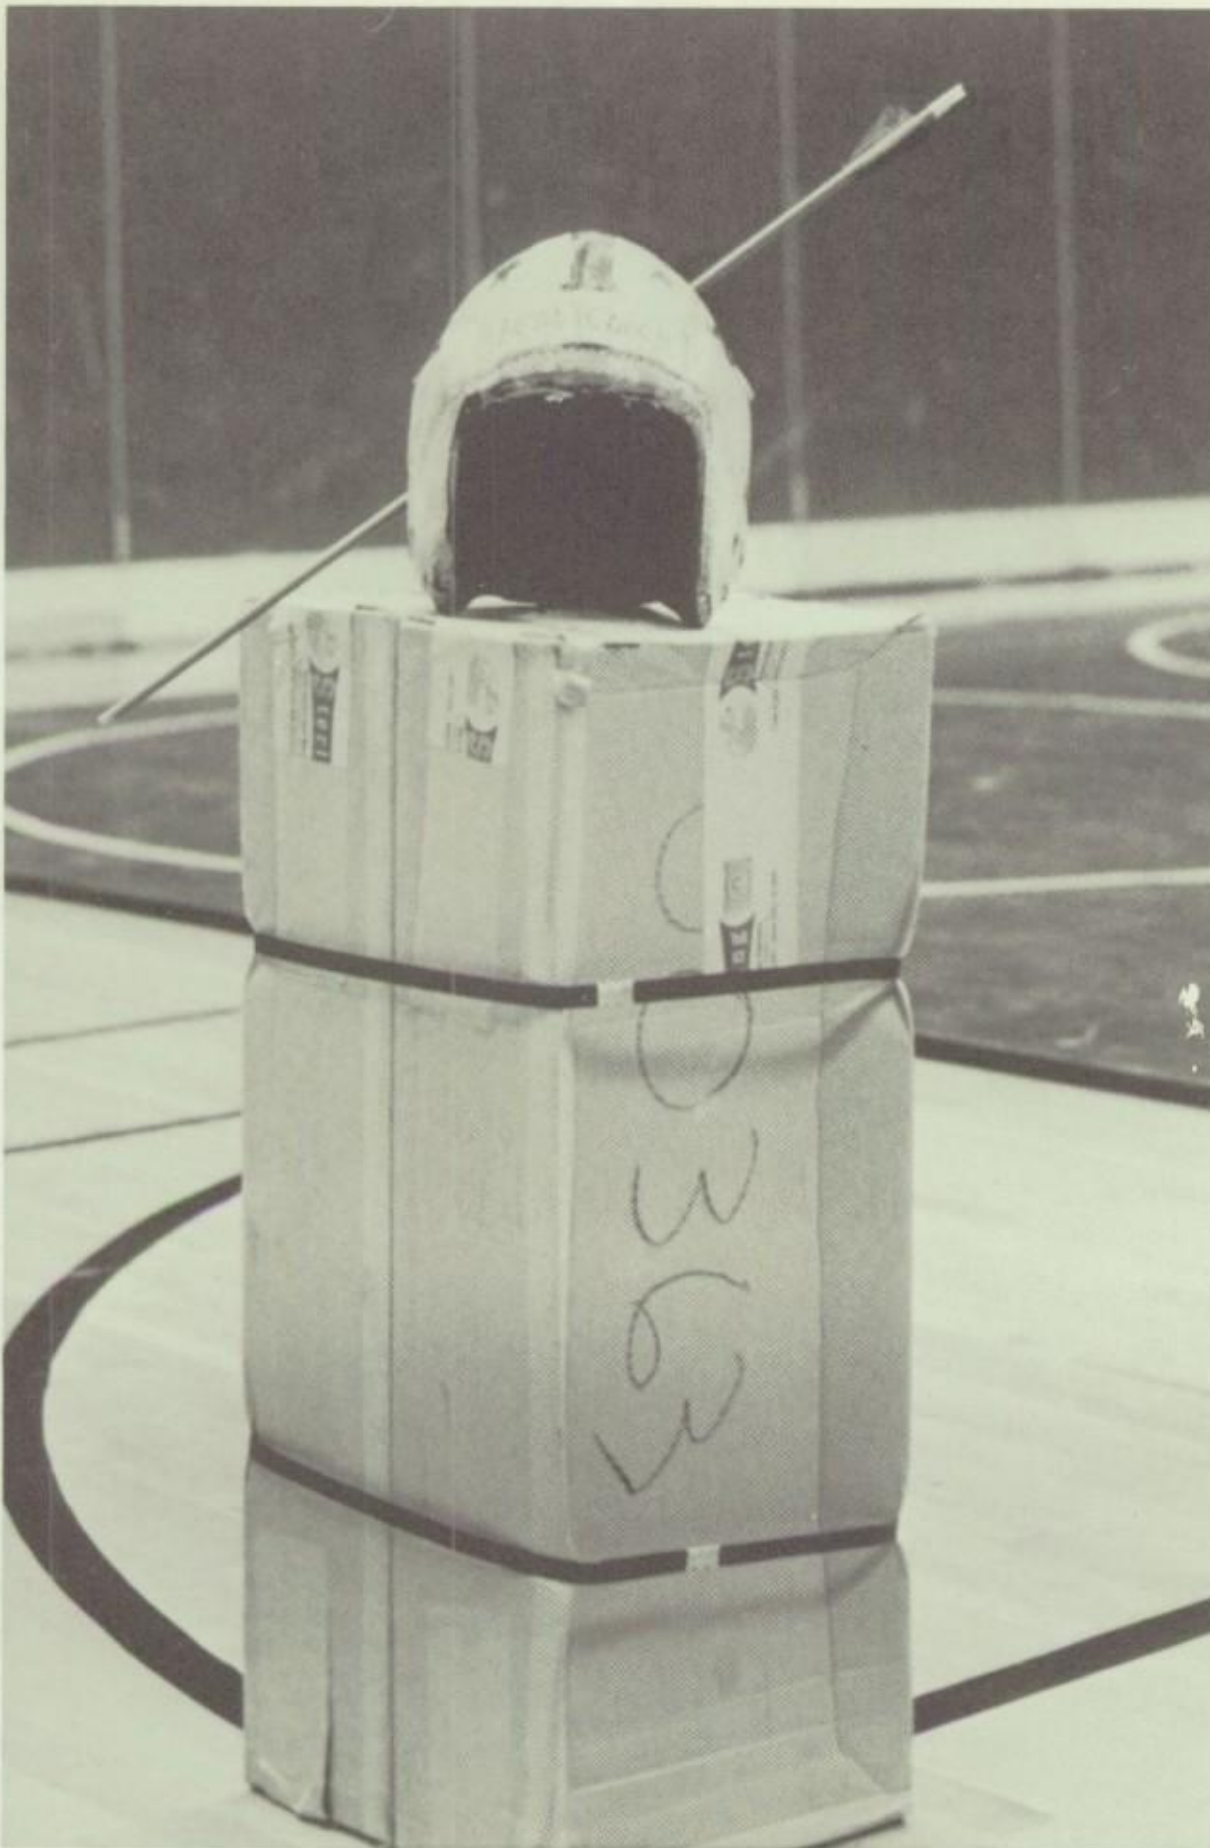

Through early morning fog I see  
Visions of the things to be  
The pains that are withheld for me . . .

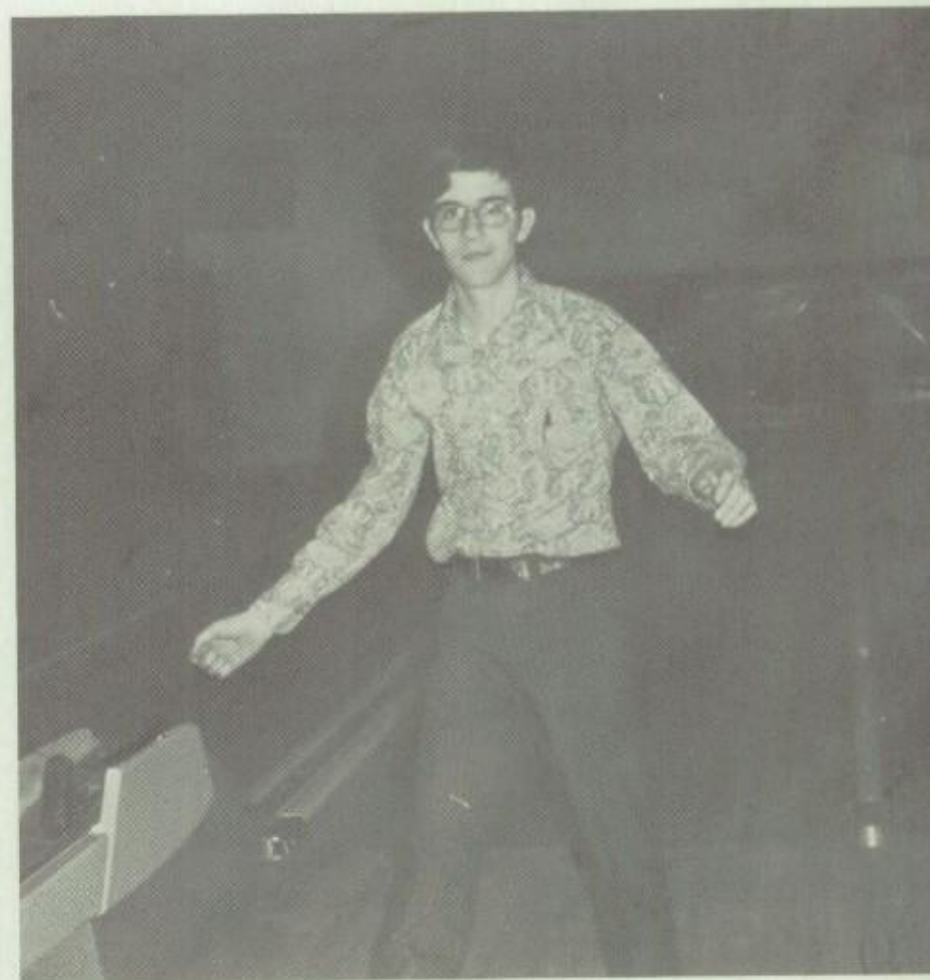

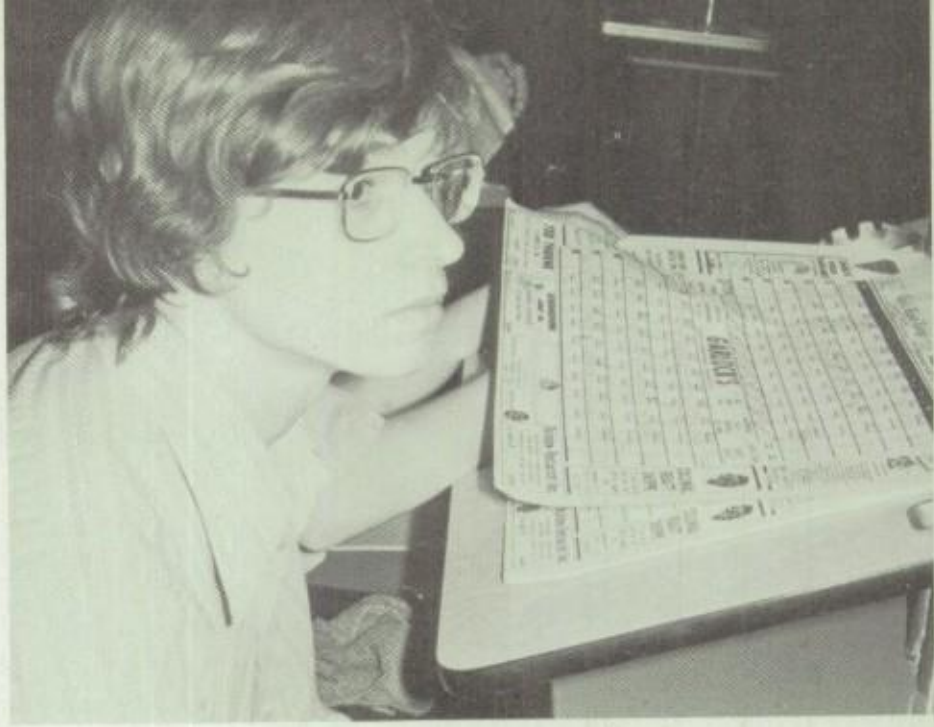

The game of life is hard to  
play,  
Going to lose it anyway,  
The losing card of someday  
lane  
So this is all I have to say:  
That suicide is painless,  
It brings on many changes,  
And I can take or leave it  
if I please.

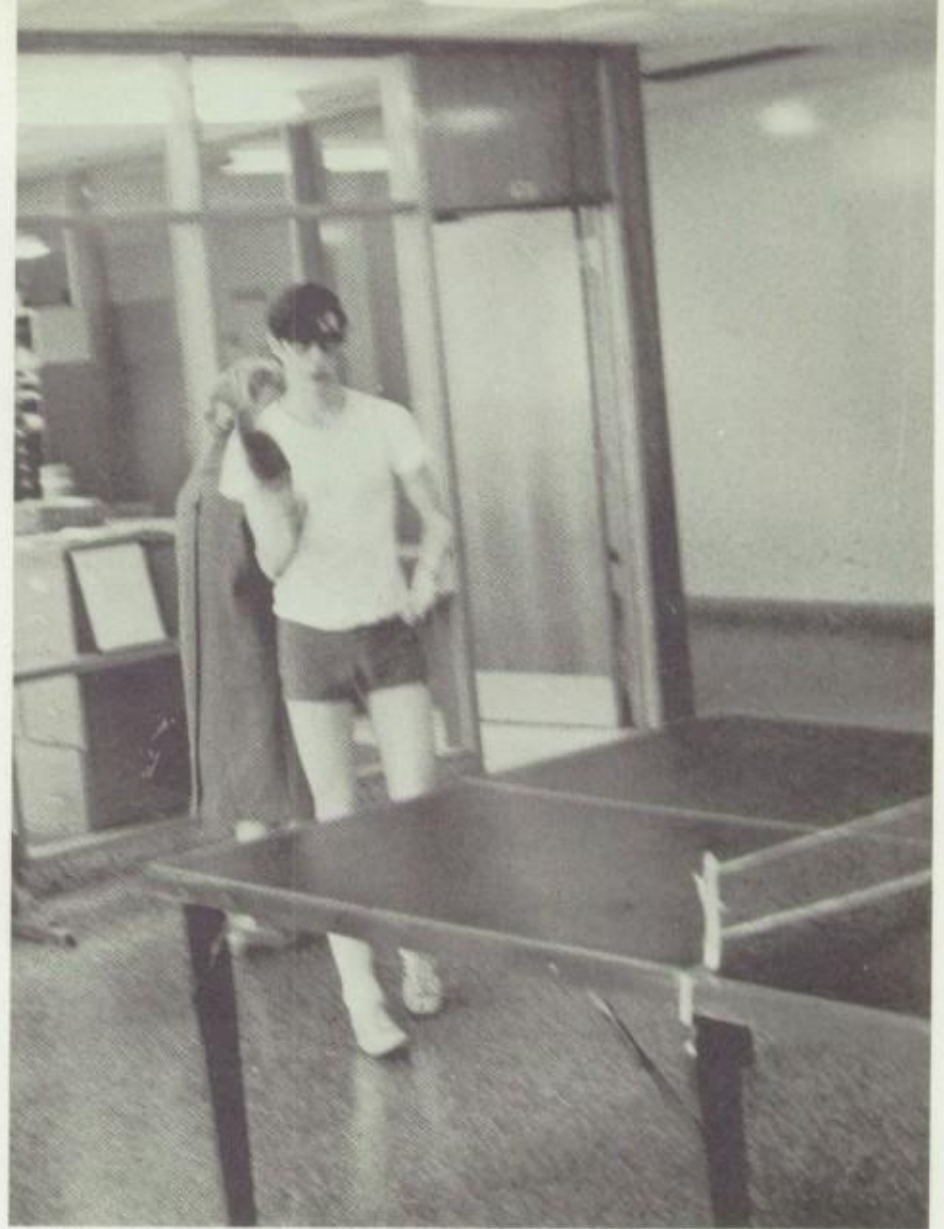

*M\*A\*S\*H*

O -

Boing!

. . . and they're still waiting for him to come down.

from *Why Man Creates*

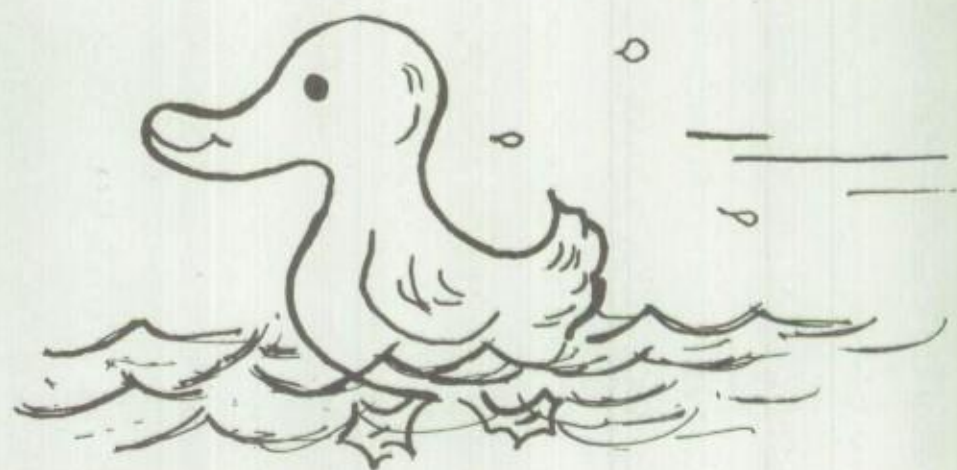

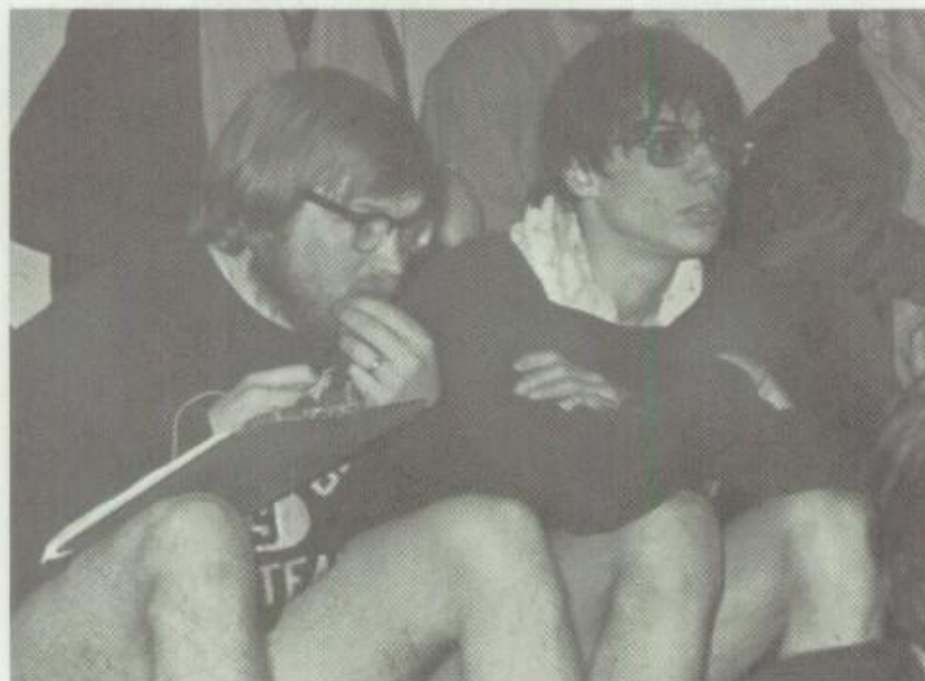

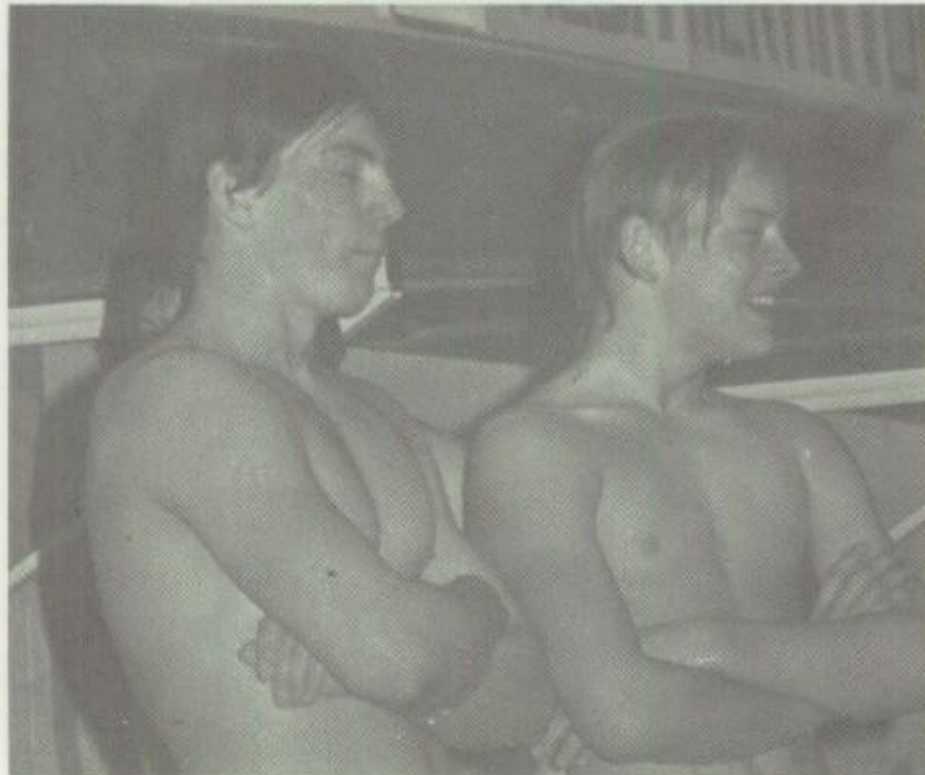

Get up in the mornin' get on the bus,  
Get up in the mornin' like the rest of  
us.

Places to go important people to meet,  
Better not get up or you might lose  
your seat bus rider.

*The Guess Who*

. . . And seem to walk on wings  
and tread in air.

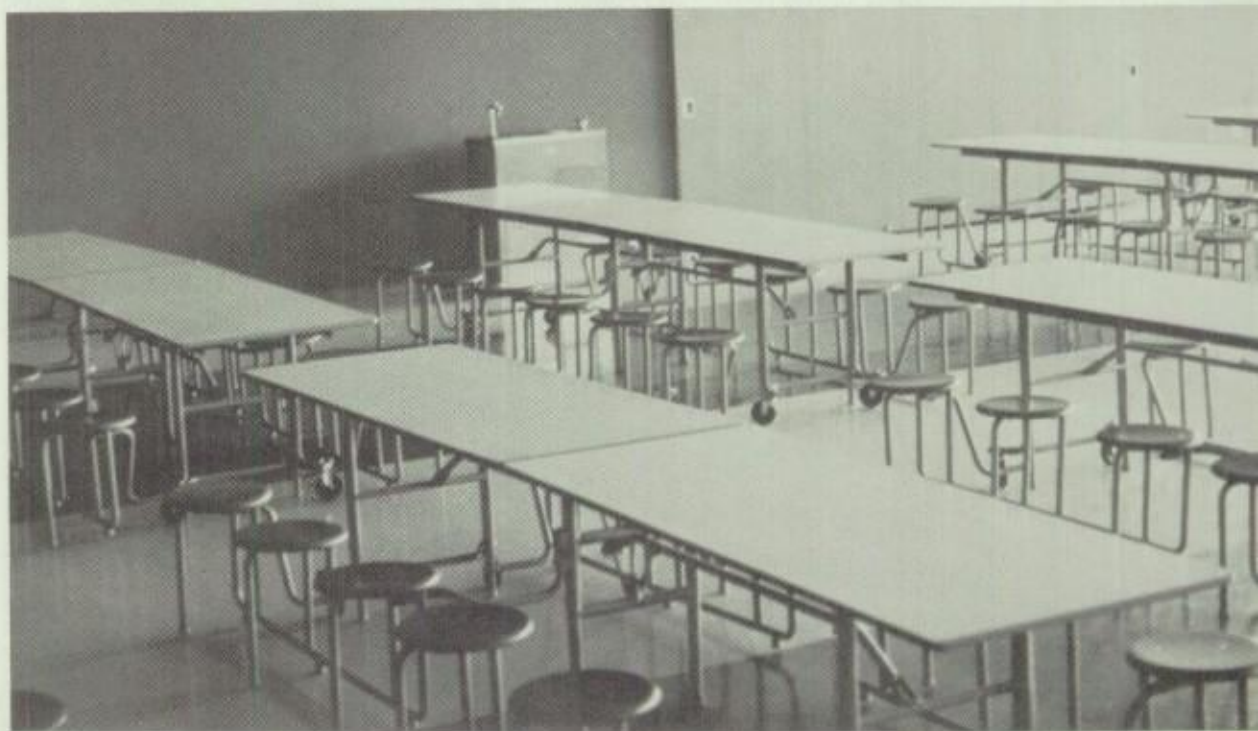

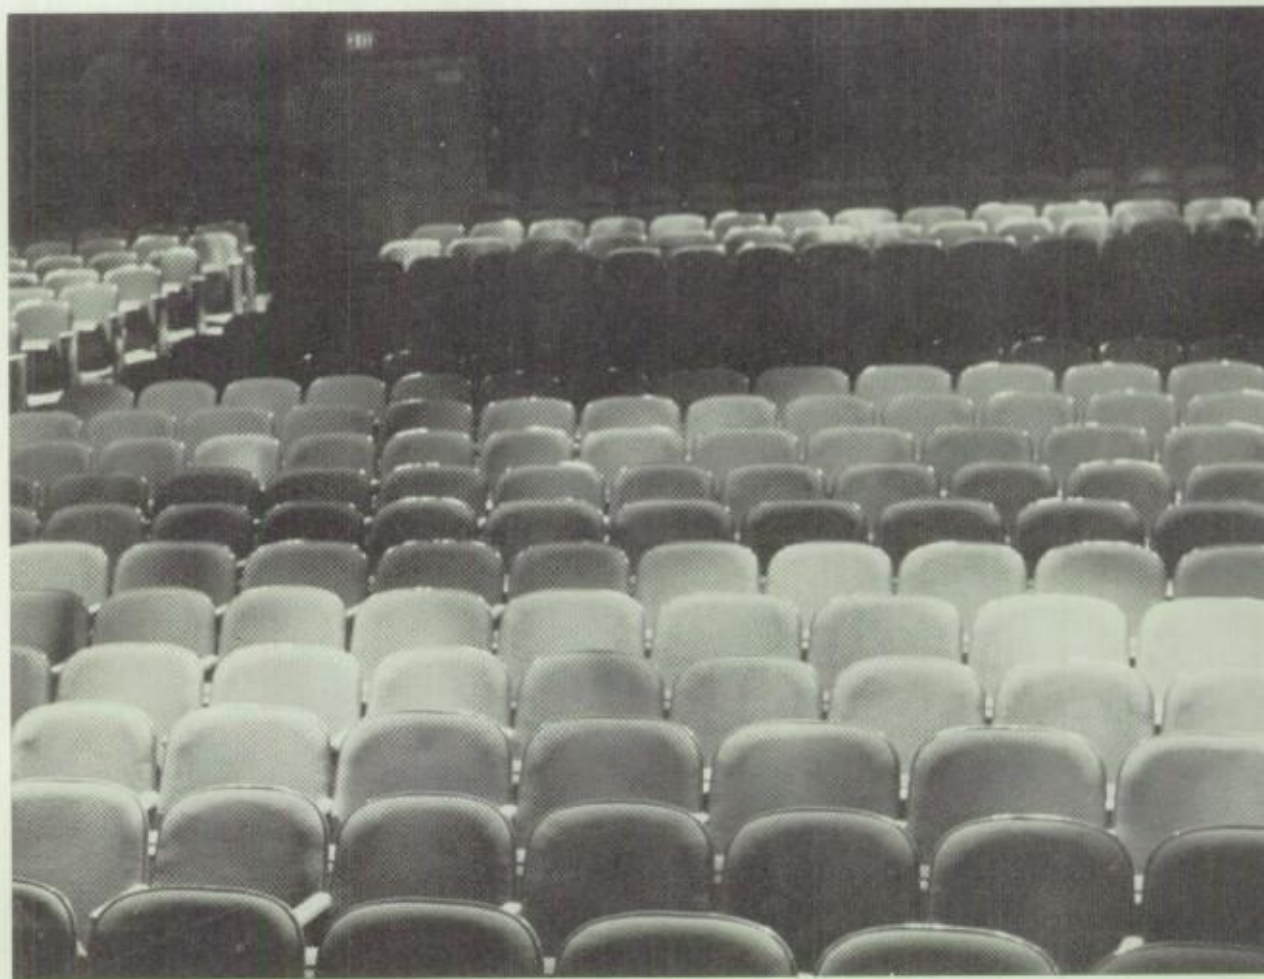

*Alexander Pope*

I am I said  
To no one there  
And no one heard at all  
Not even the chair . . .

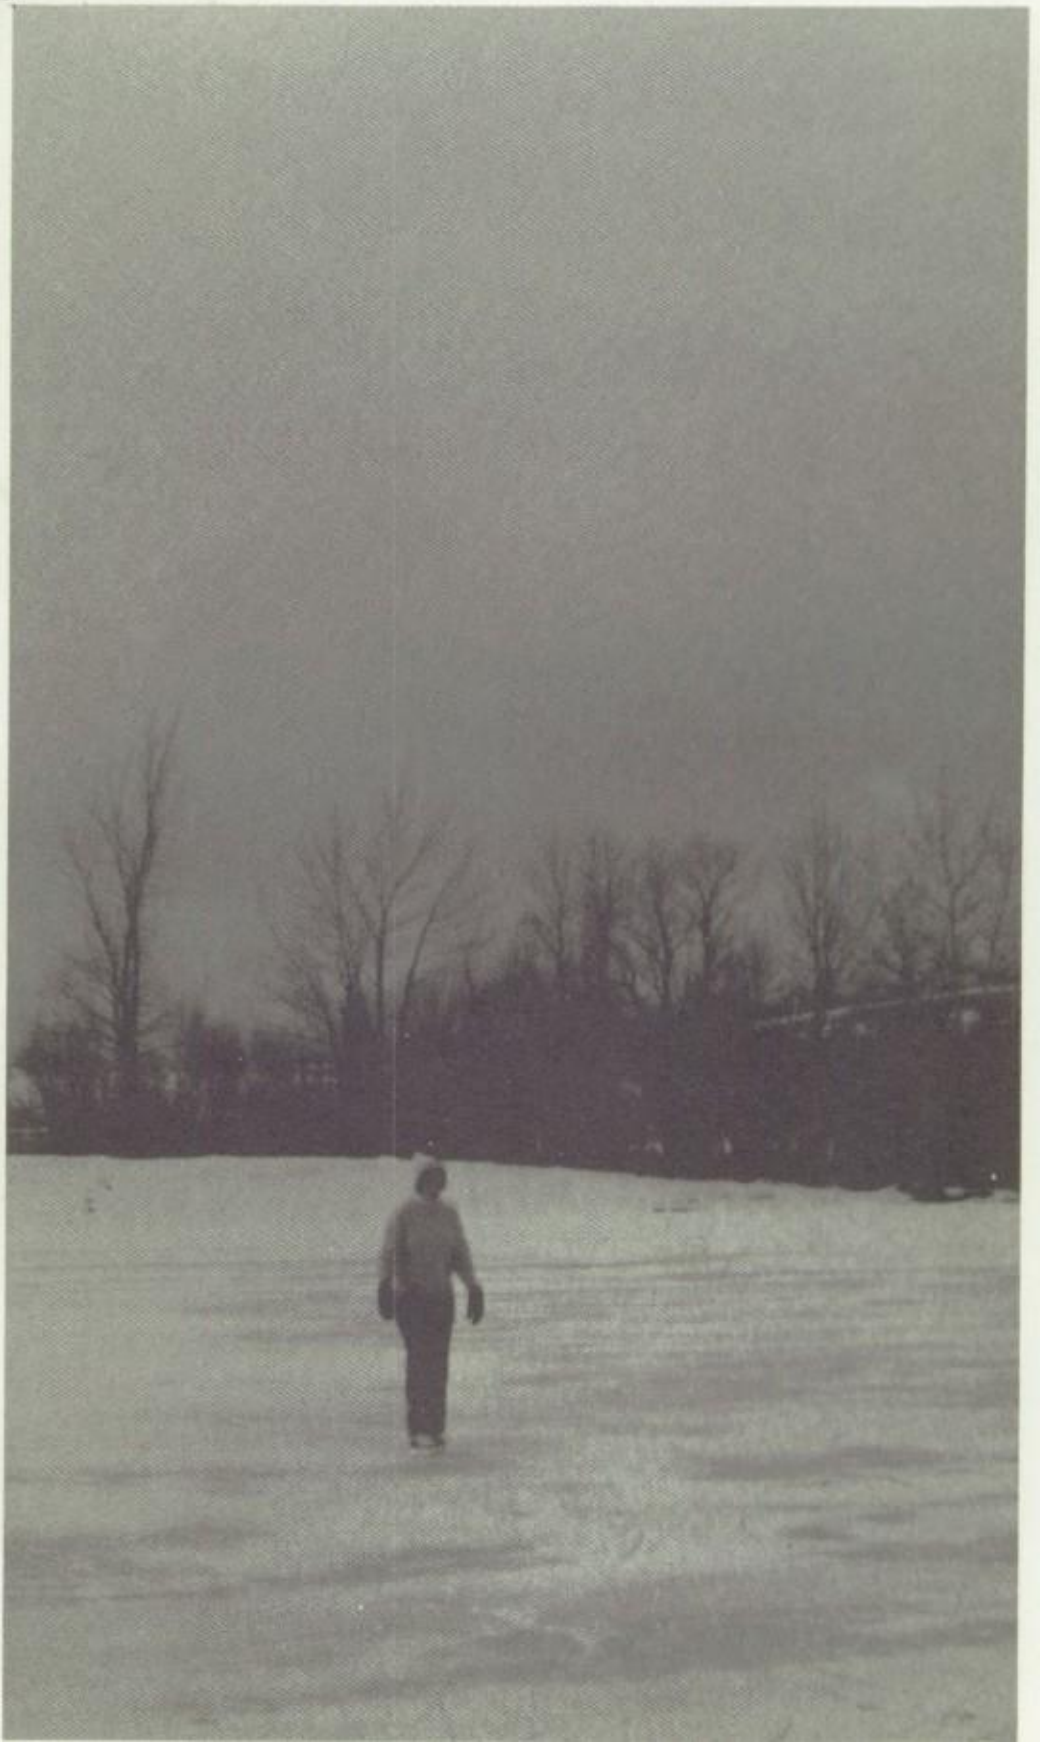

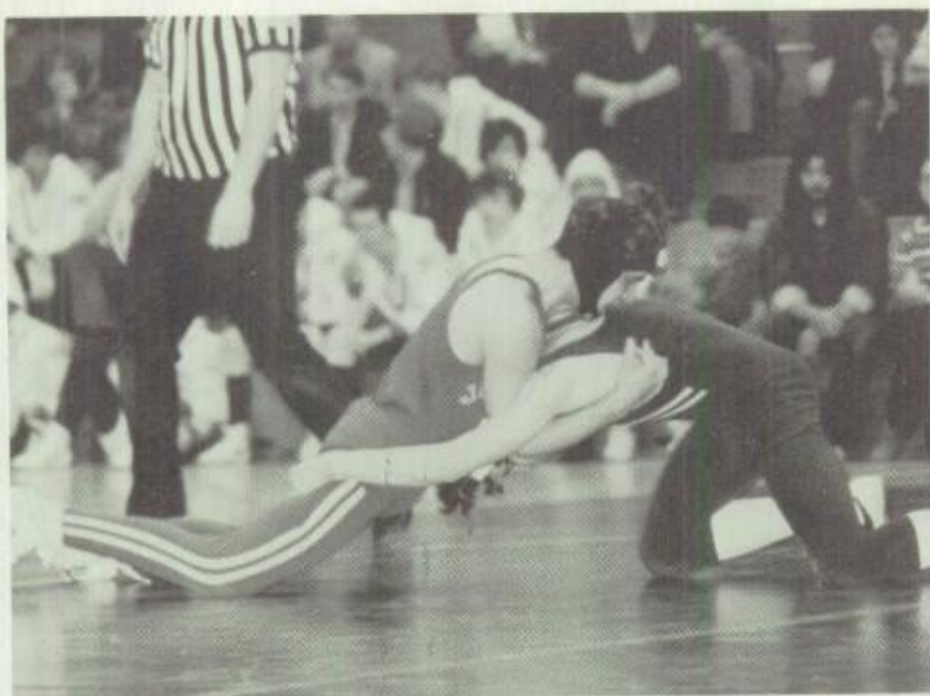

I am I cried  
I am said I  
And I am lost and I can't even say why  
Leavin' me lonely still

*Neil Diamond*

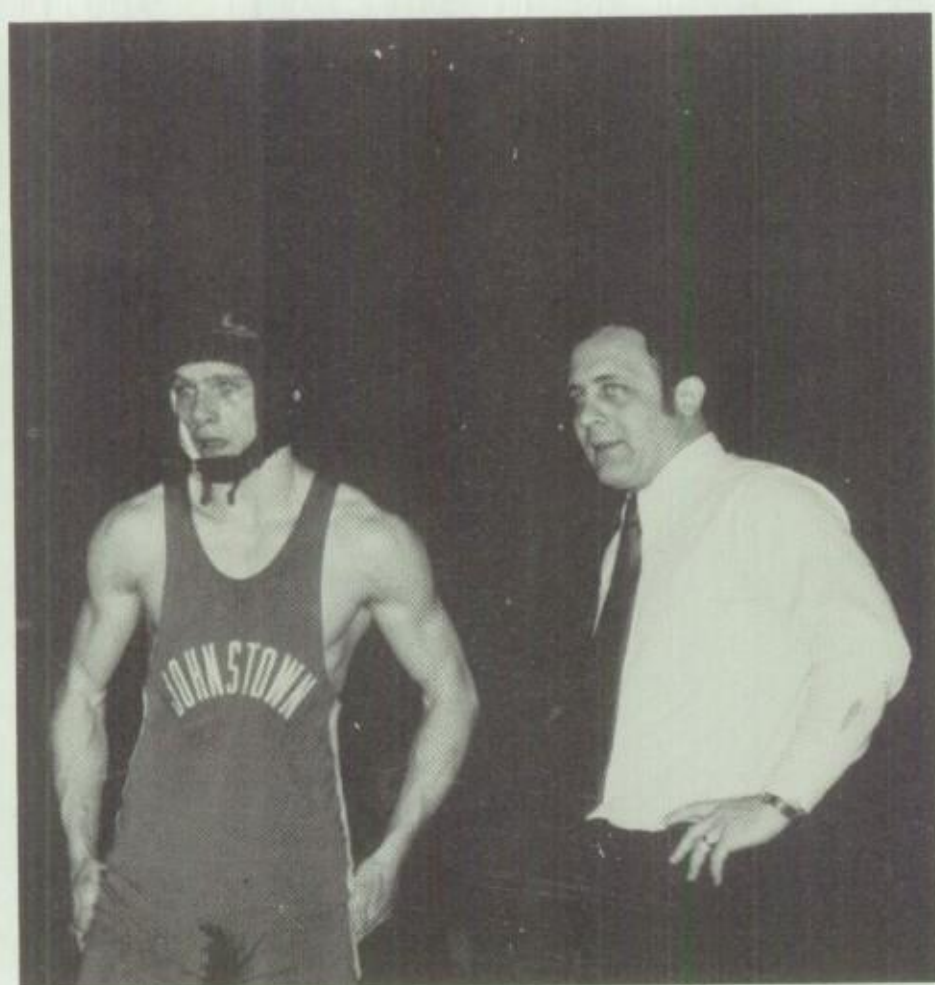

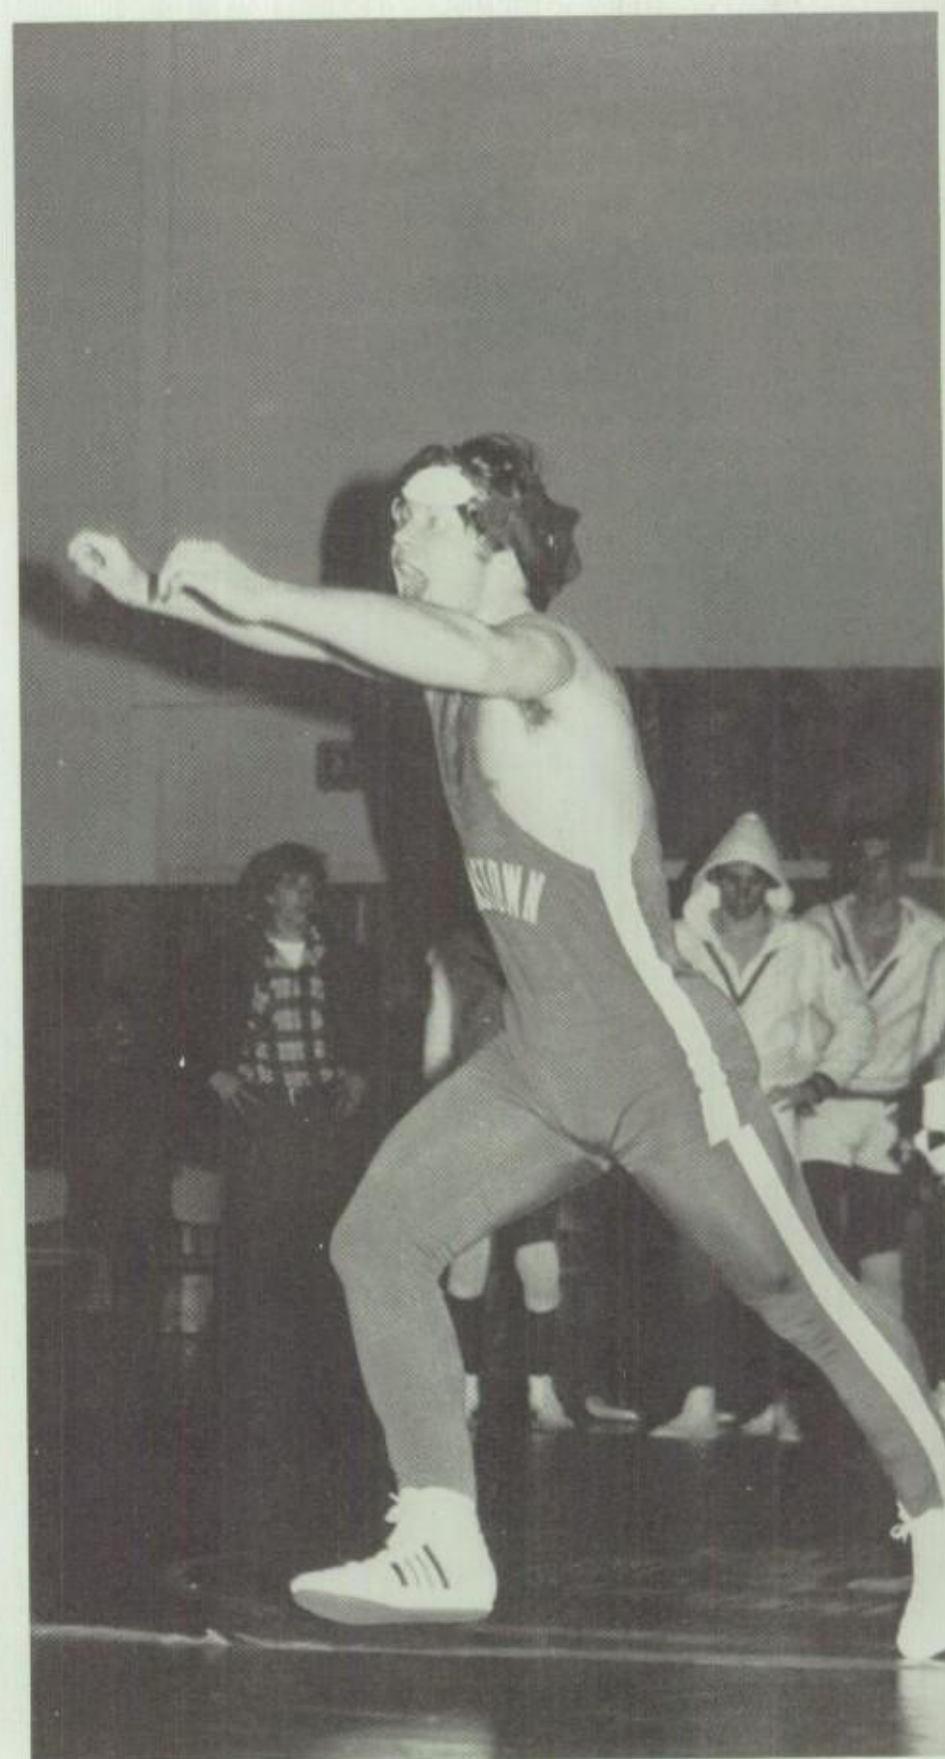

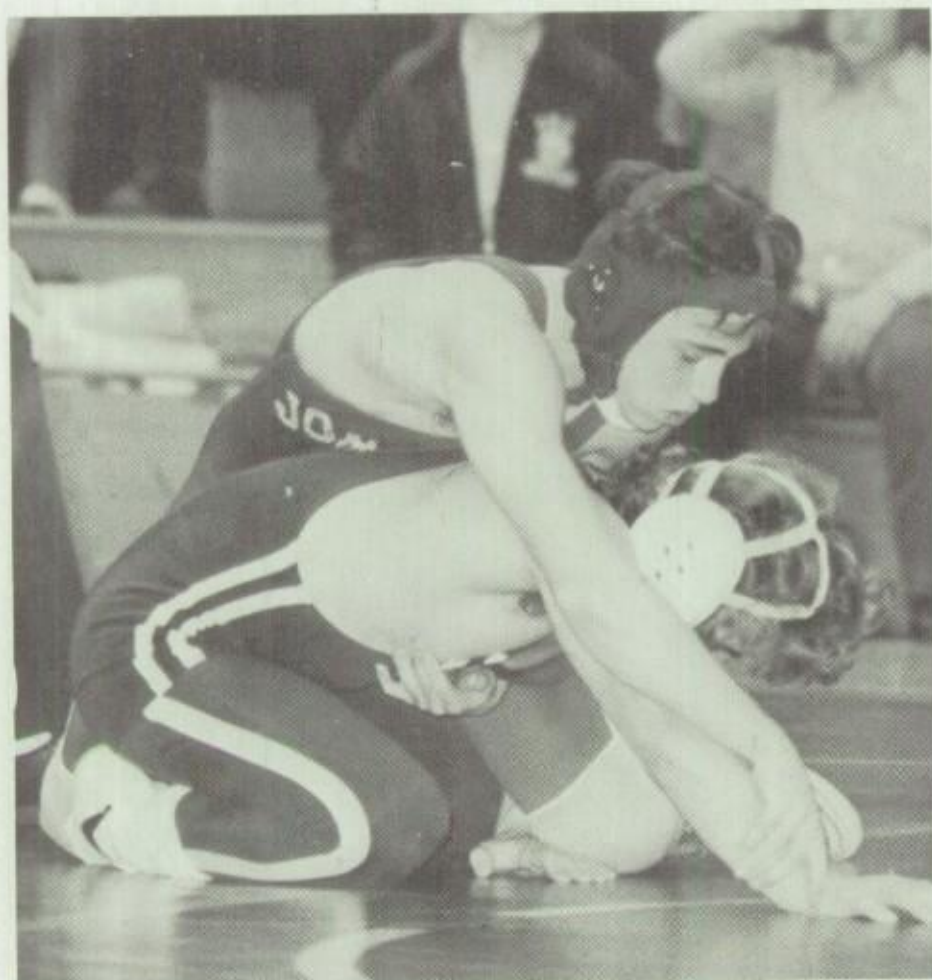

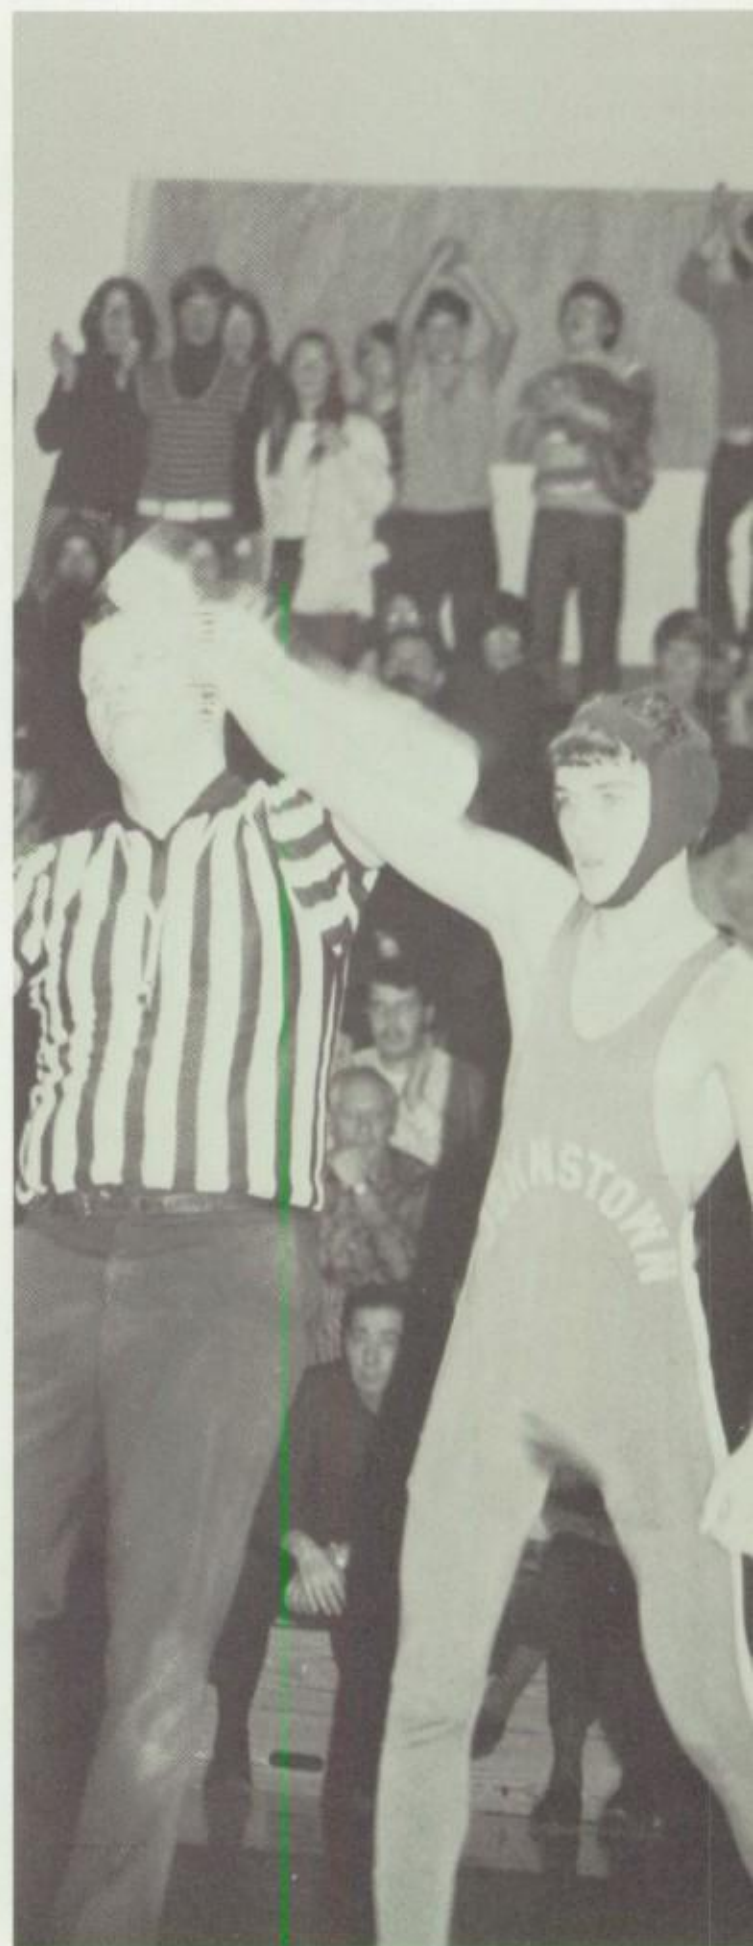

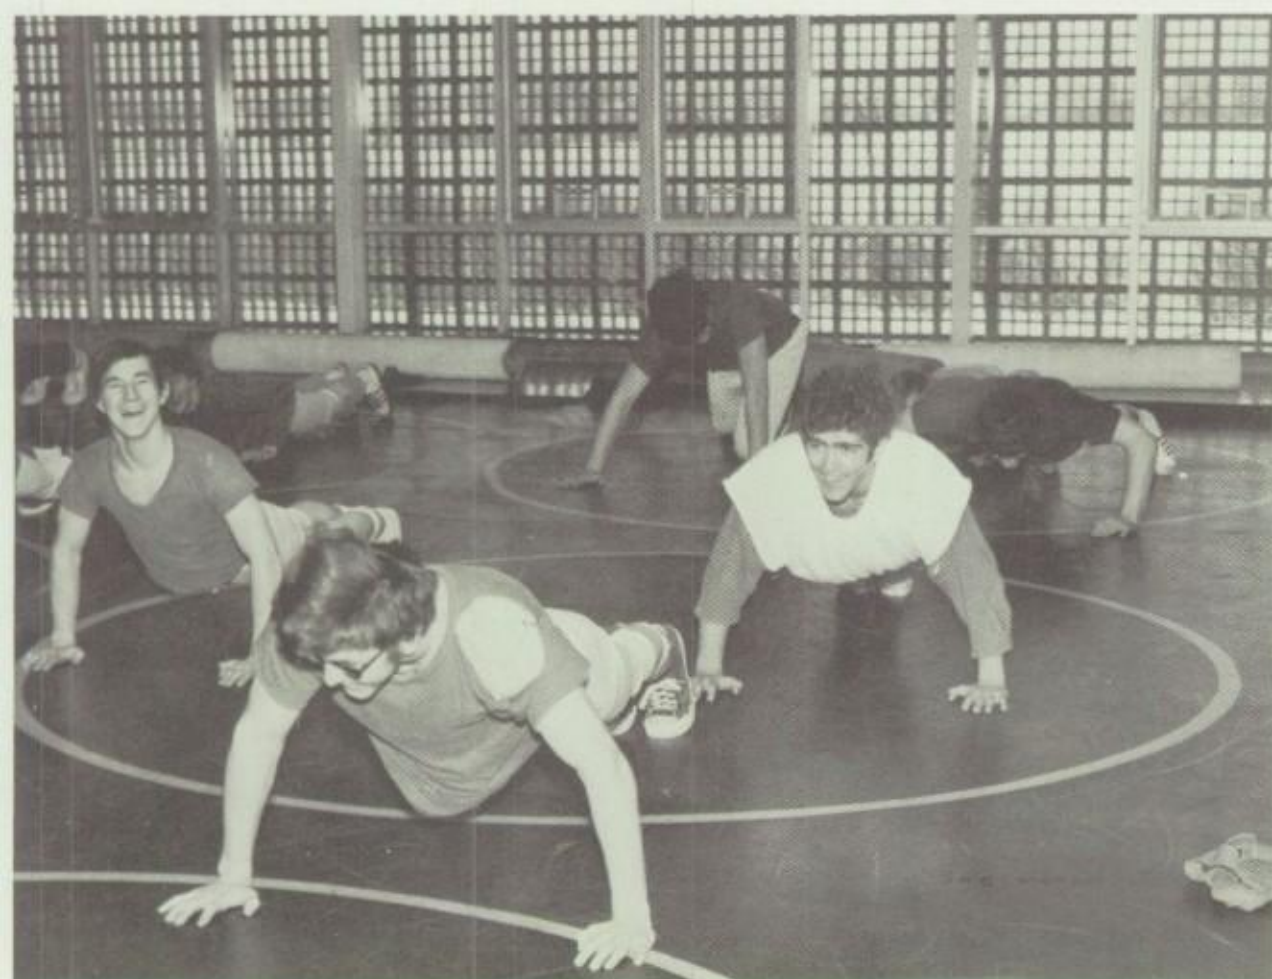

Now I'll lie down and bleed  
awhile,  
Then I'll rise and fight again.

*Shakespeare*

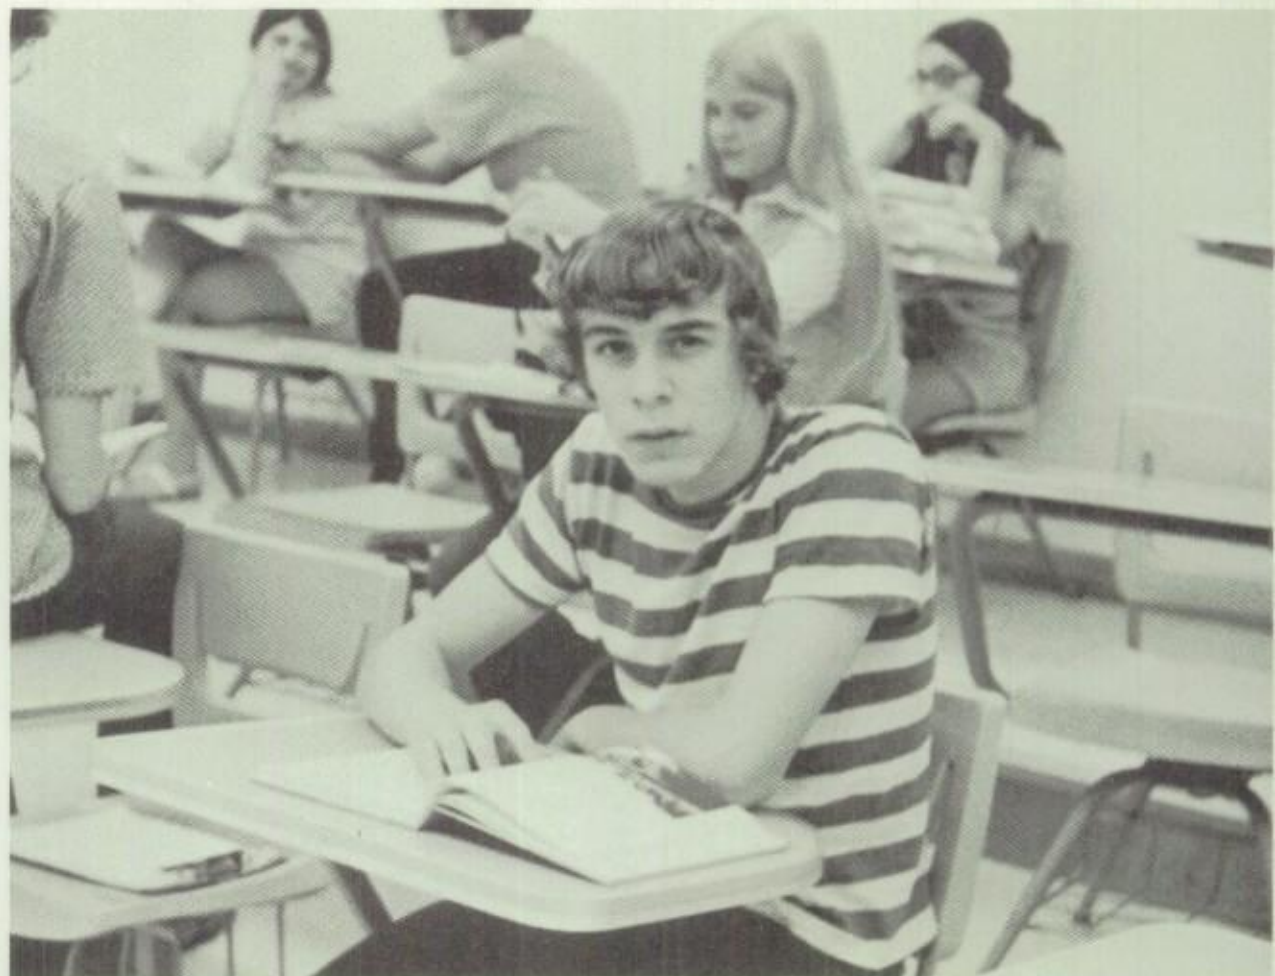

Somewhere not so far from here . . .

I feel the power growing in my hair . . .

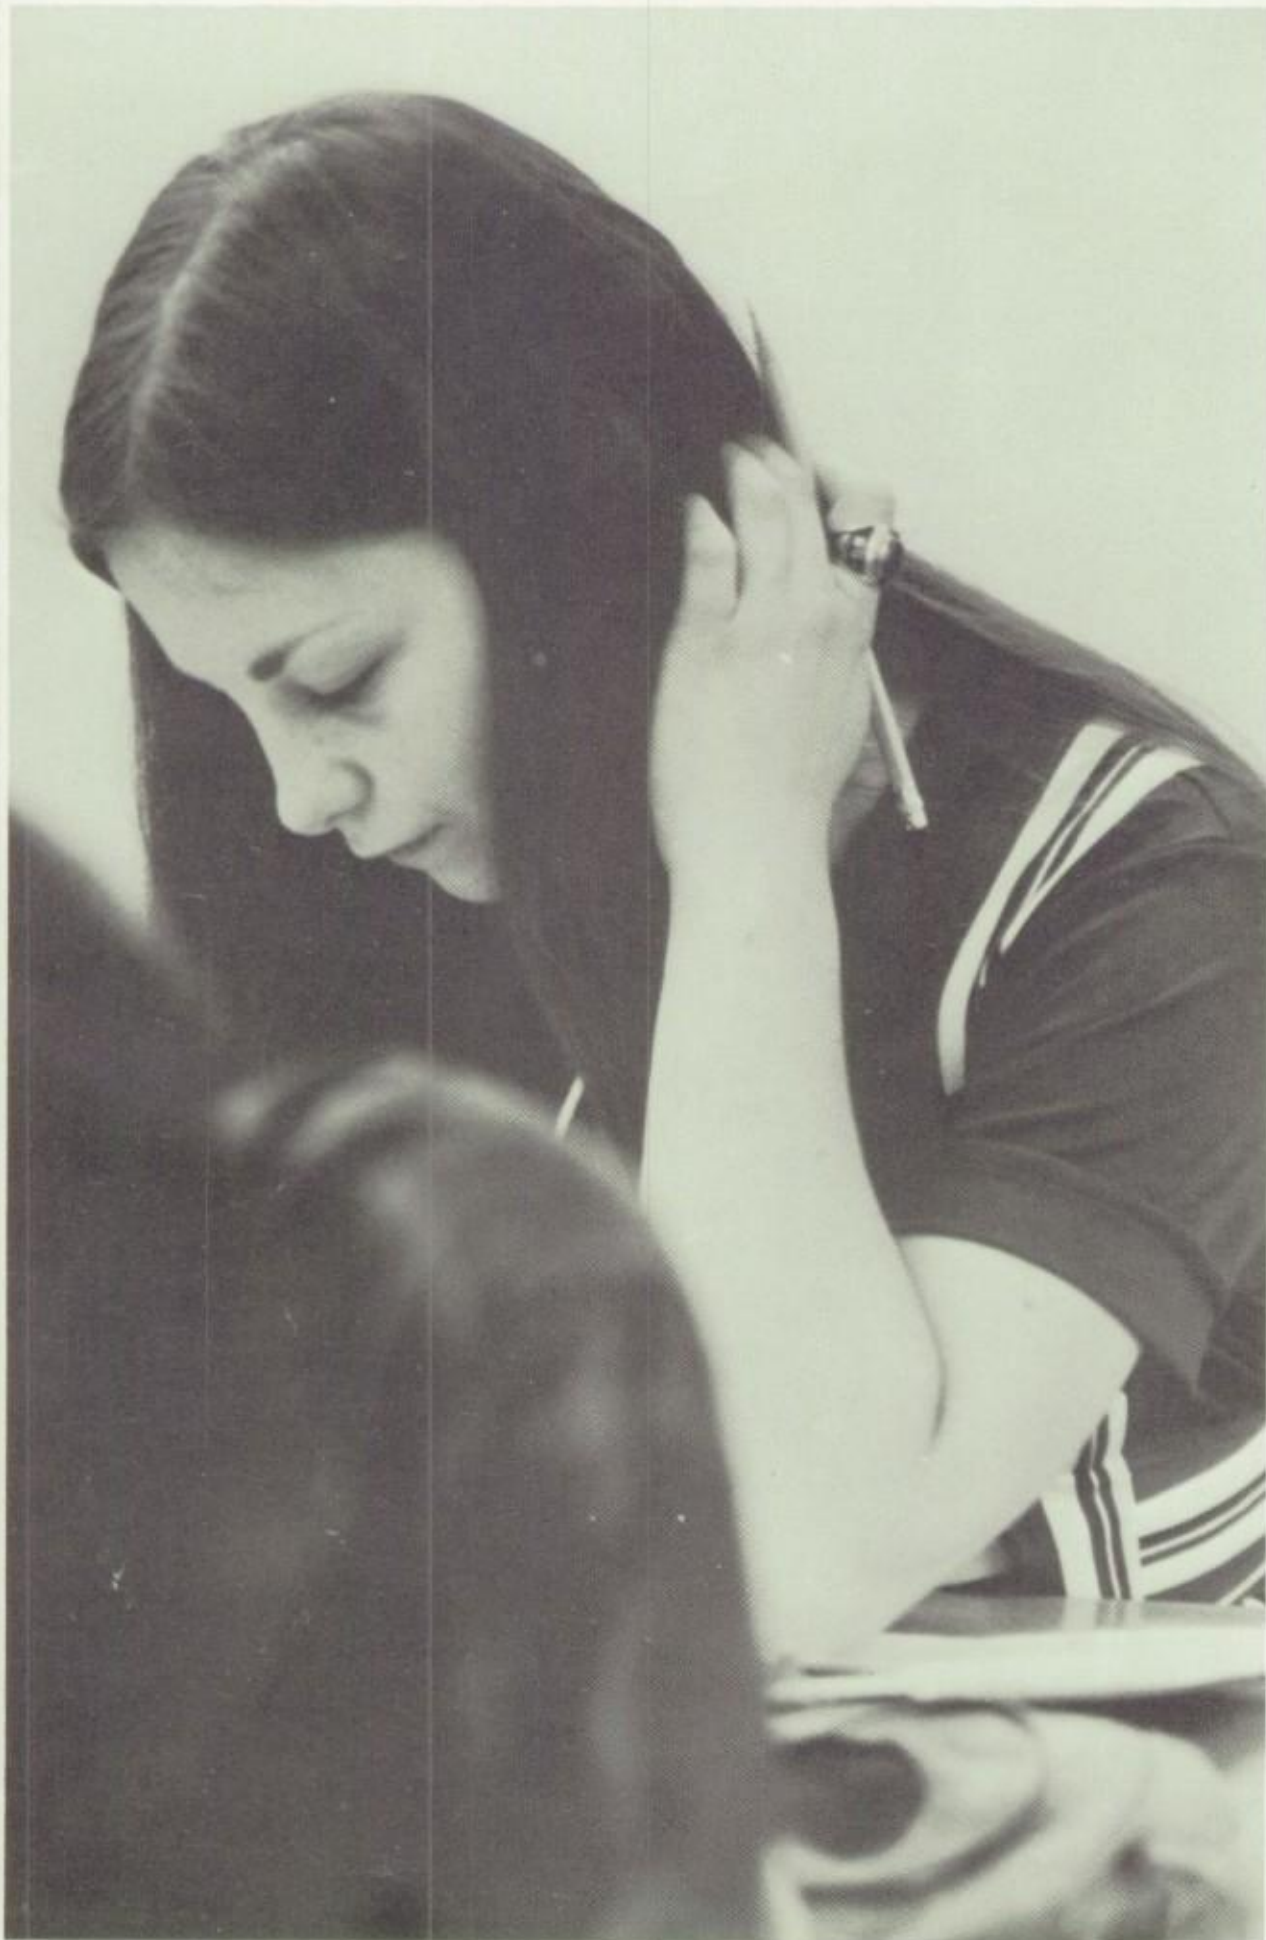

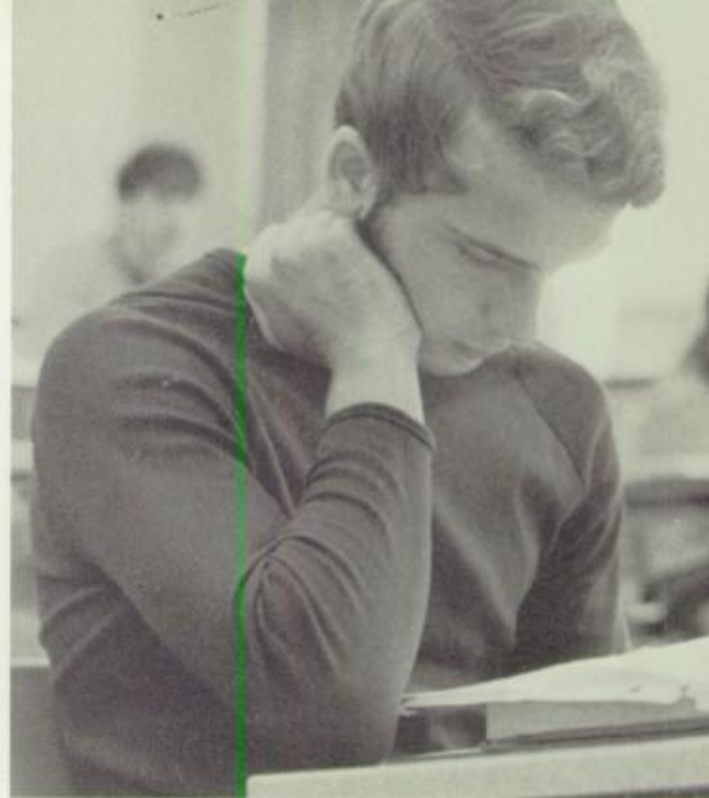

Sitting on my own, not by myself  
Everybody's here with me . . .

I don't need to touch your face  
to know  
And I don't need to use my eyes  
to see . . .

I keep on wondering if I sleep too long,  
Will I always wake up the same (or so) . . .

I keep on wondering if I  
sleep too long  
Will I even wake up again  
or something . . .

Now I'm on my way I know I am,  
The times there were when I  
thought not . . .

Leaving half my soul in bad  
company,  
thank the moon I had the  
strength to stop . . .

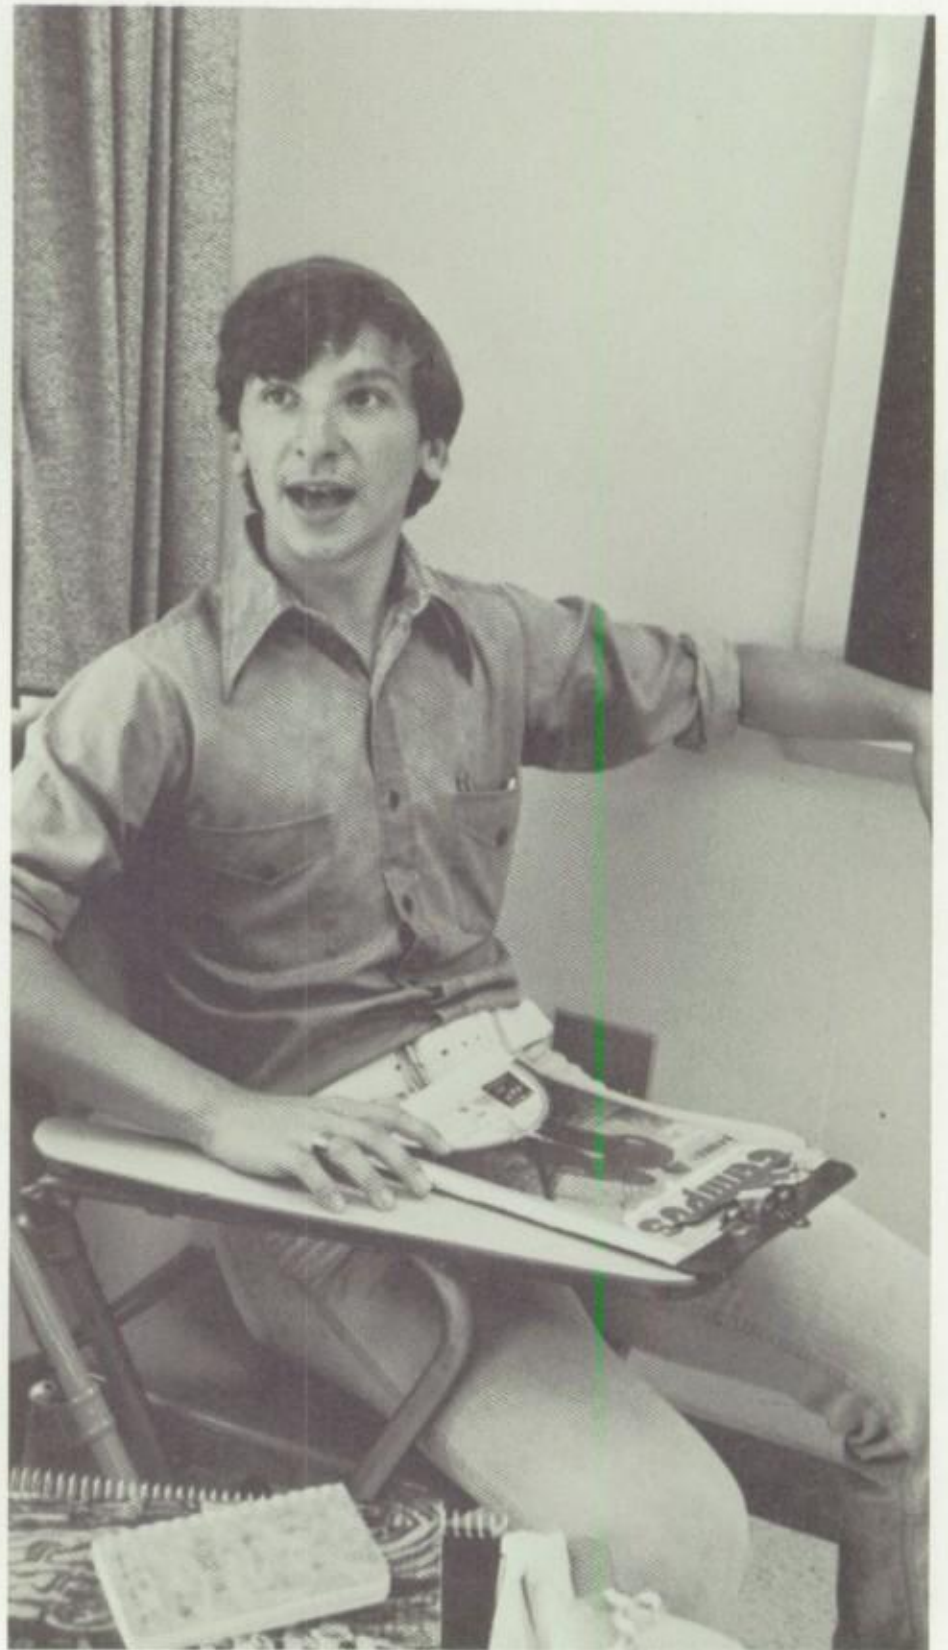

I'm not making love to anyone's wishes,  
Only that light I see . . .

Cause when I'm dead and lowered  
low in my grave,  
That's gonna be the only thing  
that's left of me . . .

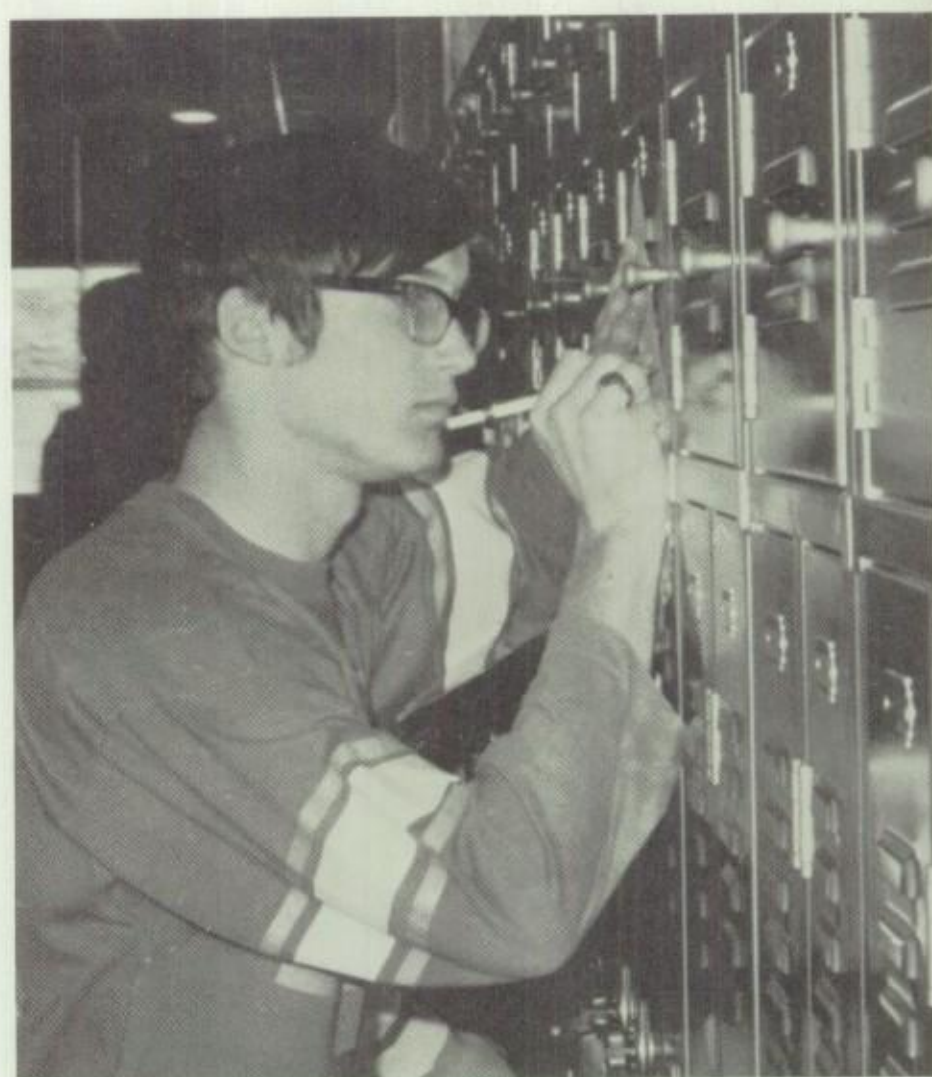

And if I make it to the waterside,  
Will I even find me a boat (or so) . . .

And if I make it to the waterside,  
I'll be sure to write you a note or  
something . . .

Life is like a maze of doors  
And they all open from the side  
you're on . . .

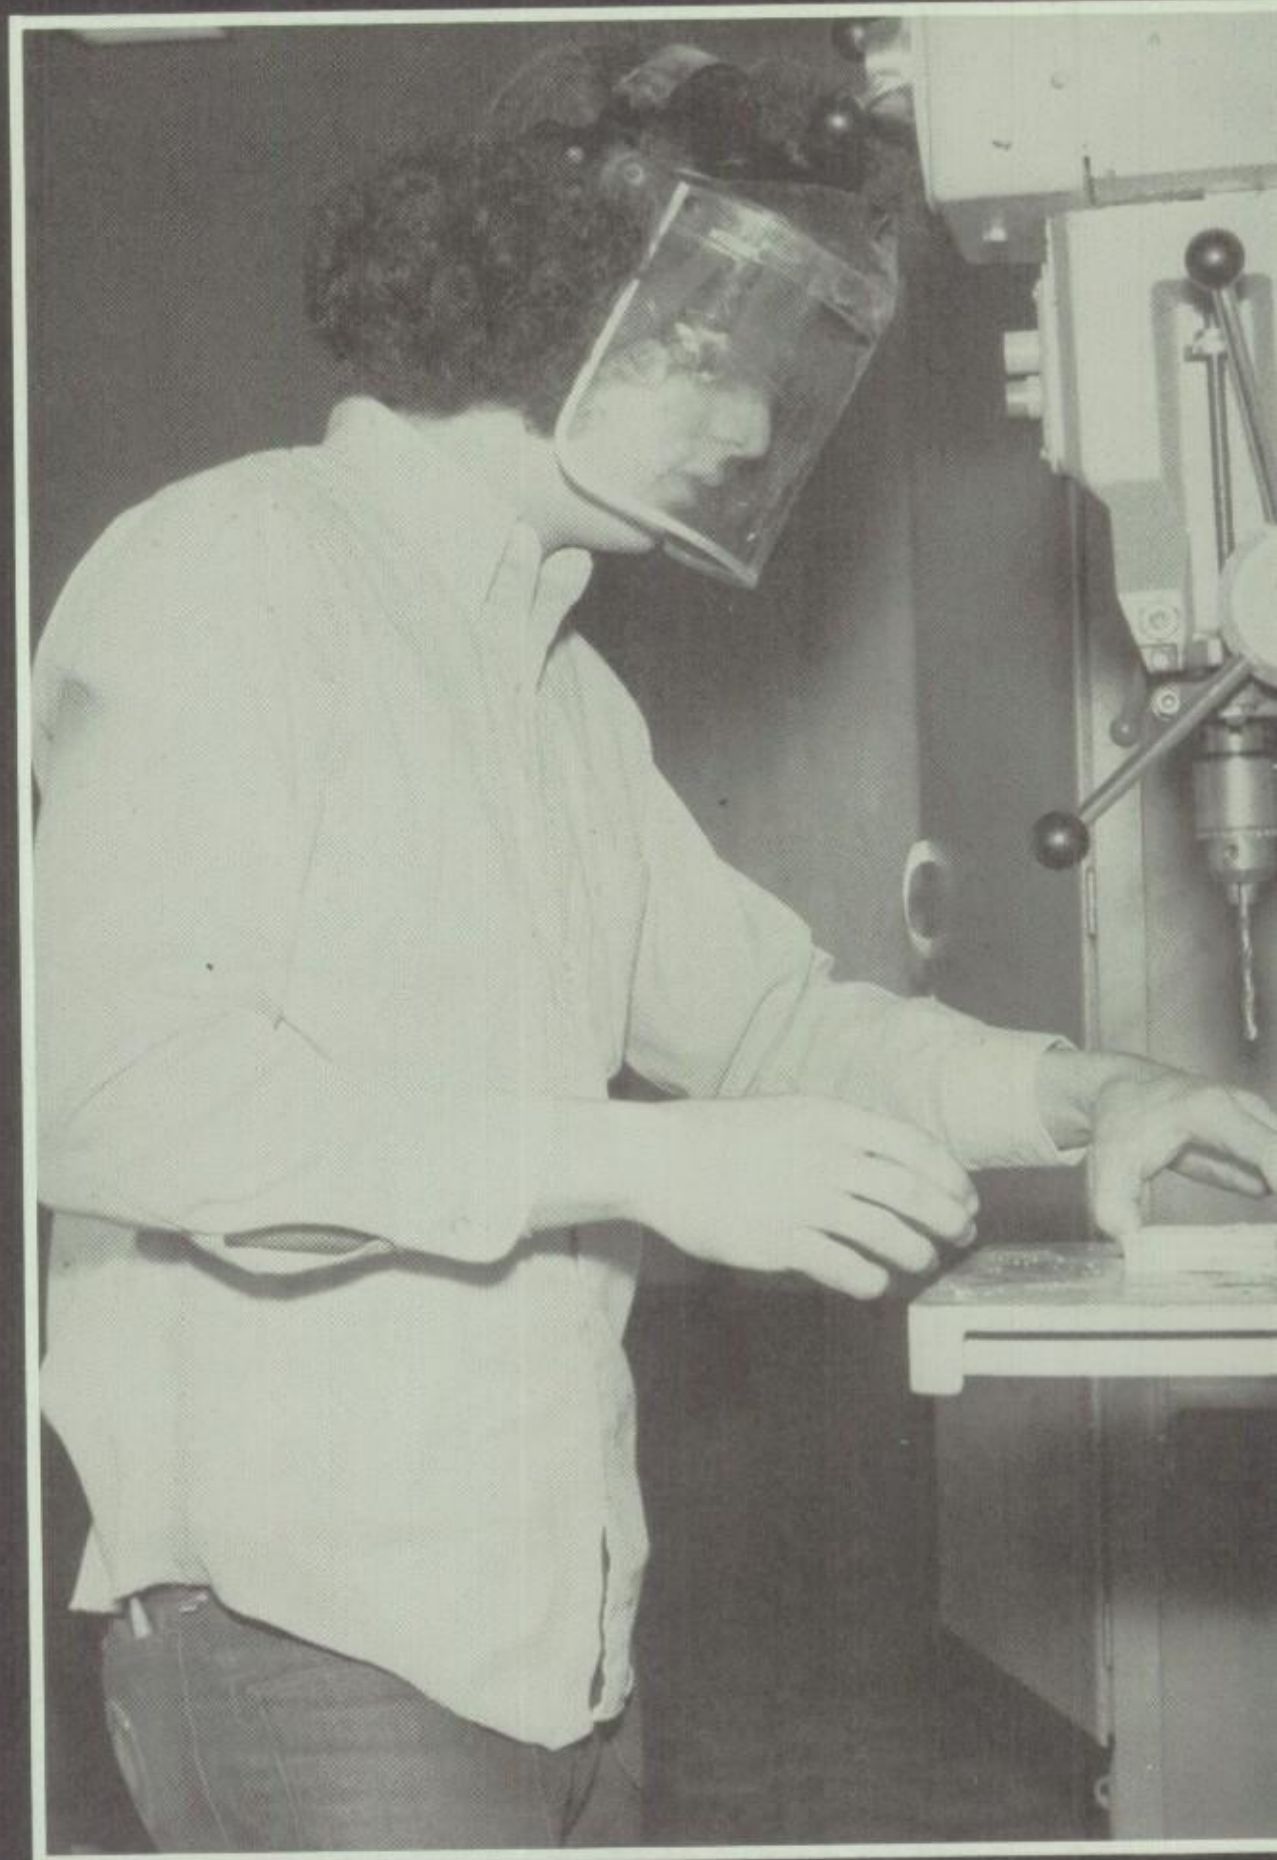

ust keep on pushing hard but try as you may,  
You're going to wind up where you started from.

"Sitting" by *Cat Stevens*

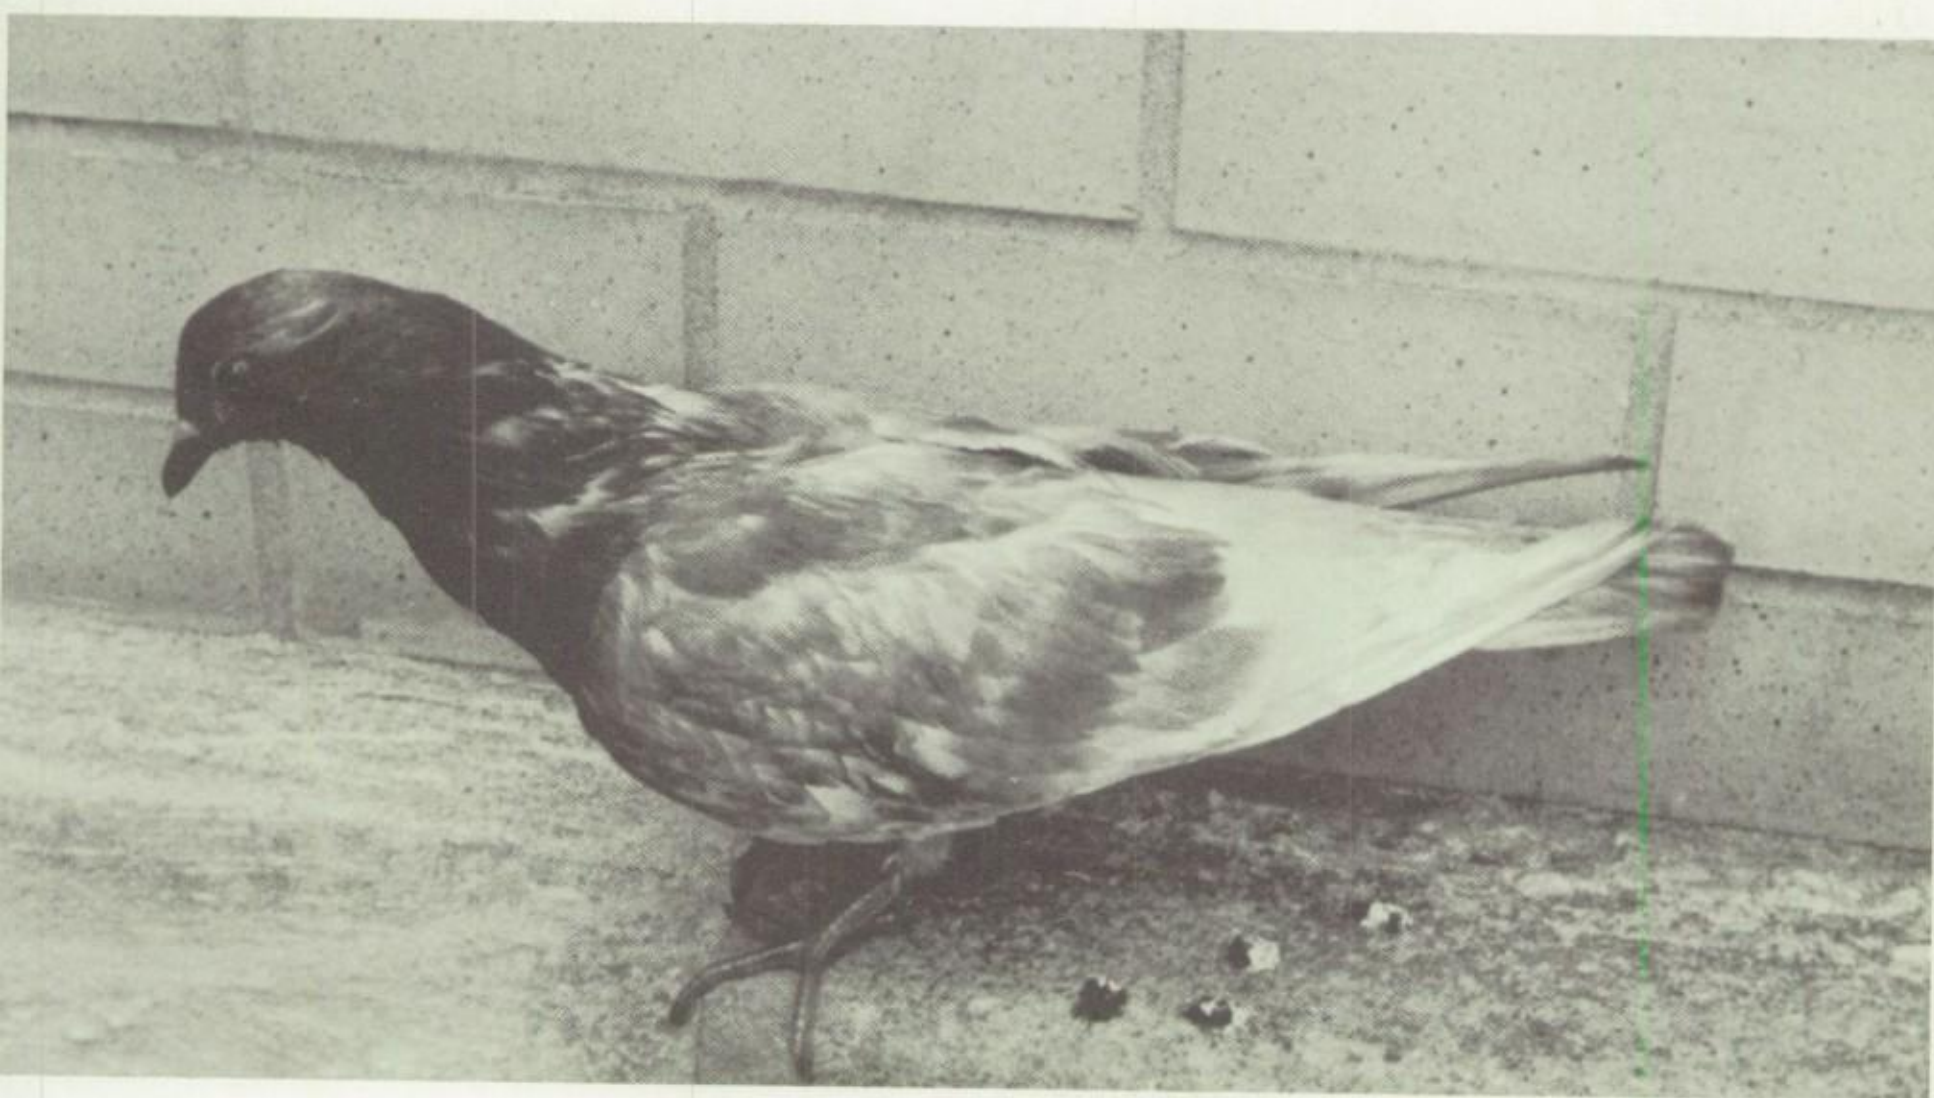

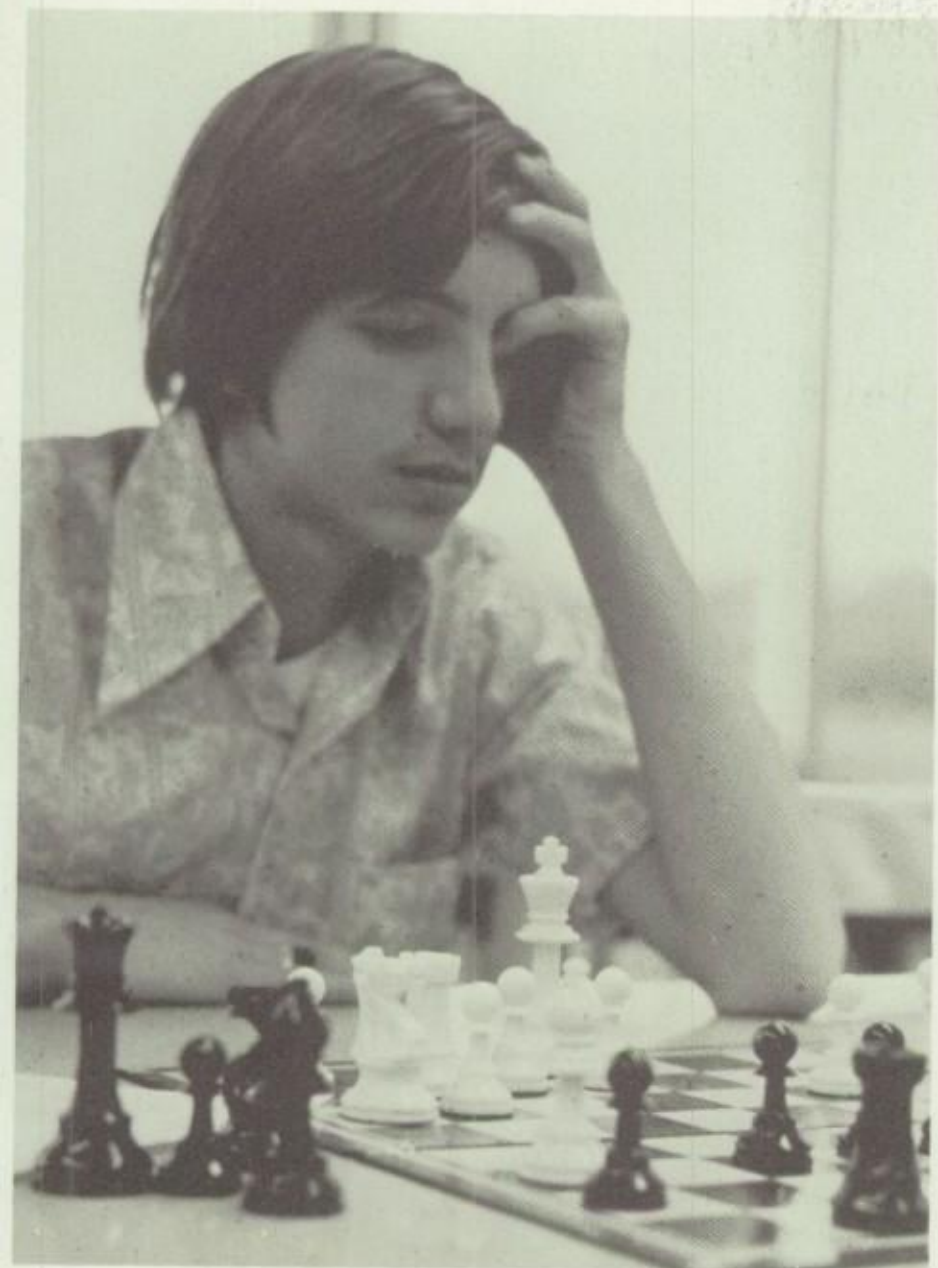

## Year- round Activities

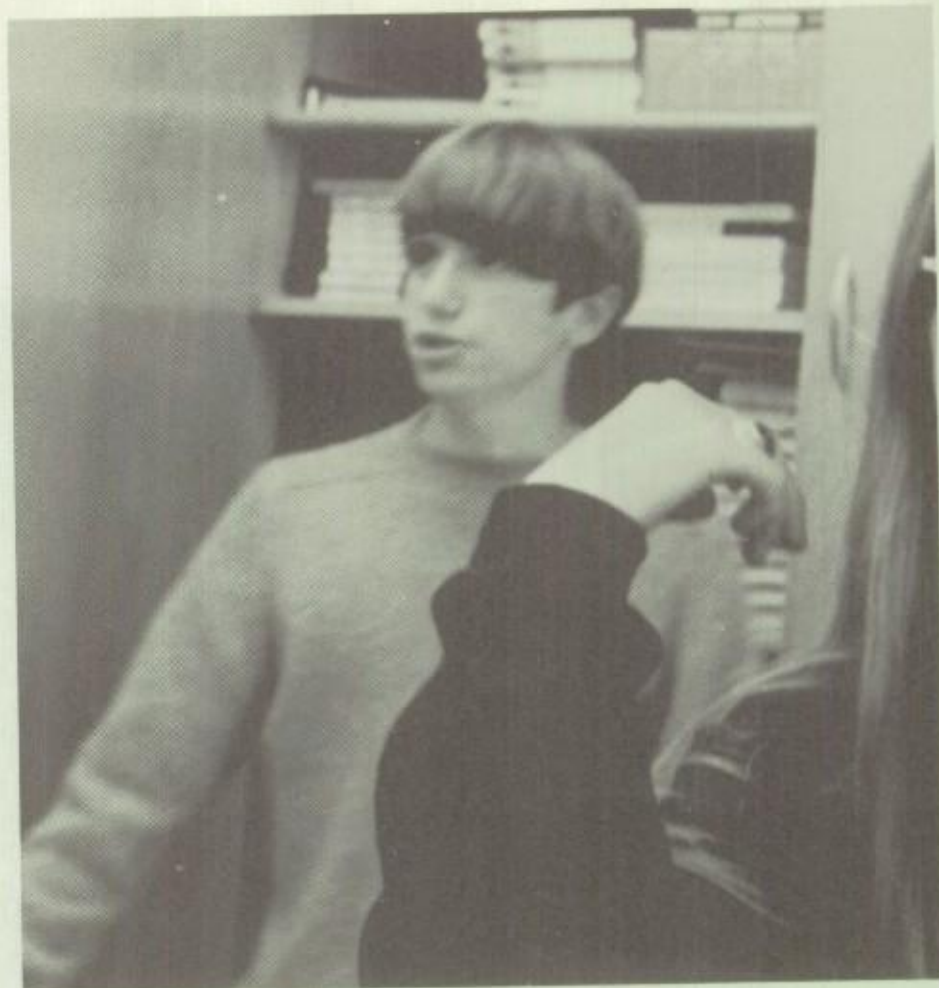

Alright I'll die!  
Just watch me die!  
See how I die!  
Then I was inspired  
Now I'm sad and tired

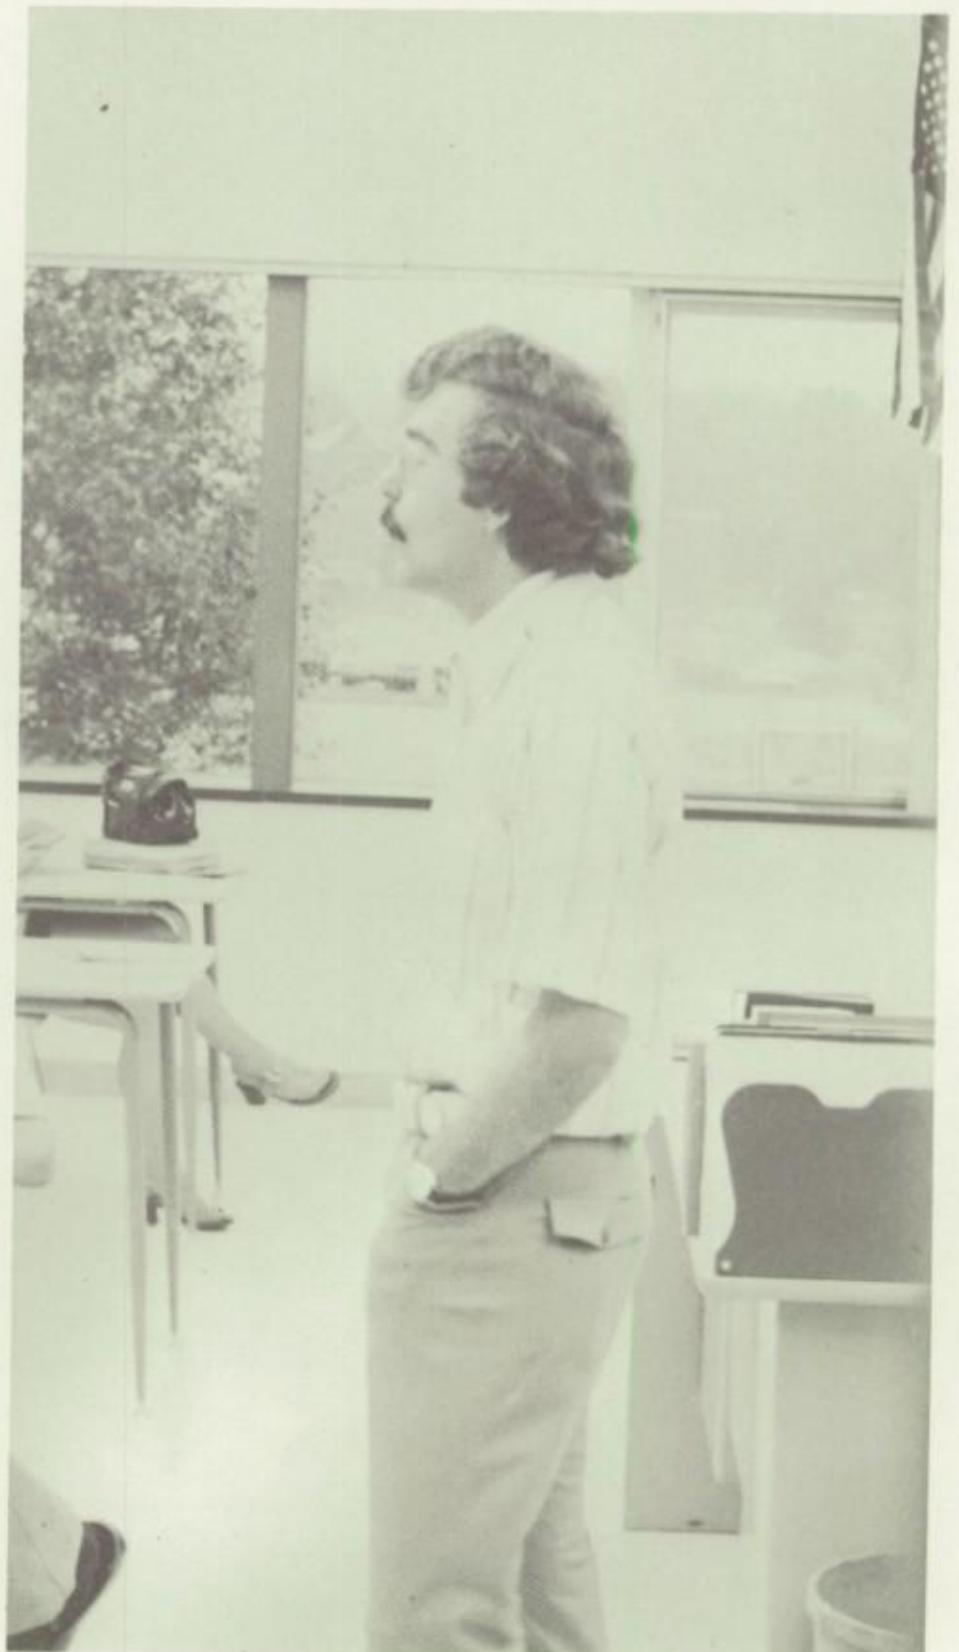

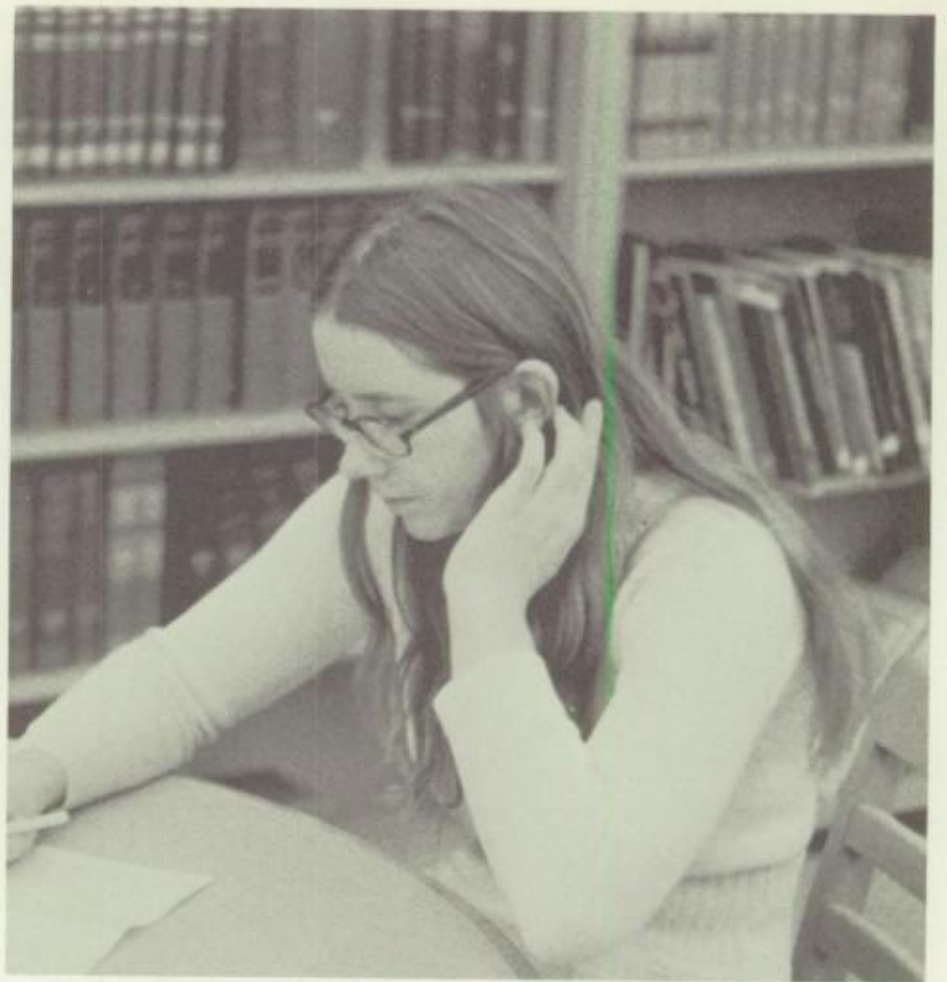

*Webber and Rice*

Try not to get worried,  
Try not to turn on to  
Problems that upset you,  
oh don't you know  
Everything's alright  
yes everything's fine

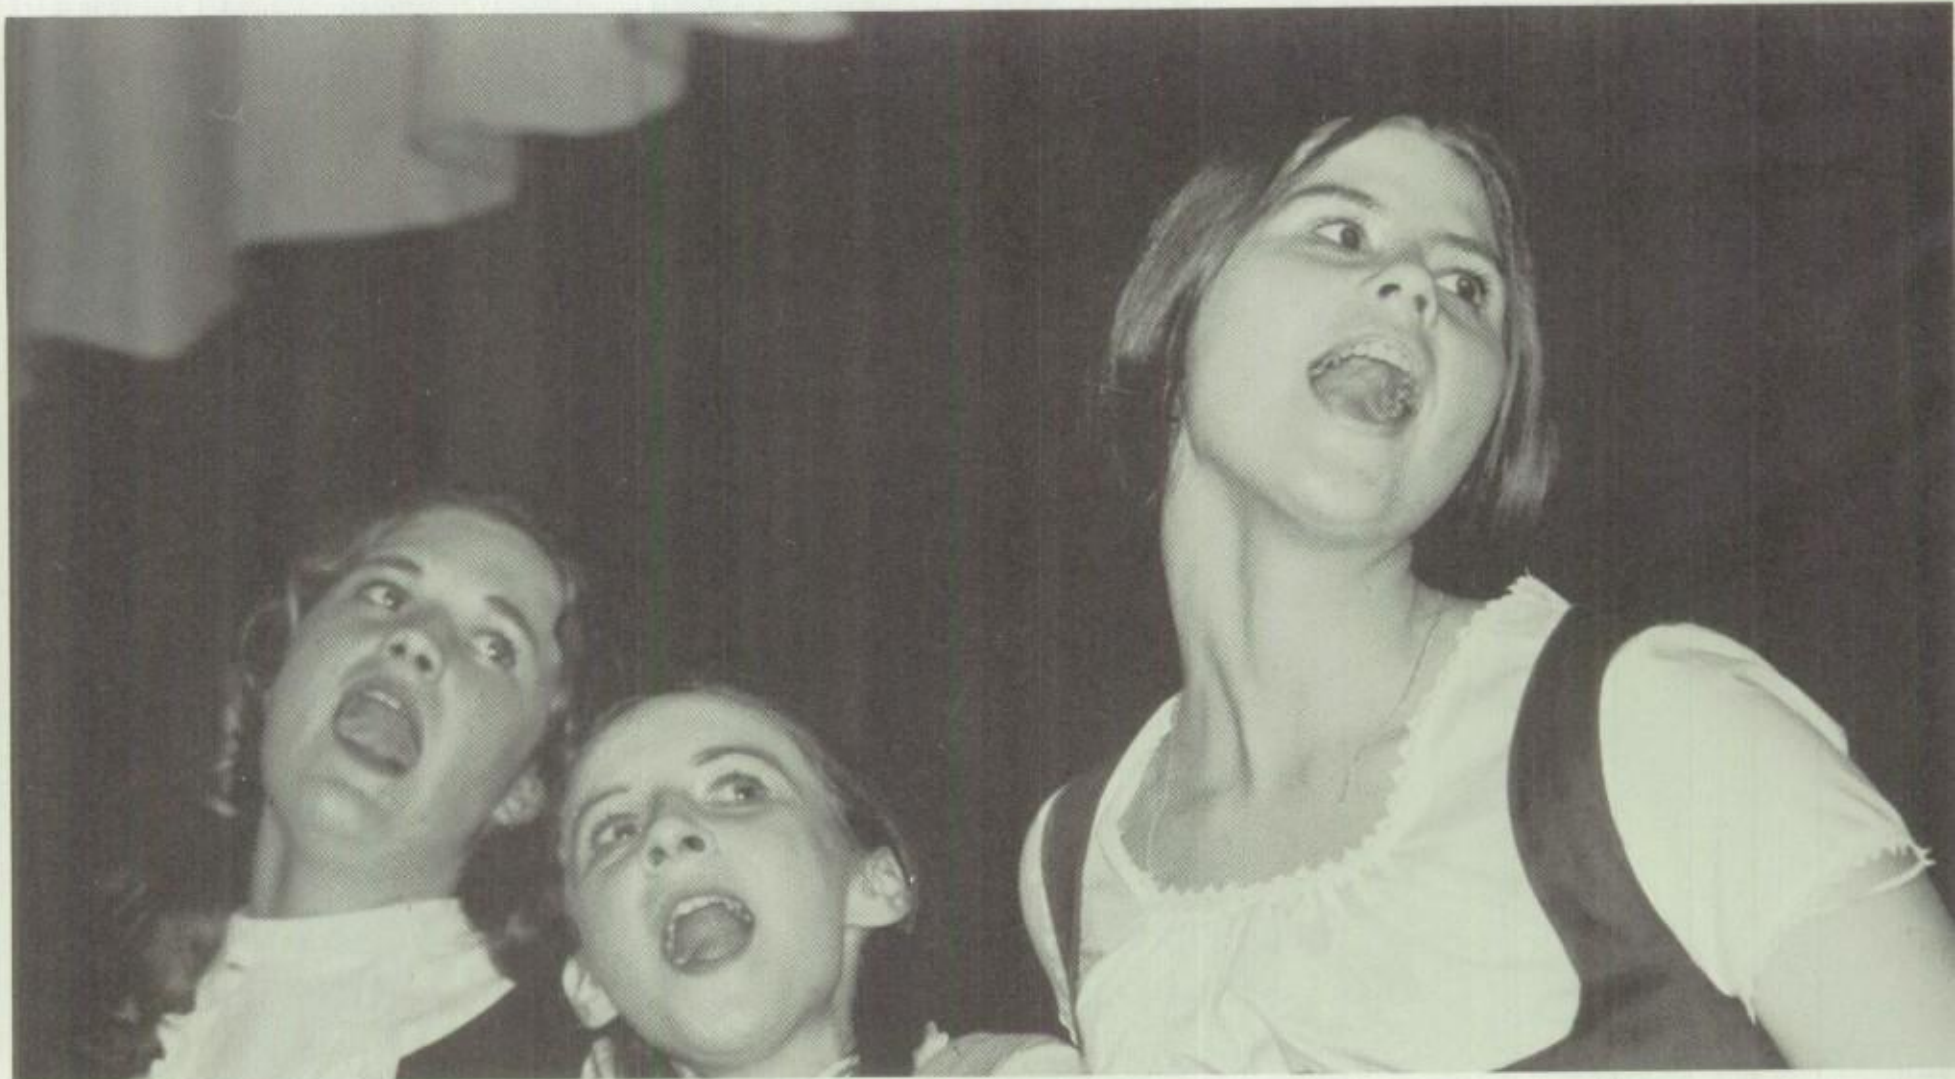

*Webber and Rice*

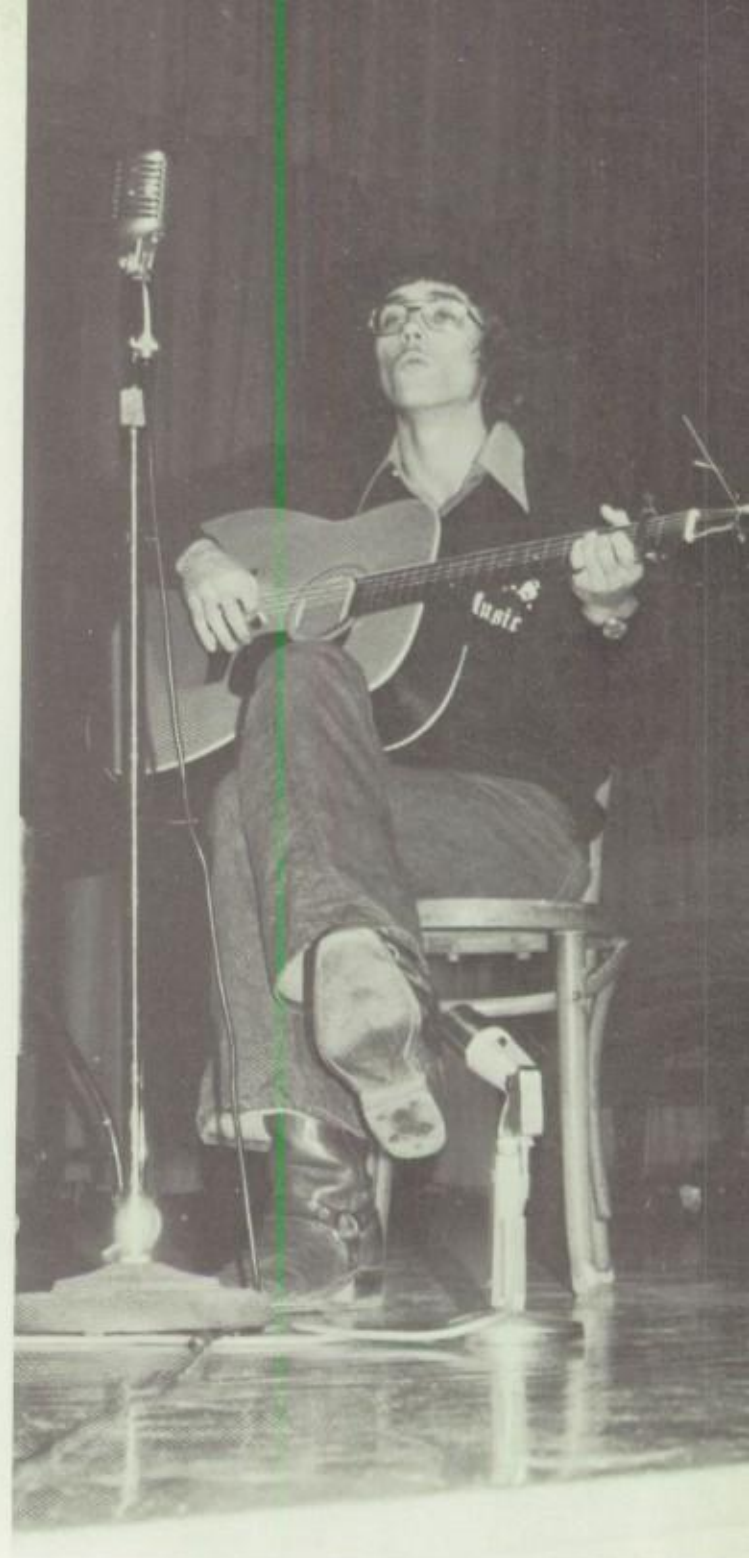

Songman sing your song until the morning comes.  
I can listen as long as you can play.  
Songman, can you teach me how you make some-  
one feel good?  
I think I'll have a song or two that I might  
want to sing like you  
someday.

Of the people in my past,  
Fading faces in a waking dream.  
And though they never seemed to last very long,  
There are faces I remember of the places in my past . . .  
Sometimes I can laugh and cry,  
And I can't remember why,  
But I still hold those good times gone by  
Hold on to them close or let them go.

# SEASON SUITE

## SUMMER

Silently the morning mist is lying on the water  
Captive moonlight waiting for the dawn  
Softly like a baby's breath a breeze begins to whisper  
The sun is coming, quick you must be gone  
Smiling like a superstar the morning comes in singing  
The promise of another sunny day  
And all the flowers open up to gather in the sunshine  
I do believe the summer's here to stay  
    And oh I love the life within me  
    I feel a part of everything I see  
    And oh I love the life around me  
    A part of everything is here in me  
Riding on the tapestry of all there is to see  
So many ways and oh so many things  
Rejoicing in the differences, there's no one just like me  
Yet as different as we are we're still the same

## FALL

Reflections on the water like shadows in my mind  
Speak to me of the passing days and nights and passing time  
The falling leaves are whispering winter's on its way  
I close my eyes remembering the warmth of yesterday  
It seems a shame to see September swallowed by the wind  
And more than that it's oh so sad to see the summer end  
And though the changing colors are a lovely thing to see  
If it were mine to make the change I think I'd let it be  
But I don't remember hearing anybody asking me

## WINTER

It's cold and it's getting colder  
It's gray and white and winter all around  
And oh I must be getting older  
All this snow is trying to get me down  
There's a fire in the corner slowly dying  
Sometimes I just don't feel like going on  
And yet I know it's more than worth the waiting  
For another chance to see the summer sun  
Come on, shine on me!

## SPRING

Open up your eyes and see a brand new day  
A clear blue sky and brightly shining sun  
Open up your ears and hear the breezes say  
Everything that's cold and gray is gone  
Open up your hands and feel the rain come down  
Taste the wind and smell the flowers sweet perfume  
Open up your mind and let the light come in  
The earth has been reborn and life goes on  
    Do you care what's happening around you  
    Do your senses know the changes when they come  
    Can you see yourself reflected in the season  
    Can you understand the need to carry on?  
Riding on the tapestry of all there is to see  
So many ways and oh so many things  
Rejoicing in the differences, there's no one just like me  
Yet as different as we are we're still the same  
    And oh I love the life within me  
    I feel a part of everything I see  
    And oh I love the life around me  
A part of everything is here in me.
